TEASE!

THIS · MONTH · IN · CLUB

As if you hadn't noticed by now, this month it's Valentine's Day. It's the day all blokes dread, the day when we're expected to come back from the office with a dozen red roses in one hand and a box of French chocolates in the other, to greet the girlfriend first thing in the morning with breakfast in bed and end the day with a meal in the most expensive restaurant that she and her mother can think of.

Or that's what *she* thinks.

'Cos you see, to me, Valentine's Day is all about something else entirely. Sex.

You may have to resort to giving your bed mate lots of expensive gifts, but if you're lucky and play your cards right you can bypass all that schmaltzy crap and get straight down to it. You just have to have the knack, like I have.

What you have to do is this. (It's best to start first thing in the morning, when you can guarantee getting a great big stonking stiffie, and then we're all happy.) Take one copy of Club (this latest issue will do), an economy sized box of Kleenex, and your beloved. Add a little spunk, which should be pretty easy to come by at that time of day, a dash of her love juice (it's always best to give her a little tongue-lashing to get the engine ticking over), and before you know it your dick's between her lips, and you've got the perfect recipe for a sausage sandwich. What could be simpler? I reckon it's pretty romantic too, celebrating this great day by watching your girlfriend swallow your load.

But if you think all that's a whole lot of trouble for you at that time of day, then Club has the solution. Forget all the effort of getting the girlfriend to join in, you can do the whole thing yourself with just a jar of hand cream, your right hand and this issue of Club. Find the girl who gives you the biggest boner - let's say, Kim on page 55, for example. She's the sort of girl who'd love to have your big dick shooting over her bum. Then it's on with the hand cream and you're away.

And let's face it, you sure don't need Valentine's Day for *that*, 'cos we've got it every month. And you can't beat beating it! - *'Hector' Swift.*♣

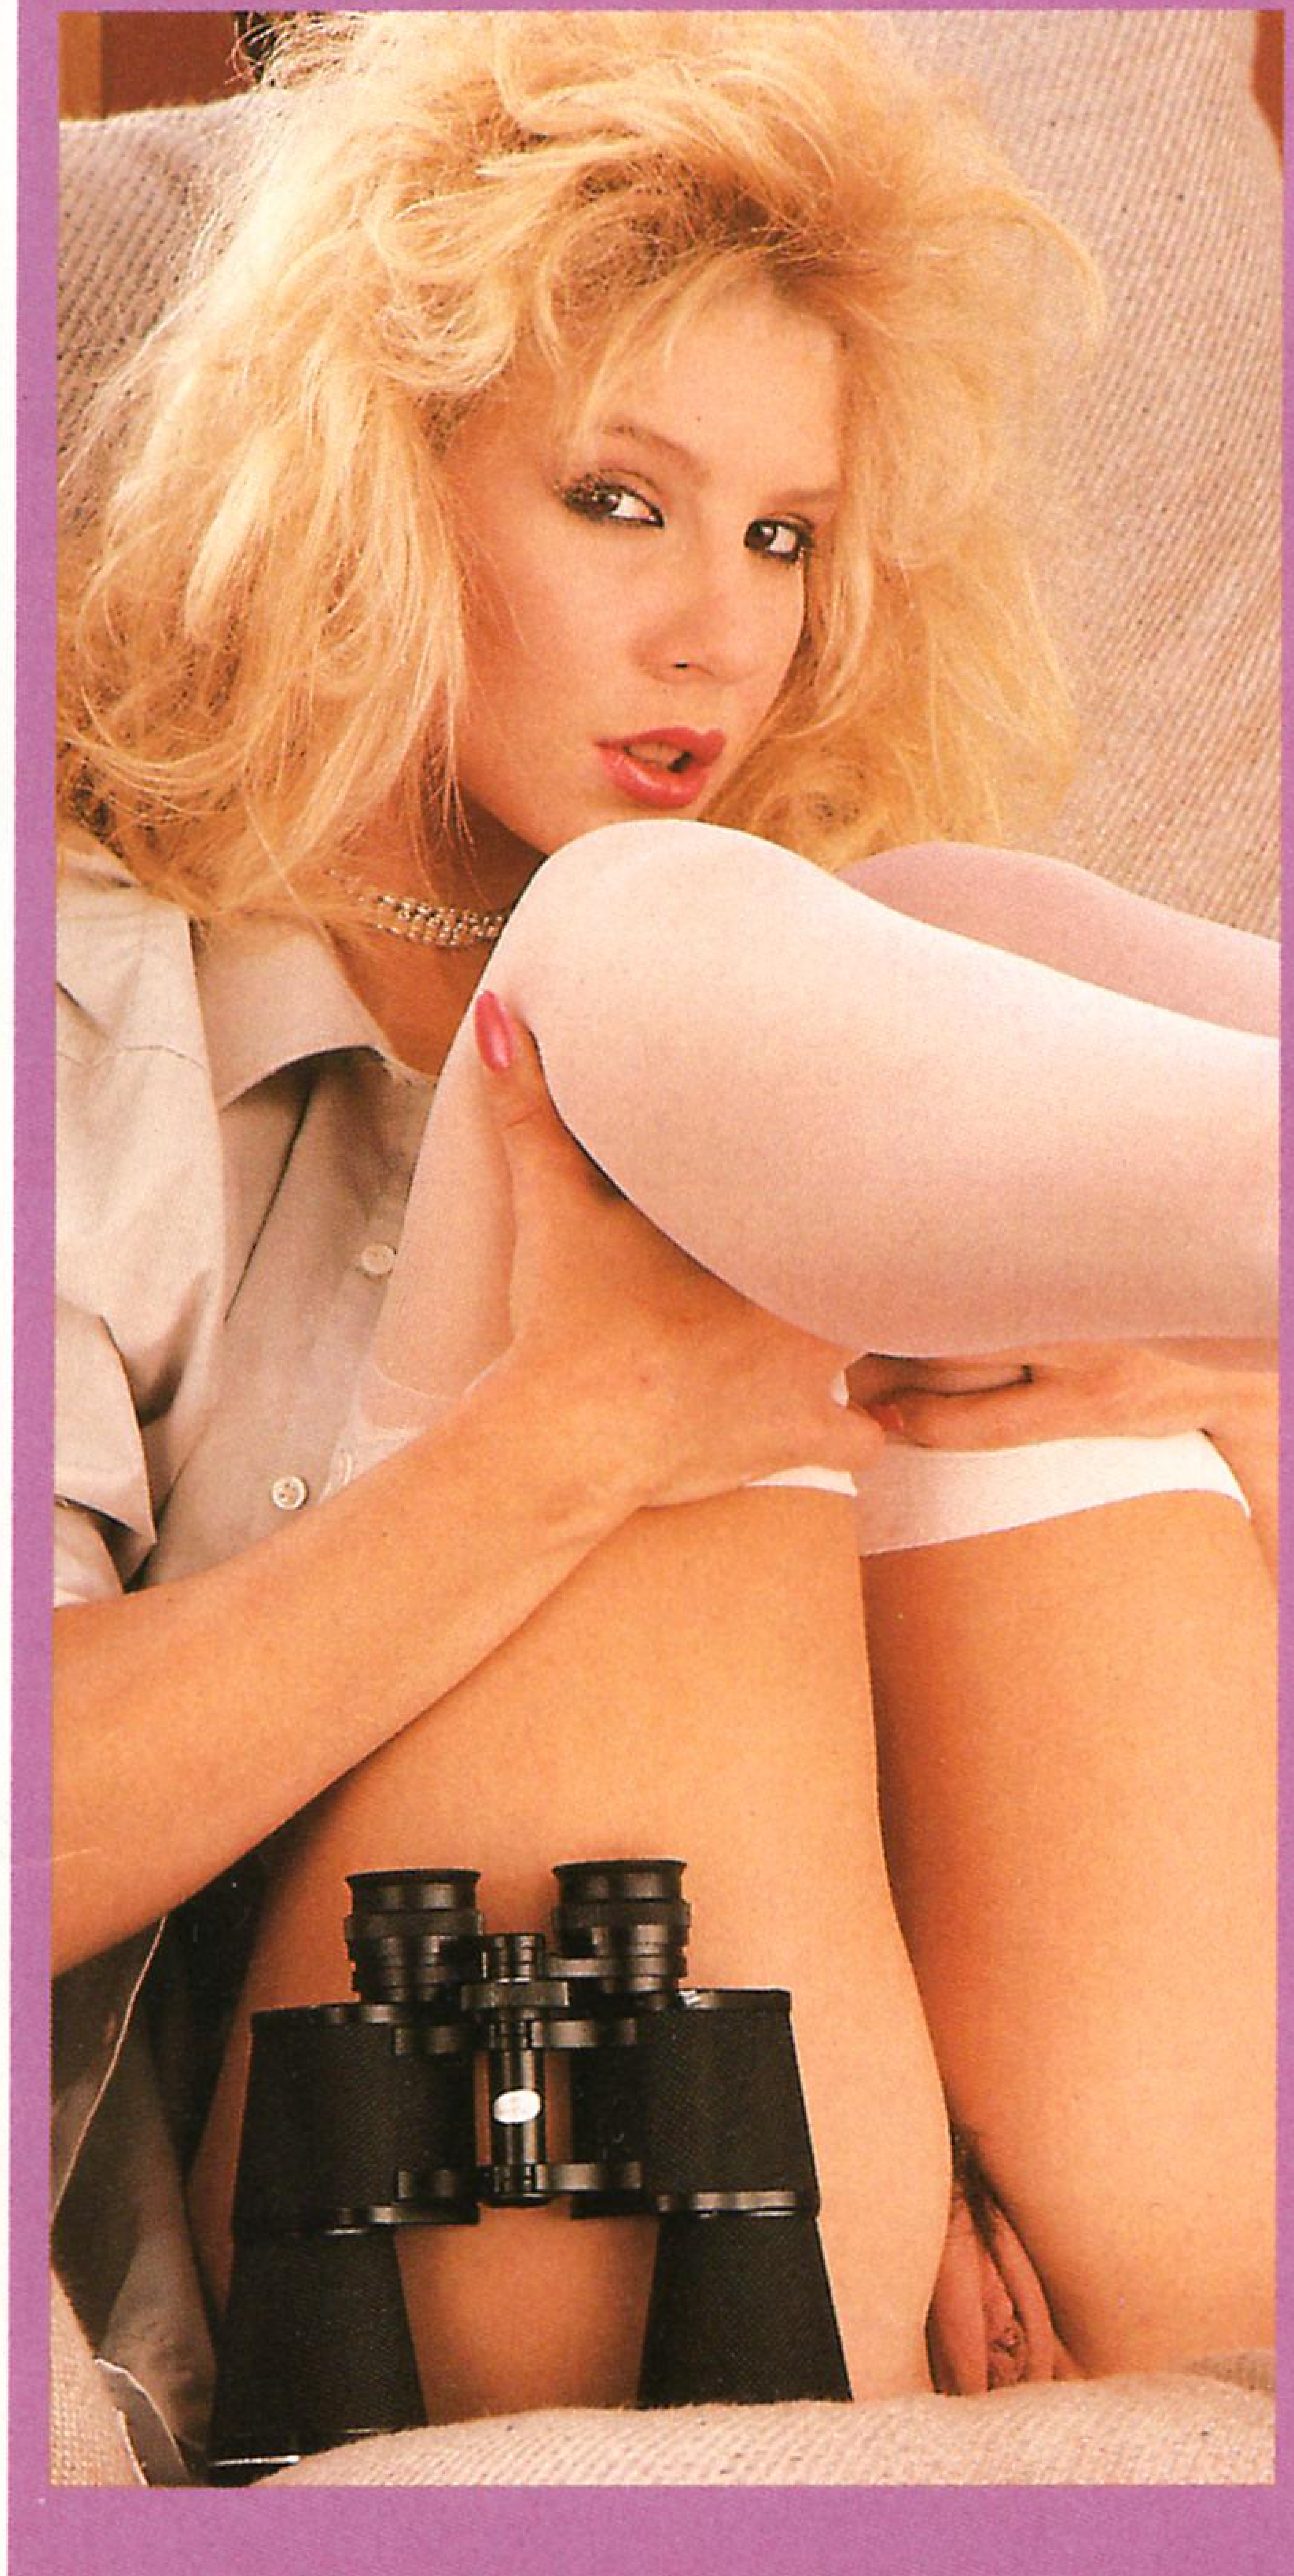
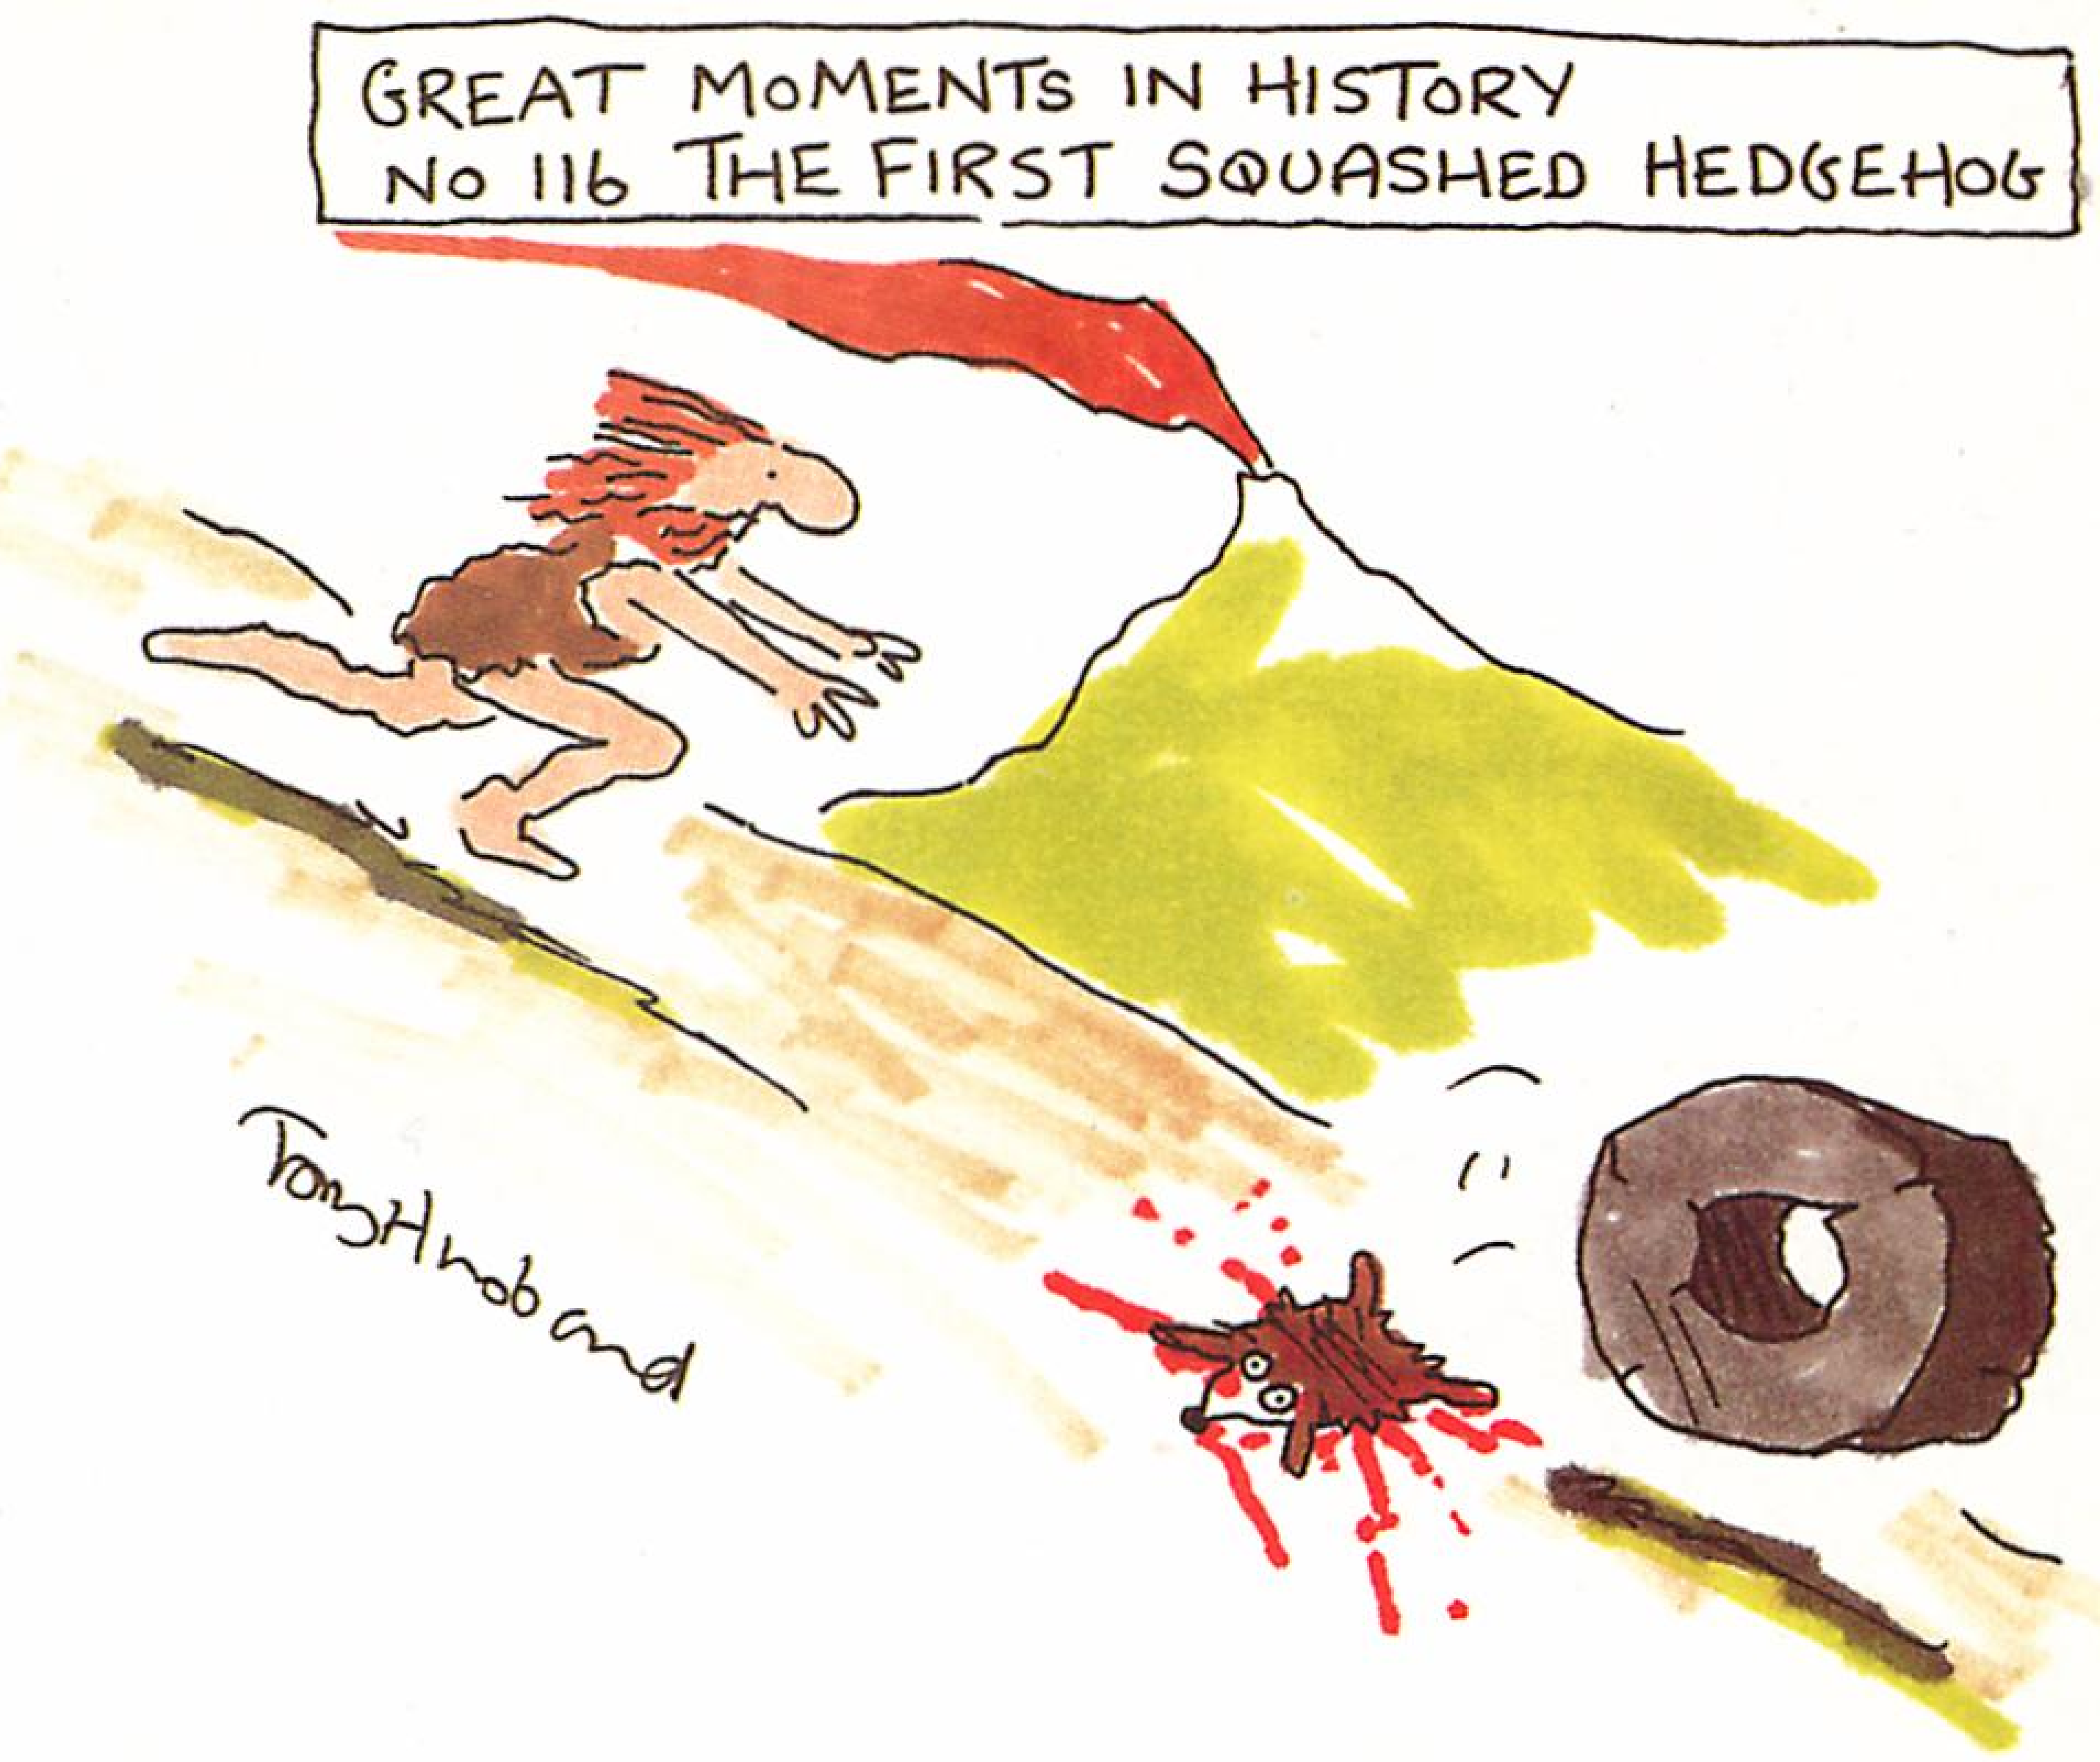
the girl you've asked to see

The things that saucy Sadie was doing to that telescope in Vol 18 No 13 certainly had a good many of you shaking in your shoes, not to say other unmentionables. So here's another bird's eye view of the rampant lass, especially for Don of Swindon, Michael of Peterborough, and a strange individual who calls himself Aziz The Mad Invigilator who "loves those juicy buns". Well, invigilate on *these*, sunshine!♣



IN·THE·BAG



Get 'em off, then get it down. If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Please, More Louise

Well done lads and Dominant Dowse for Vol 18 No 11, need, and want, a good shafting. *(Wasn't that last year? -Ed.) (He obviously had a very long wank - Dominant Dowse.)*

My favourites from that issue are Christine - I'm just dying to lick the sweat from her body - and Sara (I wish my cock was being licked by her instead of the ice lolly). What a pair of hot, dreamy shagbags! Mind you, I wouldn't say no to Vanessa, if only I was given the chance to run my tongue over her boobs and pert nipples until she went over the edge.

But I leave the best girl to last who is, of course, Lori. She looks so incredibly fuckable dressed in those horny white stockings and high heels, it's untrue. The amount of sperm she's coaxed from the end of my cock has left me exhausted, and while I'm wanking over her pictures I imagine I'm slipping my throbbing cock into her sweet cunt doggy-style until I feel my jizz spurt from my dick deep into her juicy pussy.

But apart from all this, I have another reason why I want to write to you. Way back in Vol 18 No 8 you had a girl called Louise who I think is the most humpable, bonkable, and shaftable girl ever to appear in Club. I still lust after her every single day. Is there any chance I'll be able to feast my eyes and pump my cock over pictures of this beautiful girl again? - *Steve, Hants*

It's just possible that she might be released from Editorial in the next couple of years, where she's been holding Submissive Swift hostage and making him talk dirty to her. - Ed.

We Want Wendy!

I enclose my *Top Ten Corner*, but meanwhile I have a request to make. Please, please, *please* do a feature on singer Wendy James soon, preferably with lots of sexy colour photos that I can spend hours tossing off over. Who wants to look at a bunch of sweaty, long-haired wankers like Guns 'n' Roses (Vol 18 No 11) when there's sexy rockers like Wendy about? - *John, Bradford*

We'll try and get a feature on the Vamp herself together, but what's wrong with having a feature on Guns 'n' Roses to keep us girls happy? I'm told that Axl has a massive wanger, after all... - Dominant Dowse

Home Win

I have been a faithful reader of your truly fantastic magazine for a few years now and since getting married just over a year ago my wife Wendy has joined me in reading those great letters and lusting over all those beautiful girls. This always leads to a great sex session that can last for hours. Three cheers for Club.

TOP TITS

Welcome to our great new game show, ***Guess the Size and Win a Prize!*** It's a game for everyone to play when you've had too much drink and all your clothes have fallen off. The rules are simple: the guys must be blindfolded and the girls must be topless.

Take turns giving every boob a good grope, feeling every inch of firm flesh, and weighing them in your palms. By now you should have a pretty good idea of the double dimensions you're dealing with. But if you're still in doubt, ask yourself a few questions:

Are the tits flopping out over the sides of your hands and oozing through your fingers? Or are you still looking for them?

Are we talking inches or feet, ounces or pounds?

Has someone played a joke and left you with an African bull elephant on your hands?

But most importantly, have you got a stonker like a baseball bat making a tent out of your chinos?

If you think you too could be a game show groper, try these for size - it could win you a prize! - ***George Breast*** ♣

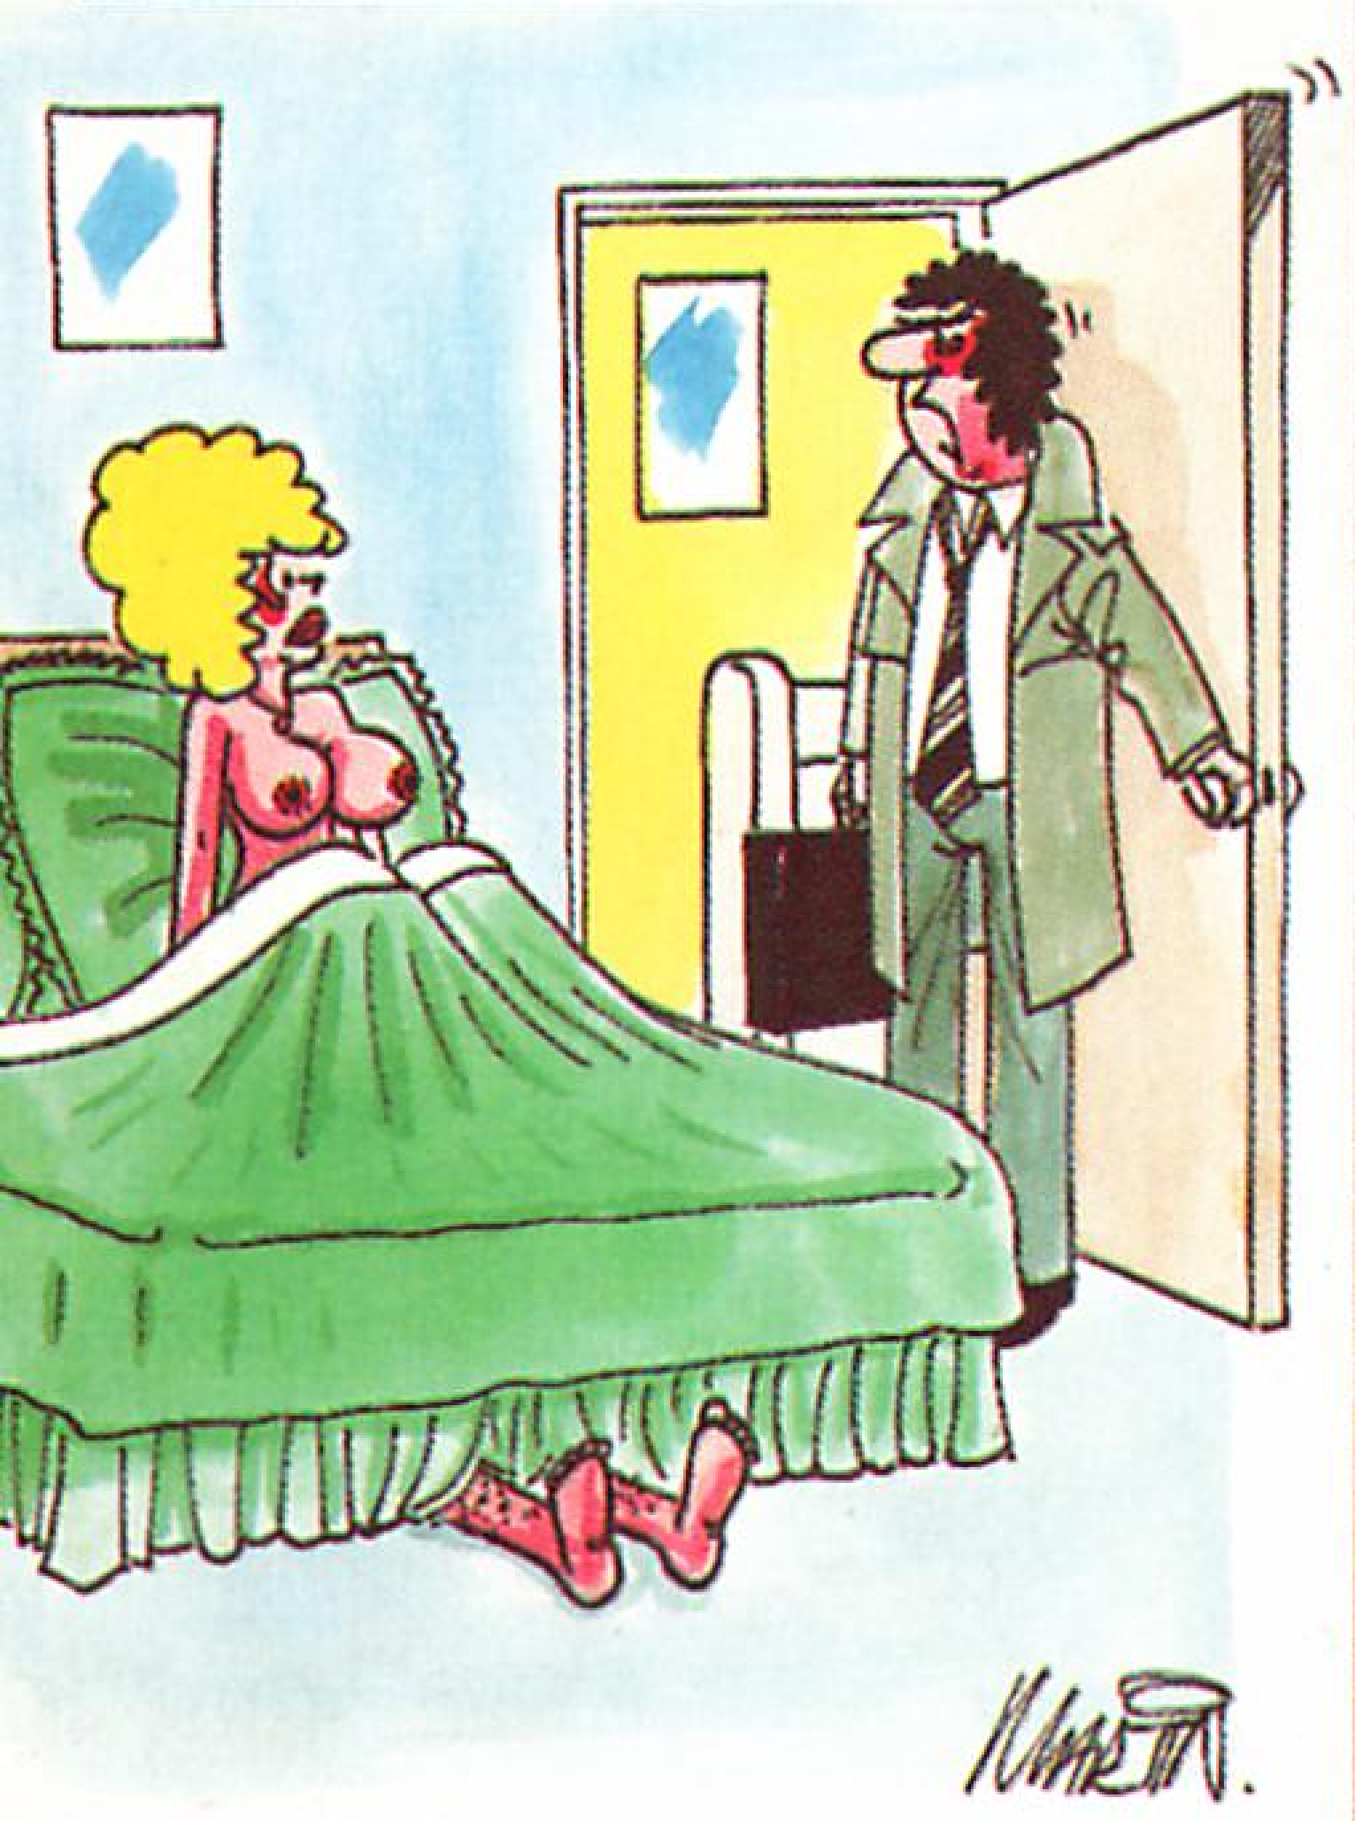
Dear Mandy,

You looked so incredibly randy giving yourself a good hand shandy in Vol 18 No 12.

As you wanked, I got a tremendous hard-on and just wished that my fingers could have been down there helping you come. Still, judging by that look of ecstasy on your face as you lay on your back, naked, in front of that roaring fire with your hands between your thighs, I guess you'd just found your clit and were giving it the attention it deserves - without any help from me.

After seeing you like that, I reckon my rampant cock certainly deserves your lovely arse cheeks and perky pussy. But that's another story! - *John, Sheffield*

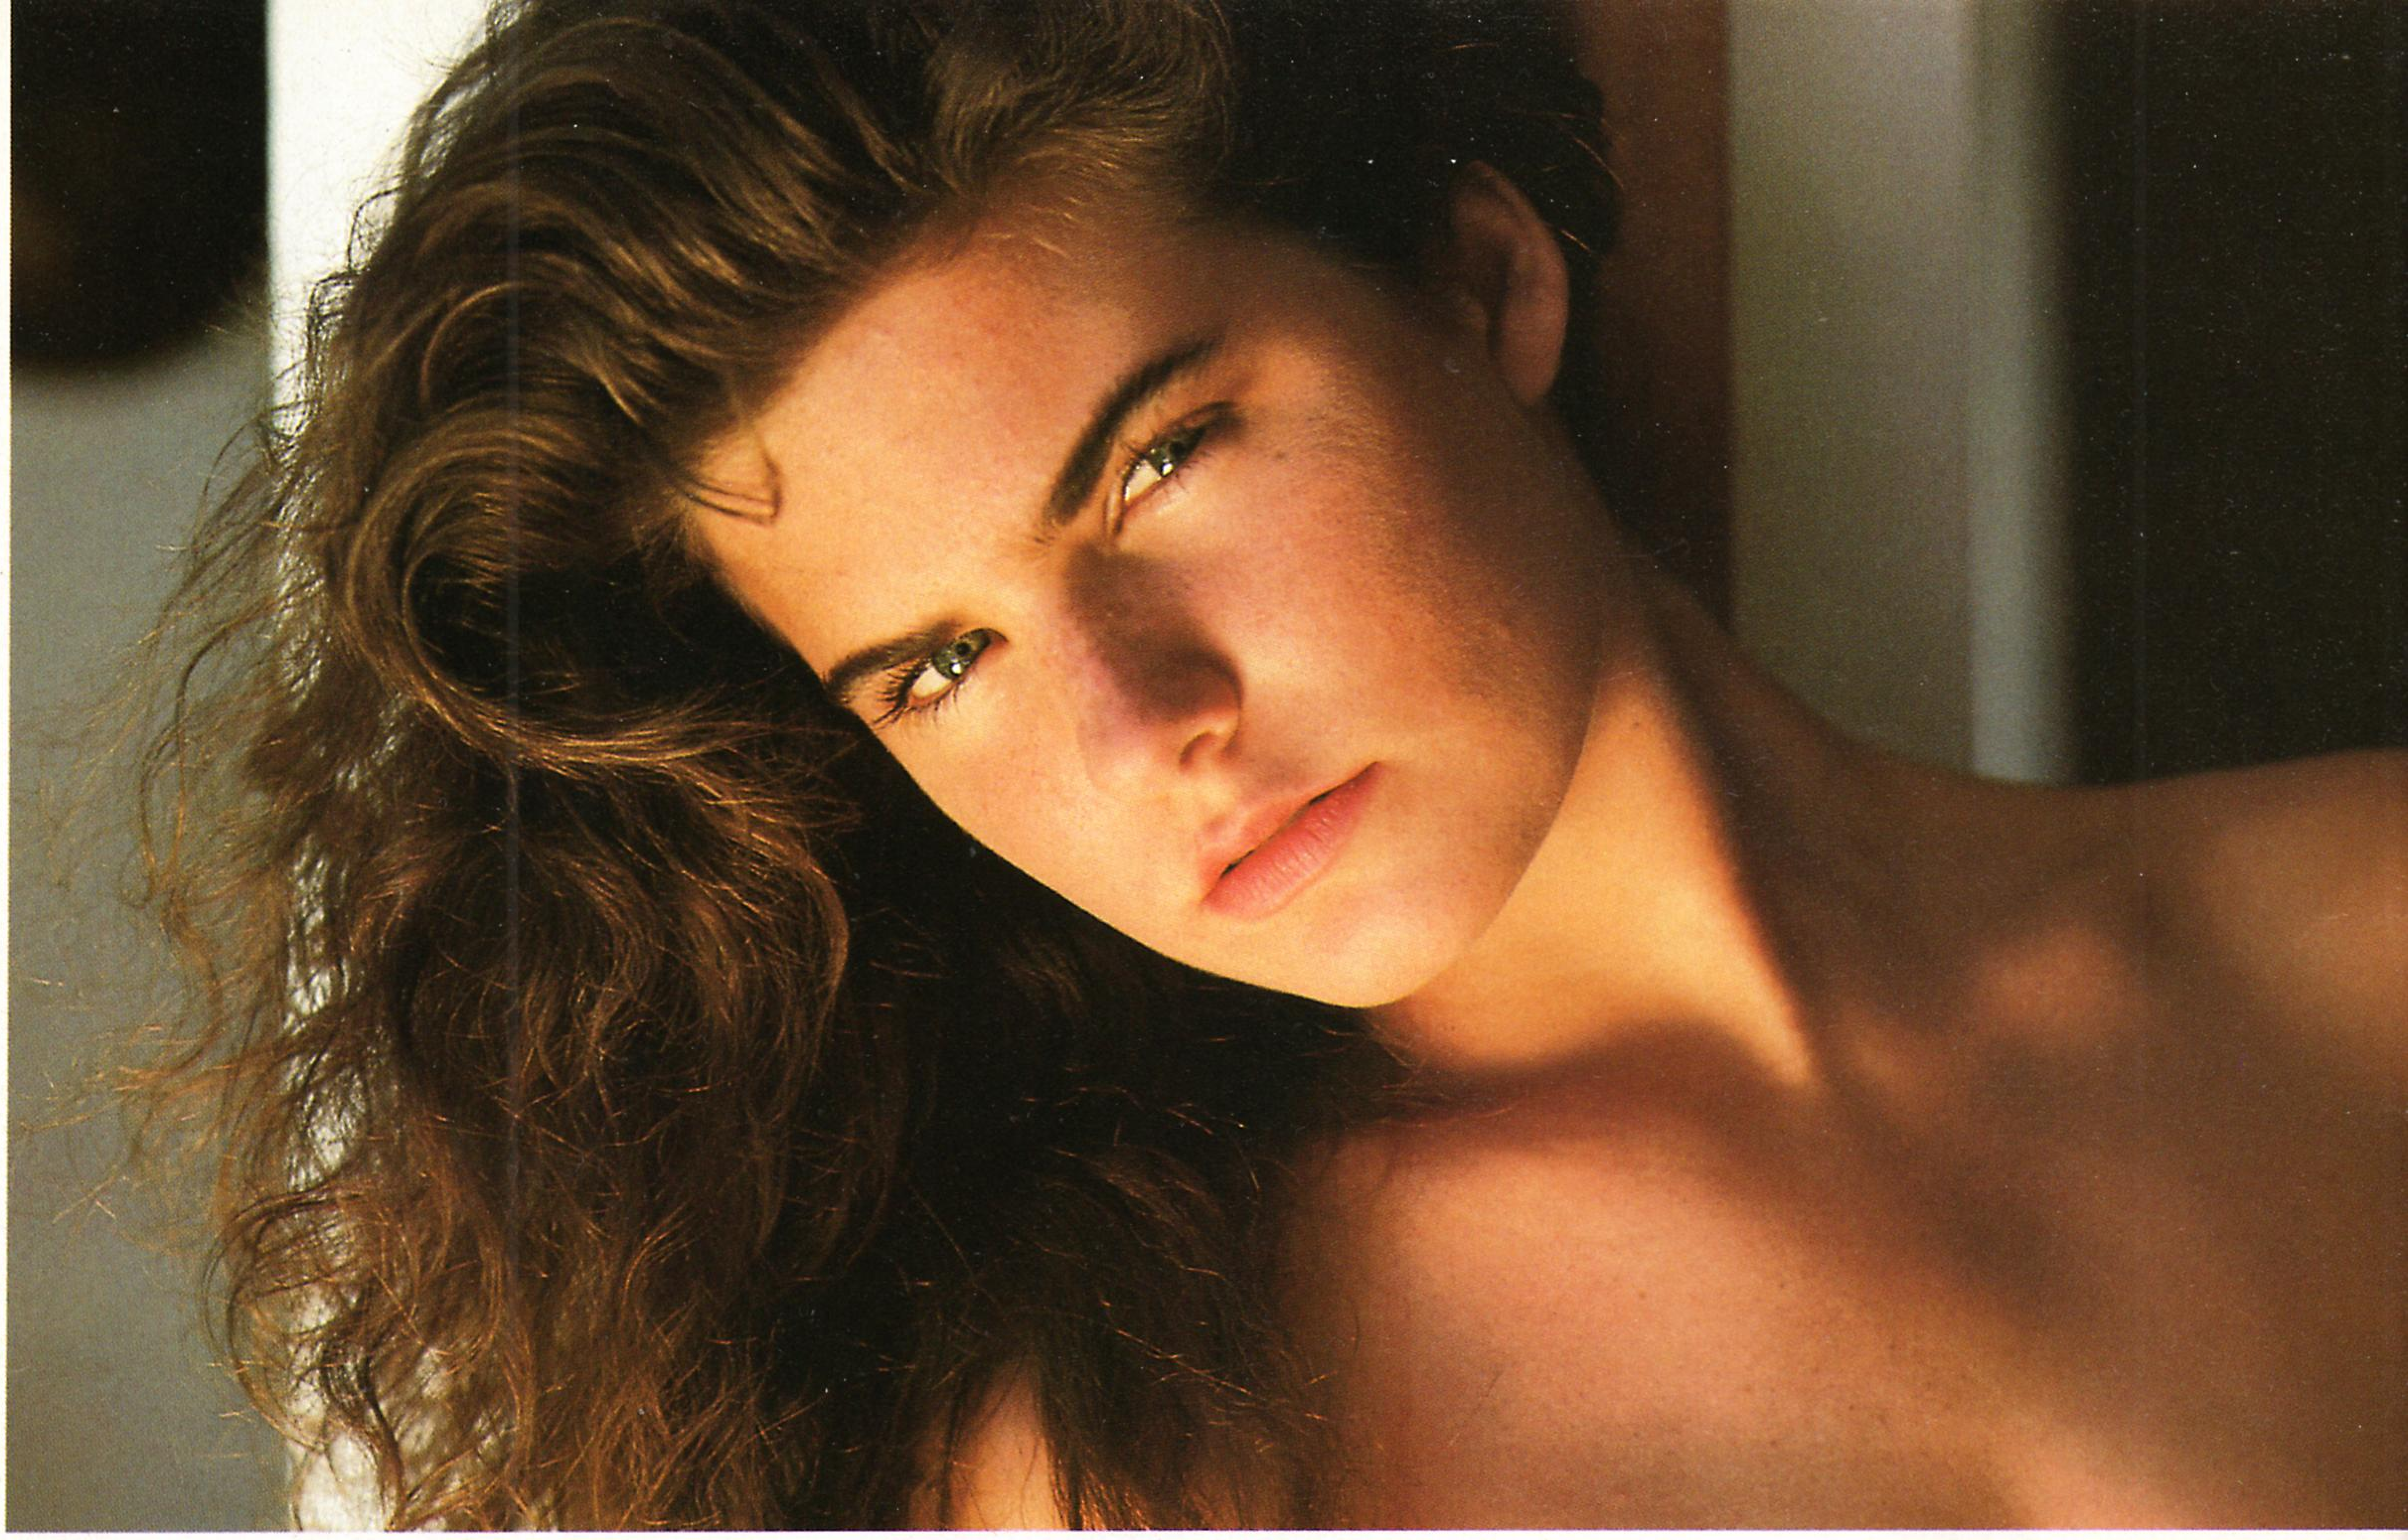
I know you're a regular correspondent to this magazine, John, so I thought I'd better reply quickly. I know that blokes get really excited when they see me frigging myself, so that's why I always make sure I do it in front of the men I go to bed with. It seems that the sight of me pushing my little fingers into my wet, juicy pussy just gets blokes uncontrollably horny. What do you make of that, John? - Mandy



What's this I've heard about you screwing some young motor mechanic?

BECKY

Photographs by Michael Moore



What, you might ask, is a trilingual Londoner called Becky, with a First Class Honours German degree, doing showing off all her pouting charms in Club?

"I find men have this irritating habit of thinking that all models are brainless," the 22-year-old brunette from Hampshire revealed. It wasn't all she was revealing that day. "That attitude really annoys me, so I thought if I appeared in your mag it might go some way to changing their minds. Just because I enjoy taking my clothes off for the camera doesn't mean that I'm thick!

"When I was at university I did have a

very wild time though. I've always loved sex - ever since I lost my virginity when I was 17 - and I made it my aim to sleep with as many blokes as I could as soon as I went there. Of course, when the guys found out about my modelling, which I've been doing for four years, they couldn't get me in bed fast enough.

"The best bloke I've shagged was actually one of my tutors though. He liked me to be on top so that he could watch my

tits jiggling up and down and see all the dirty expressions on my face as I had my orgasms. That's what I was thinking of when I did these photos actually, so I hope it shows!" ♣

...GET UP UH... GET ON UP... AN' BE A SEX MACHINE

The Bastard's Guide To Valentine's Day

*To celebrate this special day of love, jaded old cynic **Reggie Snatchgobbler** wades through the piles of slush to conclude that... romance is crap!*

Believe it or not, romance and Russell Grant *do* have something in common - they both make me vomit. Still, I'm never one to let my personal opinions interfere with my work, and with February the 14th looming larger than a Cyril Smith moonie, I've decided it's about time for a definitive guide to Valentine's Day. For the next two pages you'll find nothing but love, romance, sweetness and finer feelings - and if you don't like it you can stuff it up your arse.

Dame Deborah Gives Her All

When it comes to talking about love and romance there can be few people better qualified than Dame Deborah Fartland, author of over 21 million Mills & Baboon paperbacks on the subject. I visited Dame Deborah to get her views on Valentine's Day.

For those of you who have never seen the Dame on TV, let me tell you that she is old, fat, heavily made up and wears pink frilly dresses decorated with ostrich feathers. If you imagine a whitewashed gorilla with lip gloss and false eyelashes, who has just escaped from an explosion in a candy-floss factory you'll have pretty much got the picture.

"The essence of romance," Dame Deborah told me, "is a chaste and virginal young woman, the sort who thinks that cunt is a county in South East England; an evil villain who slaps his thighs and strokes his goatee a lot; and an aristocratic young hero who would dearly love to steal a night of passion with the heroine, but is too polite to rifle through her drawers."

The Dame closed her eyes, and I thought she must be casting her mind back over a lifetime of romantic encounters, when suddenly she bellowed, "Oh sod it! These bastard eyelashes have gummed together again. Don't just sit there like some fuckwitted tart at a eunuchs' convention, get me some hot water!"

Four Lovely Gifts For Your Valentine

A musical diaphragm case that plays Sex Machine *when you open it*
A heart shaped douche bag
A box of chocolate flavoured condoms
A big, pink, cuddly teddy bear with a badge saying "I love you" pinned to its chest (you soppy bastard)

When her eyes had been re-opened with a crowbar she smiled at me. "Now, where was I?" she trilled. "Ah yes. A woman must be lady like and genteel at all times..."

Valentine Cards

The most informative part of my visit was when Dame Deborah showed me her extensive Valentine card collection. These had been sent to Dame Deborah by admirers from around the world. I was particularly impressed with the one from an Eskimo which read: "Love is... dressing up in a penguin suit and diving into the bath after her fishy bits." Then the Dame drew my attention to her own favourite, from a local butcher:

"I'm in a bit of a stew,
'Cos I'm offaly fond of you.
Please don't think I'm talking tripe,
Debs, when I say the time is ripe
For you to lay down on my slab
And let me fill you with my shish-kebab."

Three Places To Take Your Valentine

The Ritz (very romantic)
Tahiti (very sexy)
From behind (very ungrammatical)

"Romantic, you see?" Dame Deborah cooed. "A real gentlemen. He only wanted to feed me, not force me to indulge in all that squelchy business."

So what would Dame Deborah's ideal Valentine's Day treat be? A candlelit dinner for two? A moonlight ride in a horsedrawn carriage? Being serenaded at midnight by a handsome stranger?

"Any of those," the Dame sighed. "Or being thrown down on the carpet and rogered until my legs turn to jelly."

Before I left Dame Deborah I asked her if she had any favourite Valentine's Day experience she'd like to share with Club readers.

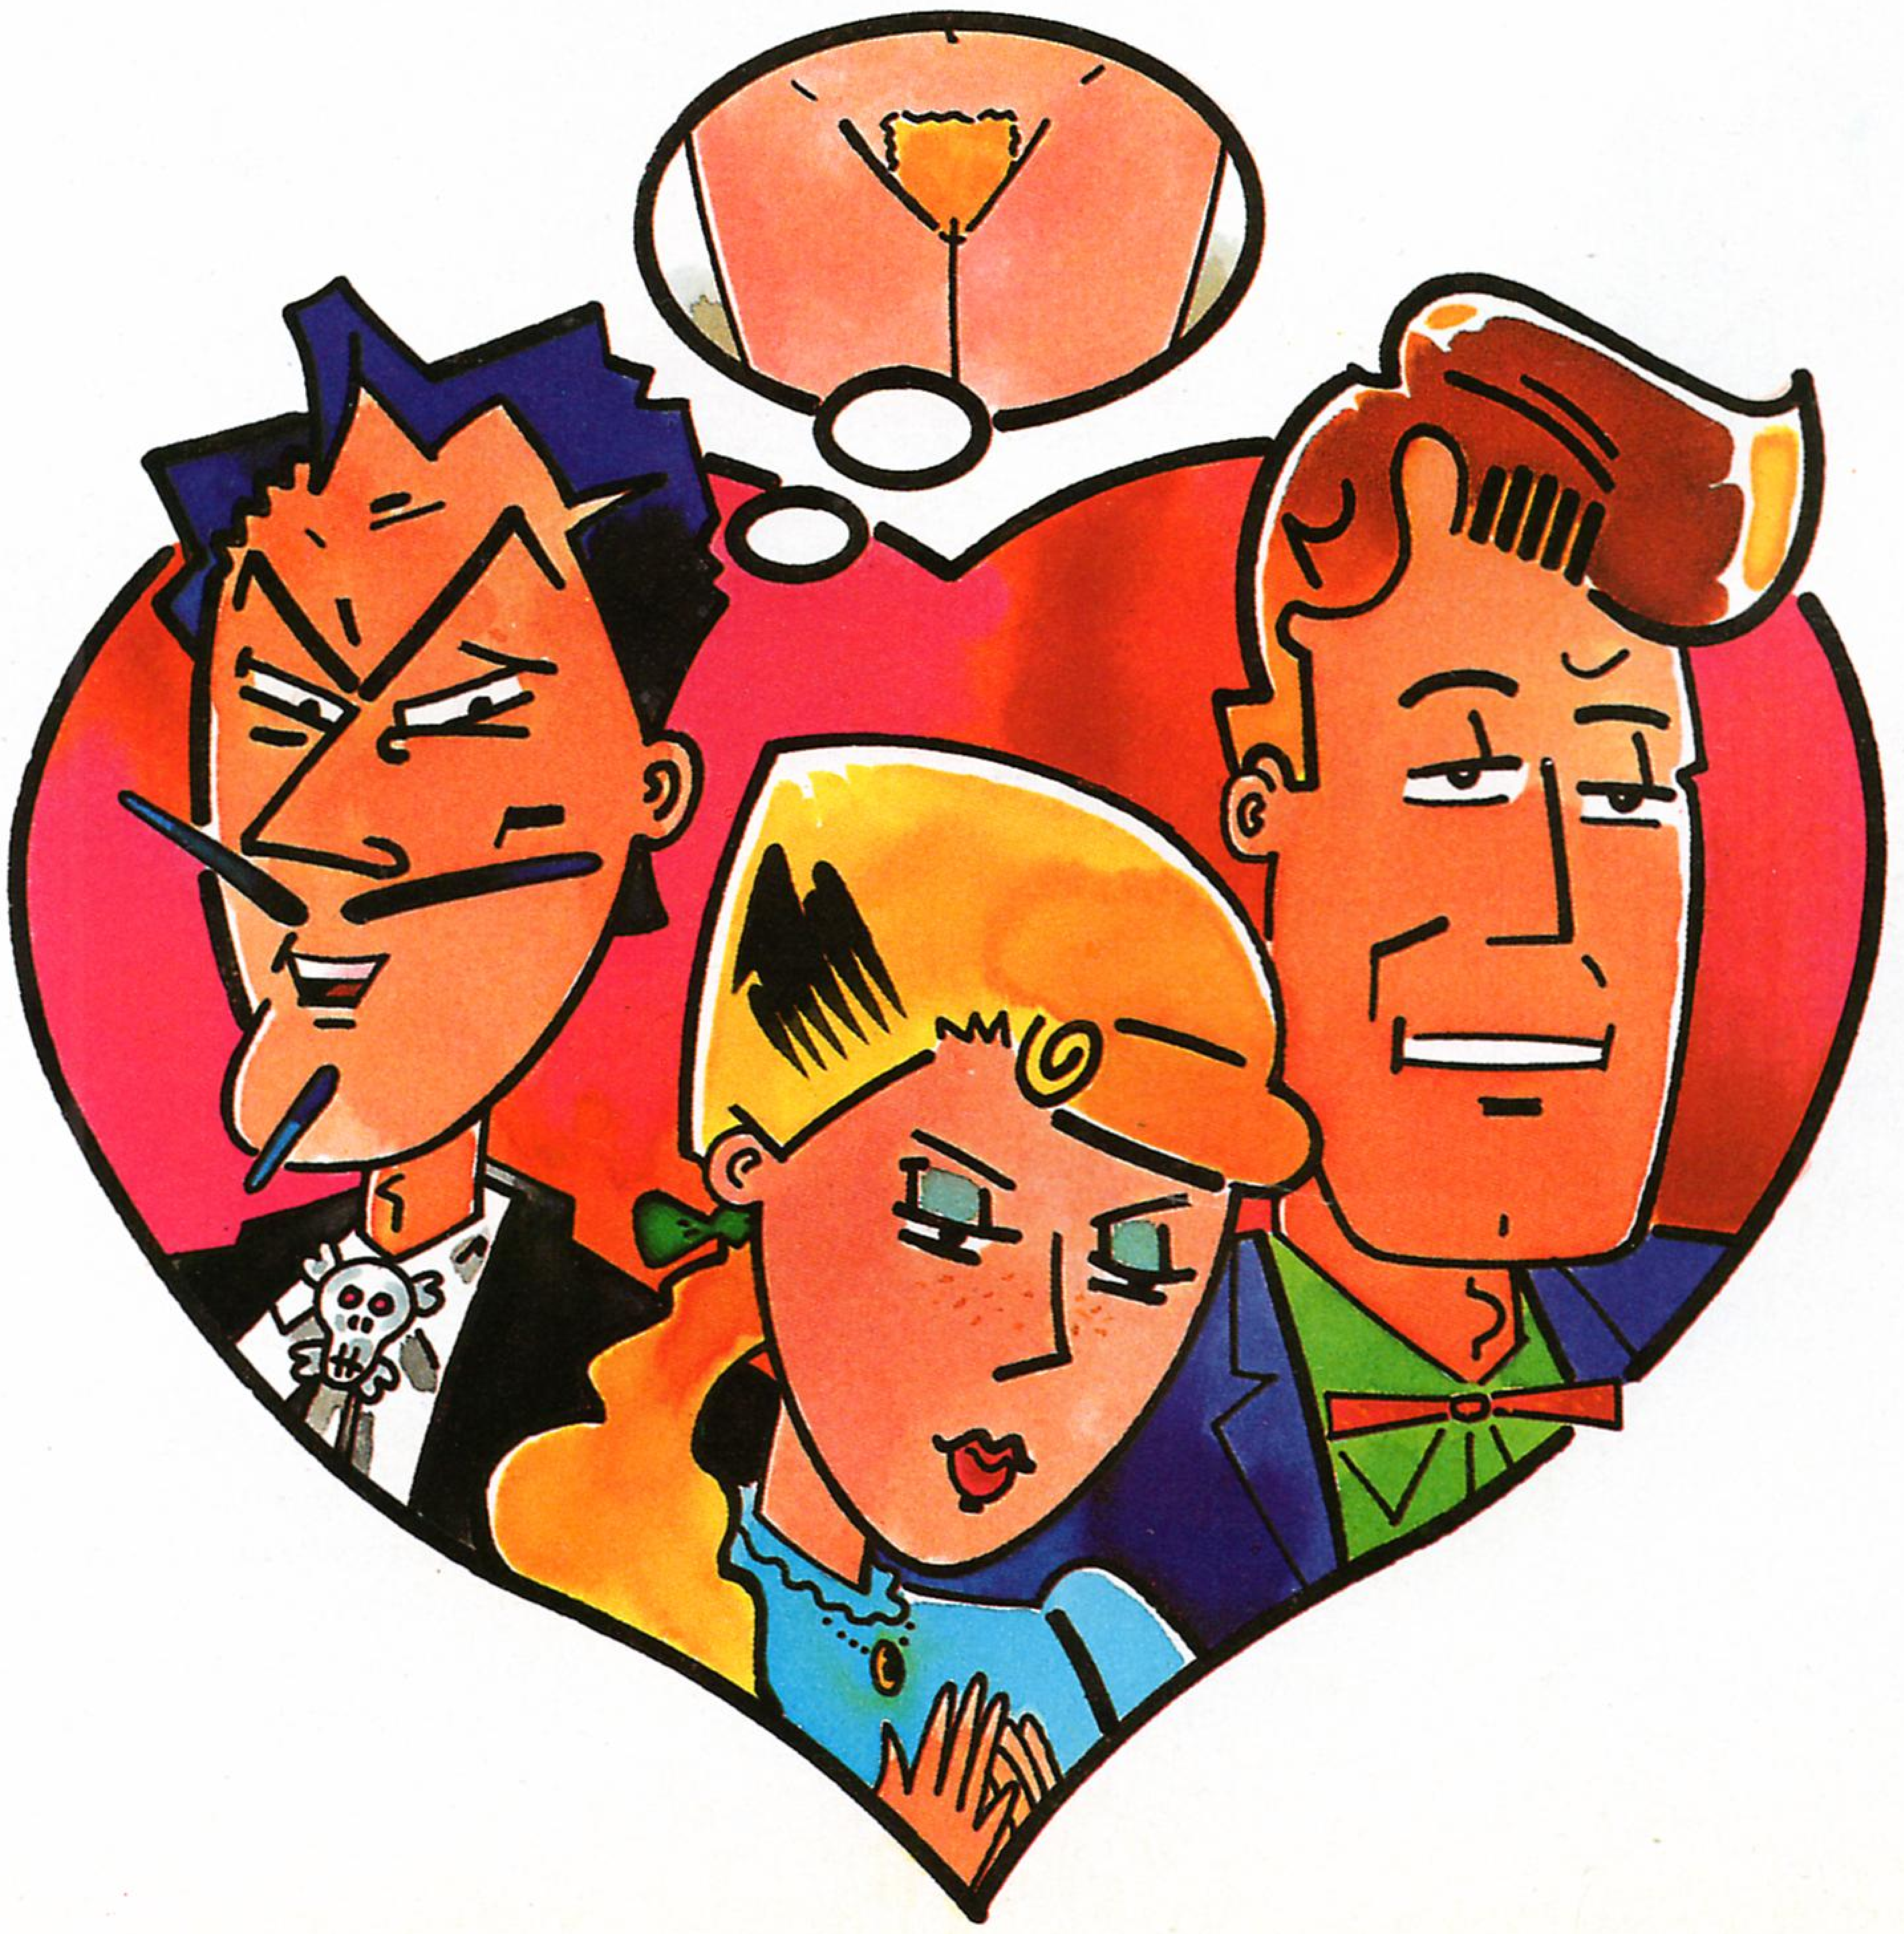
"Yes, though I must say it's a rather embarrassing one. Many years ago, I had a very passionate French admirer named Jean-Paul Pissoire. He invited me to have dinner with him, and afterwards, I'm afraid to say, he rather forgot himself and asked if he might kiss me in the 'place that I make wee-wee'."

"And what happened?"

"The seat fell on his head, his false teeth fell out and his toupee was flushed clean away!"

Janet Seyman Bares Her Secrets

Another expert on romance is the actress Janet Seyman. With her more modern approach to relationships (she's been married fifteen times), I thought she would be the perfect person to supply a less idealised view of Valentine's



Illustrations by David Noon

Day than Dame Deborah's. I started by asking her for advice on how to write a Valentine message to slot in the personal column of a newspaper.

"Don't put 'To Susan. How about a fuck? Peter'. This is absolutely useless. To get the correct style you must pretend you are a baby rabbit with brain damage and a toy train set. Once you are in this frame of mind it is all too easy to come up with something like: 'Oosie Woosie Susie. Iddle biddle wabbit wanna park Snorkie the Steam Engine in your burrow tonight. Peep-Peep Pete.'

Five Things Not To Do On Valentine's Day

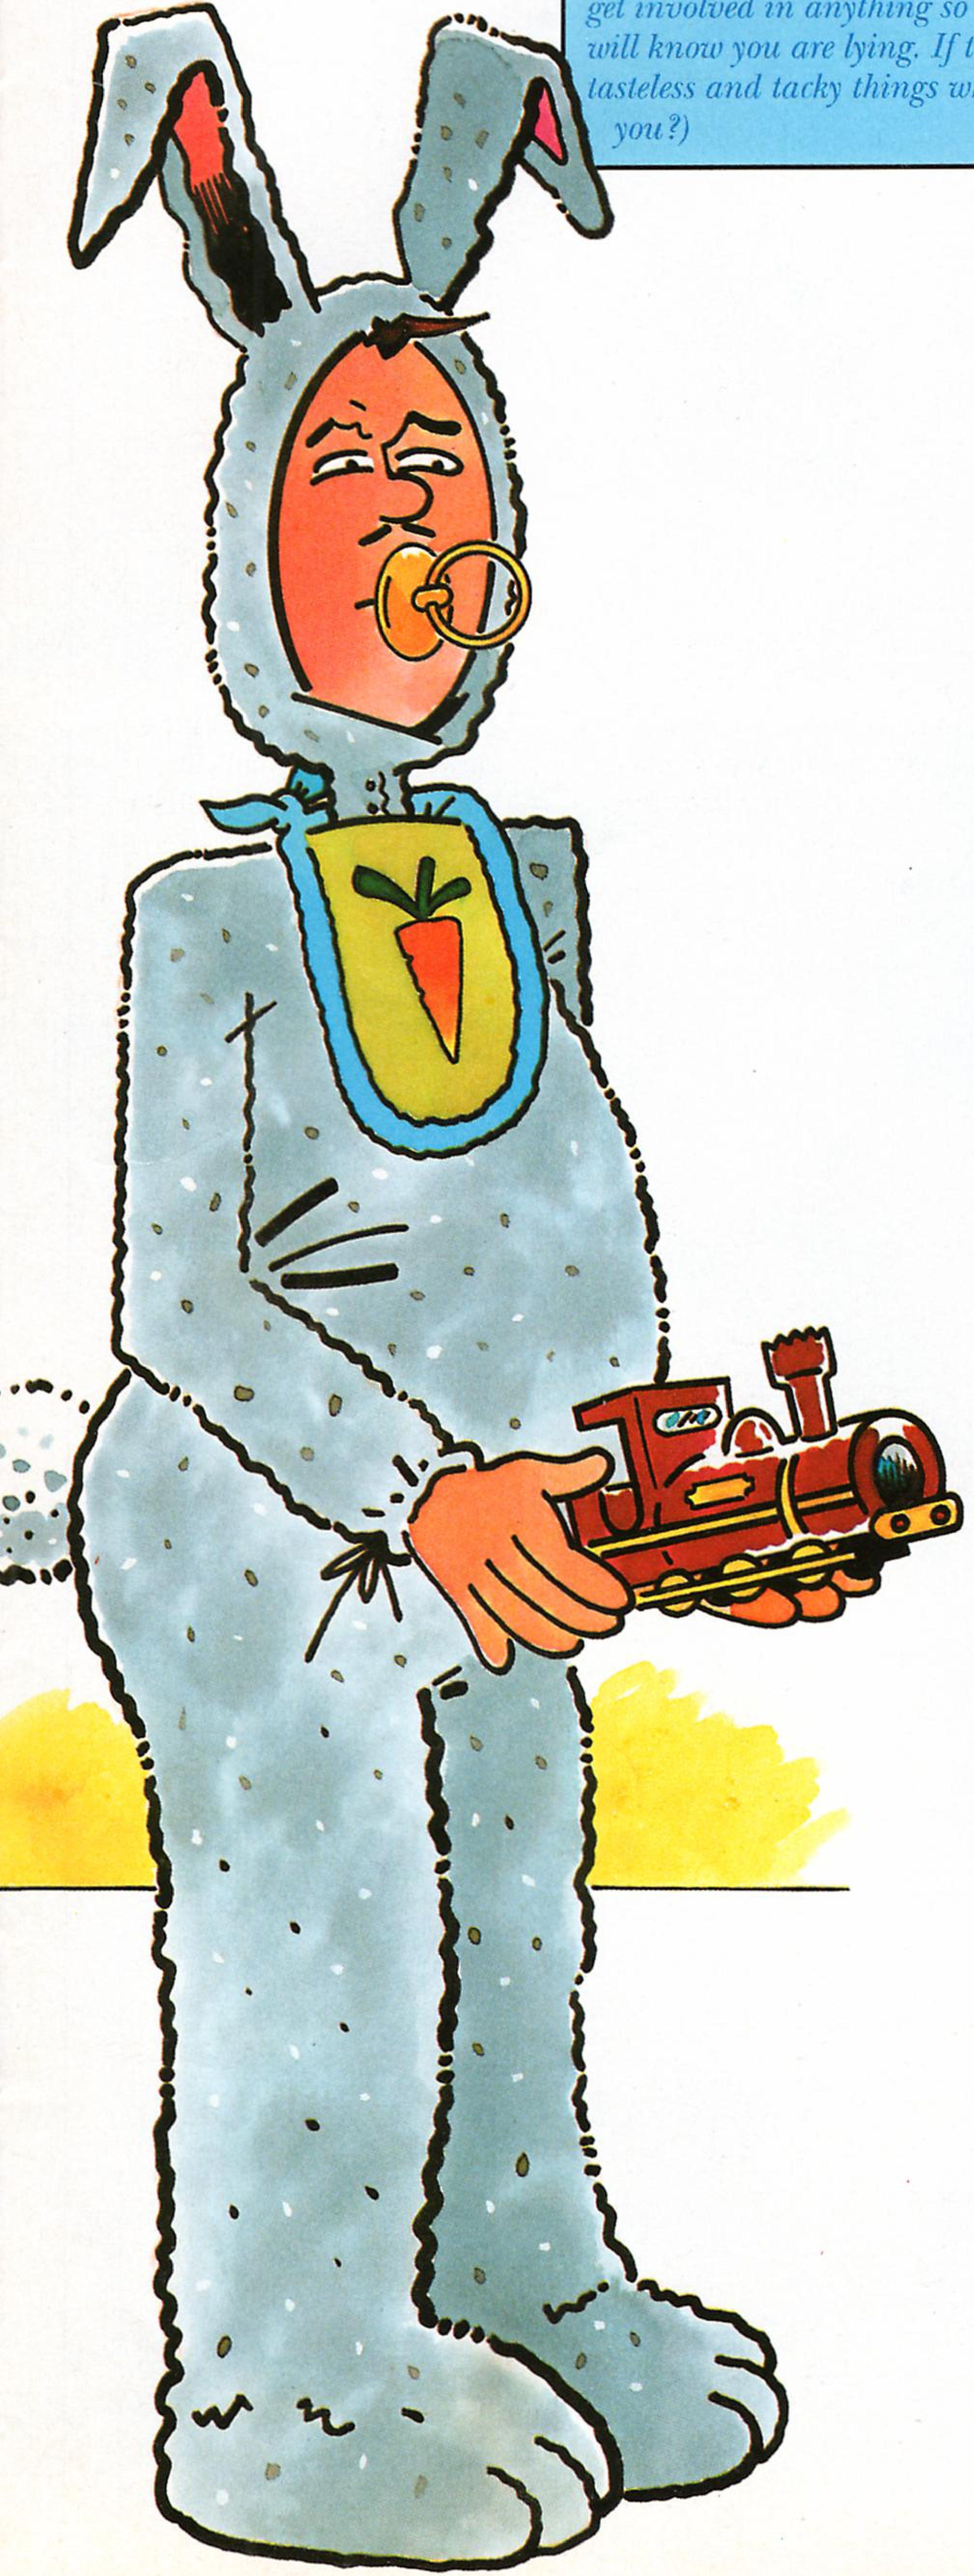
Tell your girlfriend you got the results back from the clinic and they're positive (Very unromantic)

Drink a bottle of Scotch, then sit with a pair of your ex-girlfriend's silk knickers on your head listening to 'our song' over and over again (Overkill by Motorhead gives you a headache after five plays)

Send lots of Valentine cards to yourself in the hope of making your girlfriend jealous (She'll get more than you)

Wonder if the Valentine card you got at work was from the new secretary with the mini-skirt and the legs that don't seem to meet at the top (It's always from the old tea lady - she feels sorry for you)

Tell everybody, "Of course I didn't get any cards. The kind of women I hang around with are far too sophisticated to get involved in anything so tasteless and tacky." (Everyone will know you are lying. If these women were so against tasteless and tacky things what would they be doing with you?)



...THE ACE OF SPADES
E AC
OF...

"A message like this is guaranteed to seduce any of those girls who talk like babies and begin every sentence with My boyfriend says... The trouble with these girls is that they will show the message to *everyone*. Soon all the world will know you are a bitsy bunny who calls his dick Snorkie the Steam Engine. Are you really that desperate?"

Four Things You'll Hear Some Prick Say On Valentine's Day

"The postman had a hernia bringing my mail today!"

"I probably won't be able to get through my front door this evening, what with all the cards that'll've arrived!"

"I hear the post office in my area have had to take on extra staff for today!"

"Hello mummy. Yes, I did get the card, thank you."

I asked Janet Seyman if she had any advice on what food should be served at the intimate dinner for two that constitutes most Valentine's Day seduction attempts.

"It's very important to get the menu right. A doner kebab and a bottle of Vimto are unlikely to produce anything more erotic than a slap in the face and a bad bout of flatulence.

Say It With Flowers

A red rose - because it is single, elegant and beautiful

A dozen white carnations - because they are vivacious, charming and pretty

A water lily - because it is damp, pink and fragrant

A bonsai tree - because it is stunted, twisted and old-looking

A venus flytrap - because it is always grabbing flies

A cactus - because it's had a lot of pricks

"Certain foods have aphrodisiac properties. Oysters are one such, but they must be very, very fresh. I had a dozen last Valentine's Day and two of them didn't work. It's always said that champagne makes you saucy, brandy makes you randy, lobster gets your legover and partridge swells your cartelage. These foods are, of course, rather expensive. Those with smaller packets, er, I mean pockets, can take comfort from these old sayings: 'licorice stick stiffens your wick' and 'One big suet pudden and you'll be bonking like a good' un', both of which I have just made up.

"Ambience is vital. Even the most erotic foods will fail to have the desired effects if they are served in a freezing bedsit that reeks of decomposing jockey shorts, last week's curries, downstairs' drains, and in which the rats are swinging from the light fittings whistling *You'll Never Walk Alone*.

"If you're living in such conditions and are thinking of inviting the girl of your dreams to dinner with the hope of shagging her bandy this Valentine's Day, then my advice is to move into a luxury penthouse apartment on an exclusive estate in London's Docklands on February the 13th. Of course some may think this rather extravagant, but a night of passion and romance really is worth so much more than mere money, isn't it?"

No.♣

camille

Photographs by Scott Evans

For those of you who've been regular readers for the last year or so, the return of Bristolian Camille will be a welcome surprise. So many of you just wanted to put your faces into that cleavage and go, "Lubba lubba lubba." And Camille's ready and waiting.

"I couldn't wait to get my togs off for you all again," she confessed. "I really enjoyed it the first time, and you wouldn't believe the number of people who recognised me from the cover. And I must say that it did get me the teeniest *bit excited when I kept seeing myself in every newsagent!*

"So this time I tried to get across some of that excitement in this session. I started off by cupping my generous

boobs in my hands, rolling the nipples round under my palms and making them tingle. Then I carried on down my stomach, just stroking myself sensually, feeling all the little ripples of arousal going through me. And when I got down to my pussy, I was wet and ready for my fingers, I can tell you.

"So if you think that these pictures make me look horny, then the simple answer is - I was!" ♣

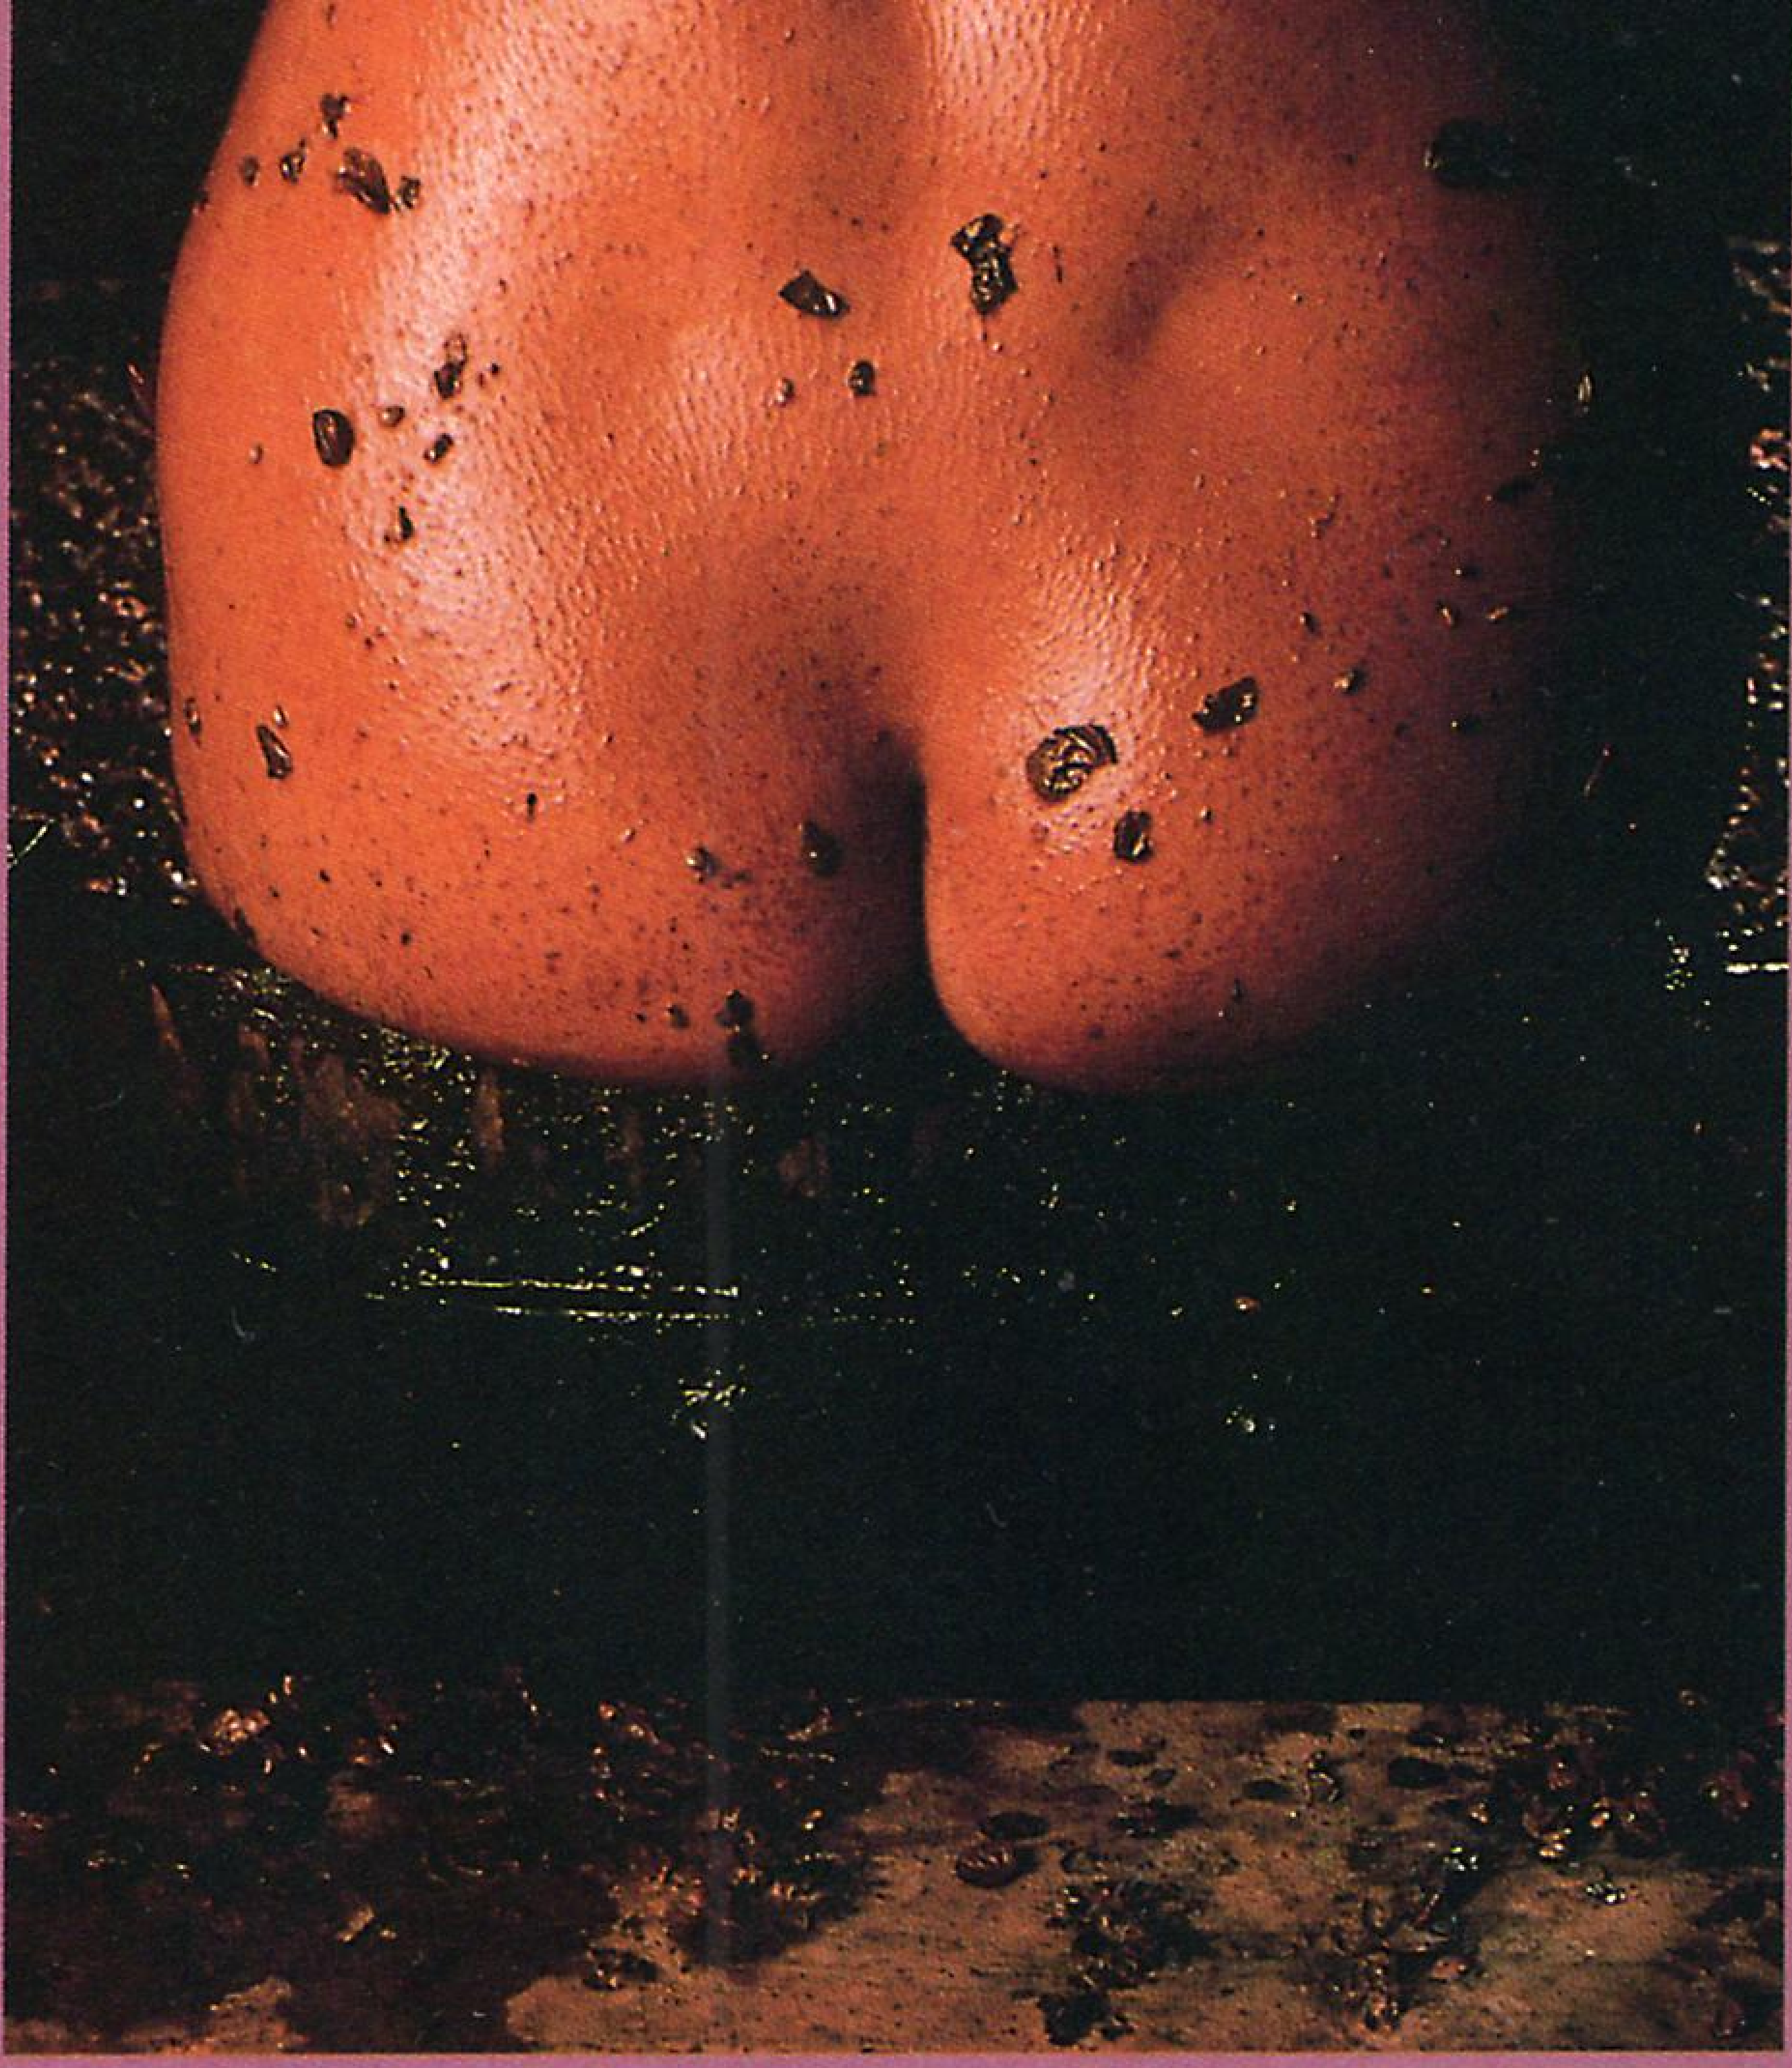
VAT69

When we knock back the hock, how many of us spare a thought for the young, innocent grapes who gave their lives that we could get plastered? Do you mope over your muscadet, or frown into your frascati? Like hell. But I do, because I'm sensitive about that sort of thing.

Well, I need cry no longer. These days, it seems, the French tread their grapes in the nude, squashing the lucky little devils with any part of their anatomy that comes to hand. Just imagine: they're burst by boobs, and mashed by minge. What a great way to go!

These particular pressing pics come from Jean Michelot's vineyard in Burgundy, where he and a few close friends strip off to give their wine that extra personal touch. It takes three hard days to extract all the juice, and at the end of each session everyone has to streak 200 yeards back to Jean's place for a good shower down.

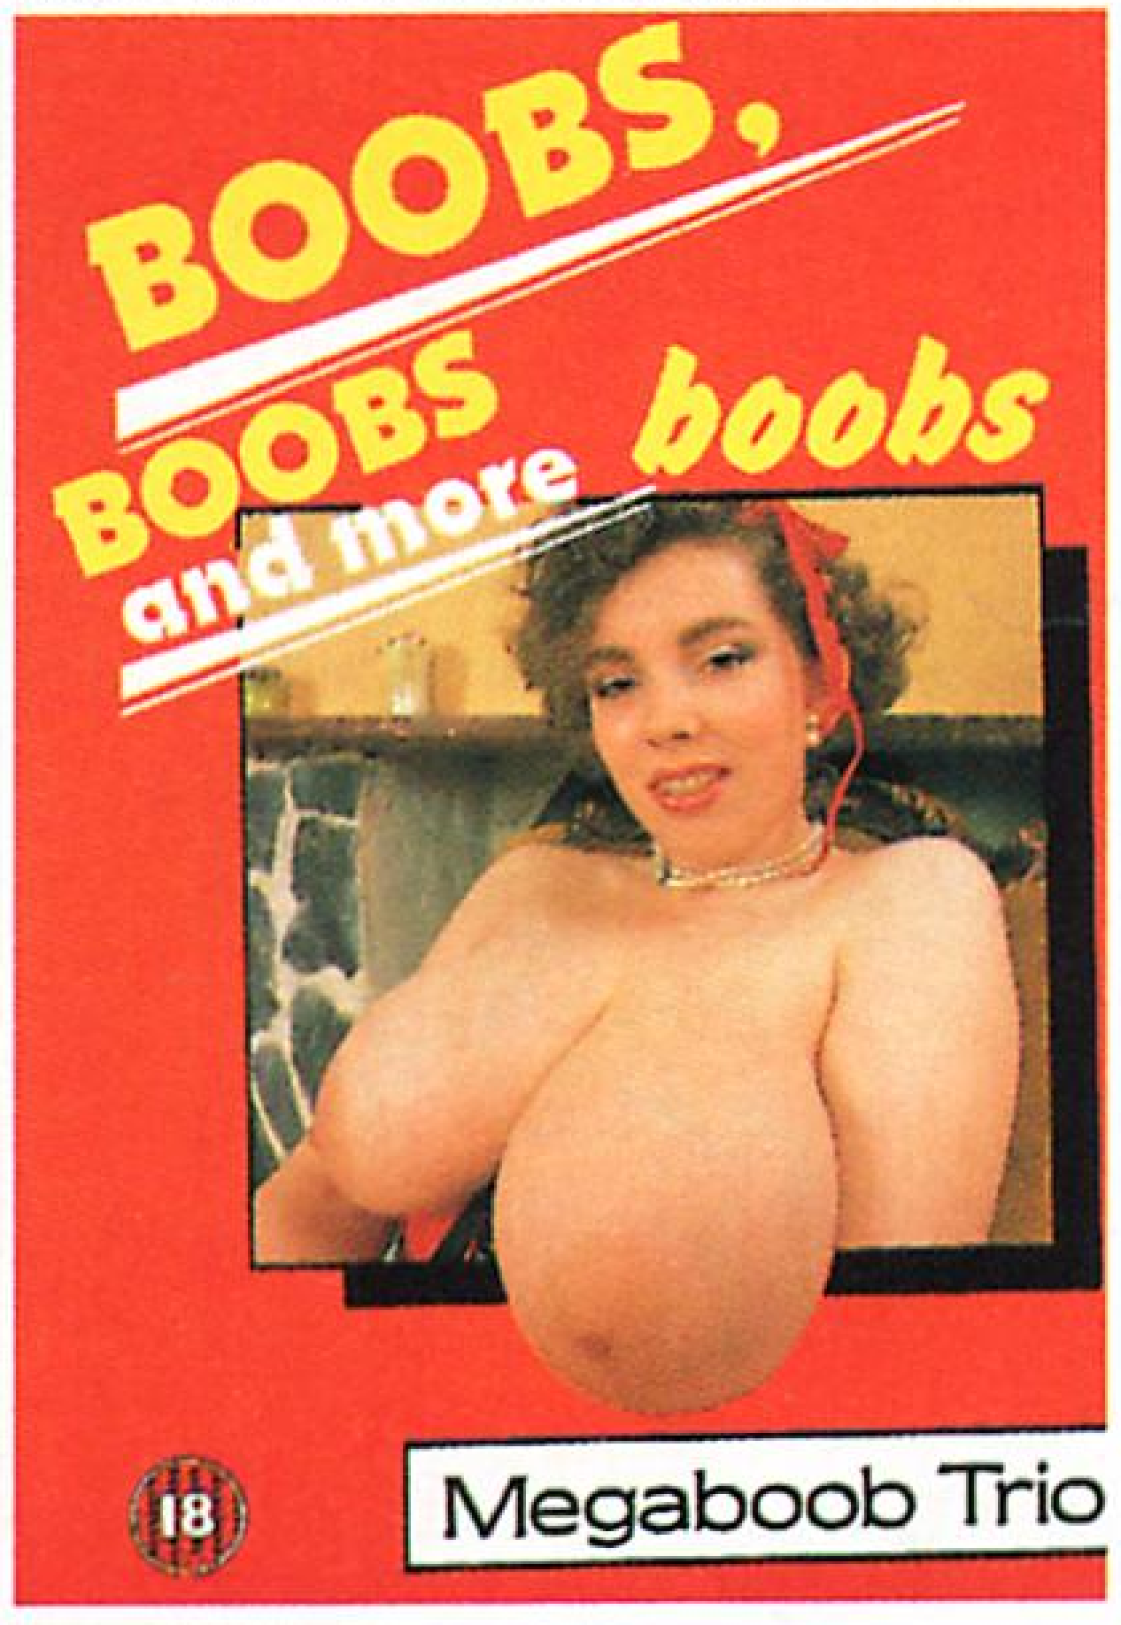
So next time you're sipping a cheeky little claret, and you think you sniff a familiar tang near the bottom of the bottle - don't say we didn't warn you!♣



TAPED!

Film filth aficionado ***Allan*** *'Big Boy'* ***Bryce*** *now claims that he's got a 37-incher. Surely he's telling us porkies...*

I suppose it had to happen eventually, but it still came as quite a shock to me when my trusty old 27-incher failed to perform the other day. It finally expired with a horrible whining sound not unlike the noise the Ed makes when I'm late with my column. The repair man I called out just shook his head as he gave it the experienced once-over.



"I bet this has seen more action than Cynthia Payne's window cleaner," he murmured knowingly.

He wasn't wrong either. In fact, it almost brought a tear to my eye as I thought back on all the red-hot skinflicks that had tickled its tubes over the years. That last tape in particular - the one with the bird with the 93 inch bust - had probably been just a little too much for the screen to handle, even though I played around with the horizontal hold to try and fit it all in.

Still, you've got to move with the times, and I thought it was about time I got a colour set anyway, so that very day I went out and purchased - wait for it - a 37-incher!

Now I know what you're thinking. In the video reviewing business, as in life, size isn't all that counts. But I feel that I owe it to my legions of devoted readers to have the biggest one possible, particularly as my eyesight is failing because of too much twanging the wire.

Anyway, the first title to get my jumbo size FST throbbing was a lively little number called **Big Blonde Bombshell**, or **Busty Blonde Bombshell** (depending on whether you believe the cover or the video itself). This was positively made for the big screen, featuring as it does, the antics of a girl who is even better stacked than Steve McQueen's card hand in *The Cincinatti Kid*.

I found the existentialist plot really easy to get into: this busty slapper comes on and gives us a twirl to some 70s disco music, gradually removing her stress-tested leotards to reveal that those aren't really medicine balls she's got stuffed up her jumper. She's not much of a dancer - in fact I've seen better turns on *Bob Says Opportunity Knockers*. But you've got to give her credit for acting ability. I counted at least ten different facial expressions in the opening fifteen minutes alone...

Malombra
18
"... erotic... perverse"
blue moves

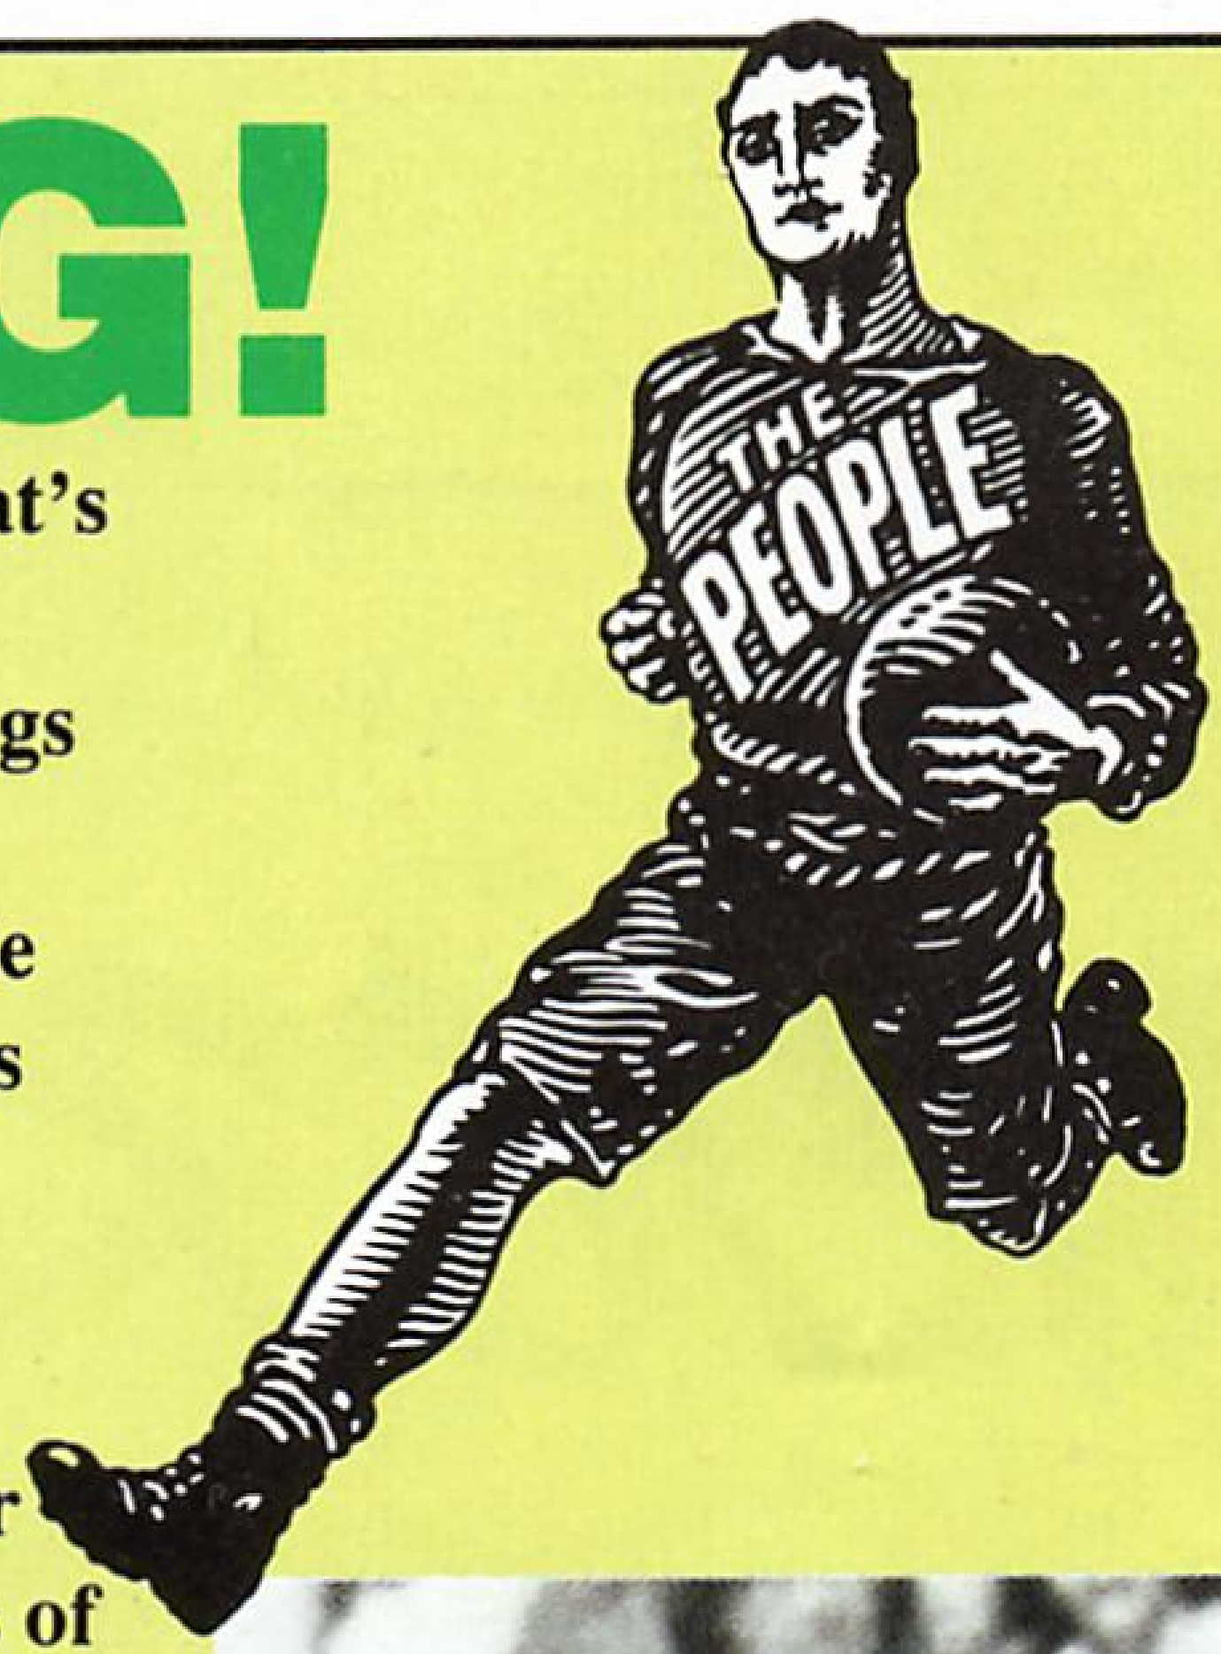
Soon all this terpsichorean activity leaves her out of breath, and she adjourns to the couch to explore the hills and valleys of her voluptuous body - not the sort of job one should tackle without a compass. Finally, it's into the bath for a brisk game of Find The Loofah, while the cameraman tries to keep the steam off his zoom lens, and it all fades out, leaving the viewer to ponder the deeper meanings. What were the film-makers trying to say? That life is nothing more than a blast of old Barry White music and a soap-on-a-rope? Come back Andy Warhol, all is forgiven.

Staying with the intellectual stuff brings us to **Boobs, Boobs And More Boobs**, which is the sort of movie Francois Truffaut might have made if he'd been born as a different person and spent his youth stealing outsize bras from washing lines. In fact, as with the above, it is very difficult to establish who did make this, because there are no credits to be found anywhere. And having seen the movie I can only applaud the mystery director's decision to remain anonymous.

It is, as the title might suggest, a film about mammaries the size of the national debt. There are six of them actually, belonging to a trio of not particularly prepossessing ladies that the cover affectionately describes as "The Megaboob Trio". The most well known of them is 'Auntie' Pat Wynn, a lady who's been round the track more times than Seb Coe. In fact, she's getting a bit old for this lark: her watermelons look like they could do with a squirt of Baby Bio, and whoever was responsible for her frizzy hairstyle should get ten years hard labour.

Anyway, the story is this: three big busted chicks prepare to throw a wild party, but they can't decide what to wear, so they then spend half an hour or so forcing their top-heavy figures in and out of a series of sexy outfits. This Dorothy Perkins tomfoolery eventually makes Pat so horny that she starts playing with her gobstoppers and moaning and groaning in mock ecstasy. The other two join in, and before you know it there are more tits flying about than there were in the final scenes of *The Birds*. I'll leave the rest up to your

PLUG!



Over the moon! That's the only way to describe the feelings of the Club Feet (our legendary five-a-side footie team) when those fabulous chaps at *When Saturday Comes* gave us a load of goodies. It took just one begging phone call to their offices to bring us buckets of *WSC* annuals, stickers, lighters, goalposts and cheerleaders pouring through our letterbox. What a generous bunch!

In case you didn't know, *WSC* is the only magazine (apart from Club) that covers the real football issues. Packed with useful info, handy hints, illuminating charts and thigh-slapping humour, the magazine is also a world authority on footballer's haircuts. Yes, from the daftest Chris Waddle "rasta with a skinhead" to the most manly Ralph Coates sideburn, *WSC* gets to the heart of the most vital sporting question of our day.

Remember - if *you* want some valuable free publicity for your product, just send us lots of goodies (preferably alcoholic) and we'll write a grovelling *Plug!* for it! The market value of the goods you send must be at least £25, and offers of discount on retail price will not be considered.

APOLOGY

It has been brought to the Editor's attention that in *The Bastard's Guide to the 1990s* appearing in last month's issue of Club, we made no reference whatsoever to Simon and Garfunkel recordings. Songs that we neglected to mention include *Bridge Over Troubled Water, The Sound of Silence* and *The Boxer*, all seminal pop songs that should never have been ignored in such a callous manner.

We were deluged with complaints but felt that Mr Lemonfresh of Knebworth summed up the dire situation very succinctly: "Have you all forgotten what Simon and Garfunkel mean to us? Are you suggesting that we will not hear their tunes in the coming decade? Have we no right to redress? We want answers now!"

We are very sorry for the distress we have caused. We will do all we can to reassure all our readers that Simon and Garfunkel's timeless classics will be here with us well into the next century. Sorry.♣

TAPED!

imagination. It's better that way, believe me.

A blast from the past now. **The Love Pill** is a golden oldie which marks one of the few ventures into respectability of a film-maker named John Lindsay, who used to own a company called Tabu Films that mainly dealt in hardcore pornography. Here, however, he has made something akin to a *Carry On*, spiced up with added boobs and bums.

The silly story is about a puny character called Arnold Crudely, who discovers a magical weed that makes him irresistible to women. One dose of this and an assortment of sexy birds start ripping off their tank tops and thrusting their threepenny bits in his face. After he has had his glasses knocked off a few times, Arnold discovers the weed also acts as a contraceptive. So he sets up in business to market the weed as a miracle drug - sort of a 'buy me and stop one' situation - and ends up making himself a fortune.

Of course it's all very dated now, but this movie does have a certain beguiling charm and innocence. Viewers will not be surprised that none of the girls ever get pregnant, because they all keep their undies on during the sex scenes - and the fellas cling tightly to their Carnaby Street bell-bottoms.

Moving right along, we come to **Malombra**, which tells of strange sexy goings-on in a weird old house. Well, stap me! When young Marco and his good looking male tutor arrive back at the old family pile they

Then there's the mysterious Miss Charlotte, who's never been with a man but has had plenty of practice on her own. And finally comes Lily, the not-so-little girl next door whose ambition is to take a bite out of Marco's cherry. The bedroom action comes thick and fast - and so will you if you get off on the sight of some very lovely girls posing in silken cami-knickers.

But best of all are the really sleazy trailers from such unreleased porkers as *The Smut Peddler* ("You want to know how scummy people move around in the dark, never-never world of sin and corruption?"), *Honey* ("She was cool and calm on the outside, but with a fire going down below."), and *Mr Mari's Girls* ("A man who exists for the baser pleasures of life..."). Susan

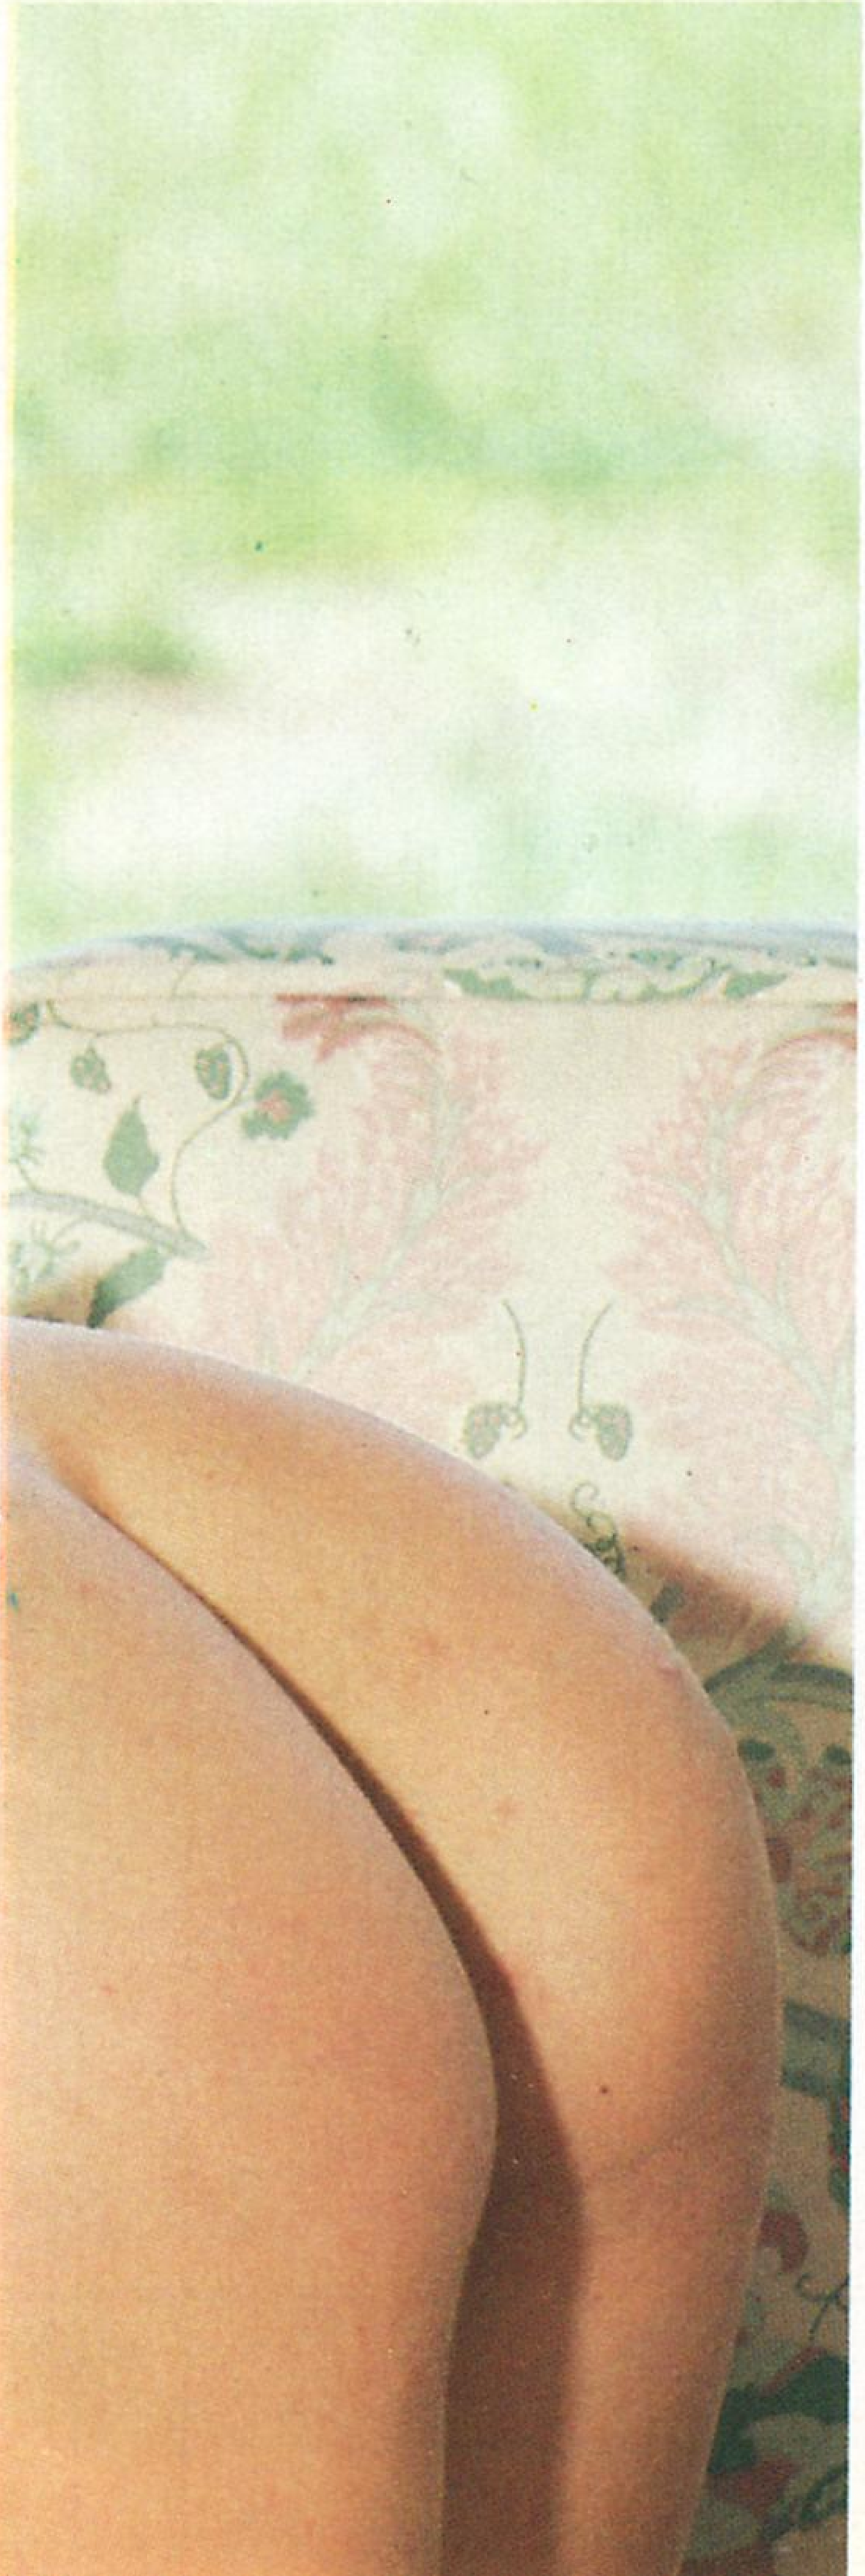
Photographs by Tim Scott

Here at Club, we like to think we know a stylish girl when we see one. Susan, a 19-year-old designer from Derbyshire, knows a bit about style too - but then she only has to look in the mirror to see it.

"It's very nice of you to say I look cool in these pictures," says Susan. "I suppose I spend a lot of time on my appearance, and I really take a pride in it. But it's especially flattering when someone says you look good with no clothes on, because when you're naked they're seeing you for what you really are.

"As far as I'm concerned, sex is just as trendy as it ever was. My favourite way to spend my time is to make love with different records playing: at the moment it's the Sugarcubes if I'm feeling lively, or Leonard Cohen *if I'm in a lazy mood. There's nothing to beat a long, slow, intense session, with my boyfriend on top of me and* Suzanne *coming out of the speakers. It could almost have been written for me, couldn't it?"*♣



IN ARREARS

You know why I'm a bum man, and not a tit man? Why I've devoted my entire life to the appreciation of rare rears? Because I'm two feet six tall. Tragic, you might say, for a guy with such big ideas to be cut so low. Unfortunate, you might add, for a guy with an eight inch dick to have seven inch legs!

But I wouldn't have it any other way (well, I would but no one's ever offered!). I'm the perfect size for bottom spotting. Even a trip to the shops is an exciting adventure. I never miss a thing. Not a tremble or a quiver, a wobble or a jiggle. Can you imagine how good this bottom looks from where I'm standing? Go on, do yourself a favour - cut your legs cut off. It's a must for bum fans! - *Billy Buttock*♣

GOBBLE!

Towering lardo and all-round media celeb ***Nathaniel Fatbastard*** *has a PUFTA award. We are not altogether surprised...*

You don't need me to tell you that the Awards Season is with us once again. Hardly a day goes by without some organisation getting its members out for a touching night of ego massage. One such is the Performers Union of Film and Television Arseholes, better known as PUFTA, and this year I was invited to their annual mutual masturbation bash at the *Poorchester Hotel* (1245, Arab Limousine Lane, London Wl).

As you know, I am a multi-media expert in *haute cuisine,* with regular short appearances on TV, and apparently my small parts had finally been noticed by one of the PUFTAs. I had been nominated as Best All-Round Presenter On Before Breakfast (Cowdenbeath Cable TV) for my series *Get Up With Fatbastard.* For those of you outside the three mile area the station covers, let me tell you that its mixture of recipes, diarrhoea cures and interviews with anyone prepared to come to the studio at 5am was much praised. To be precise, it was my show on apres-kebab farting, featuring Don Estelle's nephew's kitten, Fluff, that had been honoured by the Union, so it was time to don the old dinner jacket, and practise the sincere smile.

The PUFTA Awards are divided into two sections. The first, for technicians and backroom boys, is held in the car park with a caravan providing bacon butties and mugs of tea. Then at 9pm, the performers, producers and directors gather in the Chandelier Suite for a 25 course dinner, the presentation and a long speech by somebody you've never heard of. It's held in aid of the Variety Cunts of Great Britain, and so all the old favourites were there. Parky, Brucie and Tarby were guffawing over golf stories whilst fat feminist comediennes

wearing revealing dresses and too much make-up pretended they were hating the whole thing.

I started the evening by getting stuck into half a dozen swift champagne cocktails (a Duvet and Hardon '63, unless my palate was playing up), then I bagged a bottle of '79 German Reisling for myself to accompany the smoked salmon starter. Its light, delicate, fruity yet unpretentious taste is the ideal complement to fish, and you can get a good litre and a half down you before your tongue feels like it's been cleaning out the camel's quarters at London Zoo.

Then came the main course. There was a choice of four roasts but I convinced the serving staff that it would be unfair for a respected expert like myself to be seen rejecting any of them, so I had the lot. The rack of lamb was a culinary coathanger of tender meat, the beef rare and juicy, the chicken light and the duck greasy old shit as it always is. They were accompanied by creamed potatoes, baby carrots, some big bugger Brussels and *mange tout* (aborted pea foetus to you or me). For veg, they were all right, though I do detest this Wop craze for *al dente* crispness. If you don't boil the bastards for a good half hour they don't soak up the gravy properly.

To accompany the meal, I'd opted for an '81 Burgundy, a wine with more body than a bottle of Maria Whittaker's tits. I just finished the litre in time for dessert - a fucking huge ten-tier gateau named after somewhere we bombed in the war - washed down with a sickly Madeira. Then it was brandy and Havana time whilst that overweight Irishman from the BBC started announcing the winners.

First up was Shite Entertainment Personality of the Year, which was won by a mystical midget whose greatest trick had been making his hair disappear between series. Then came Best Film Ever. By tradition, this goes to the only one made in Britain on a shoestring, and this year was no exception. *Local Anaesthetic* was filmed in a wet Scottish glen on a budget smaller than the Ed's dick after a cold bath, by some bearded weirdo who went on about the growth of this particular 'genre'. Unfortunately, since the film has no tits, explosions or special effects in it, his masterpiece is doomed to be shown forever between the King Cone and local travel agent ad whilst everyone's buying a burger or having a slash.

Then came the Best Actor and Actress Awards which, of course, went to Sir Elliot Denholm and Dame Wobbly Legcroft for their tour de force in BBC 2's *Hedge of Darkness*, whilst Joanna Lovely won Most Promising Cleavage. Then at last, it was time for the 'small stations' category, and after a tirade by a fat Irishman about satellite TV sounding the death knell of quality television and his bank balance, the nominations were read out by a baggy-eyed zombie from TV-am with all the charisma of cold sick.

I waited excitedly whilst they showed the clip of me explaining how to cope with a case of the Bombay brownies, then..."And the winner is...Nathaniel Fatbastard for *Get Up With Fatbastard!*" Overjoyed, I squeezed past a sequinned mountain I later recognised as Dawn Trench, then collected my PUFTA Percy from the Pavement Pizza Personality of the Year. My speech was modest and concise. "Thank you," I smiled sincerely. "I'd just like to - bleeeooorrr aaggghhh!'

Unfortunately, at that point, the duck I'd had earlier flew north for the winter and the audience were treated to edited highlights of my meal. Even so, everyone agreed Sir Richard Tattenborough's speech was marginally more gushing than mine.♣

would write and let you and all the rest of your readers share in a great sexual experience we had a few months ago. It was during that long hot spell that Wendy's old pal Karen came over to stay with us for a week. Both Wendy and I took the week off work so we could show Karen a good time.

The girls were both sun worshippers and got up early so as to catch the first rays. On the second morning that Karen was there I went down to the kitchen to get some breakfast, and as I passed the dining room door I could hear plenty of giggling coming from the patio. Slipping quietly into the dining room so as not to disturb the girls I was greeted by a fantastic sight.

Wendy and Karen were lying side by side on a big double blow-up bed, and both of them were completely starkers. Wendy was licking and sucking on Karen's big tits, making her nipples stand erect, while Karen's hand was working away on my wife's pussy, spreading her swollen pussy lips, working her way up into her cunt. My cock was twitching like mad watching this and I couldn't help wanking as I enjoyed the show.

I watched even closer as Wendy pulled Karen on top of her and they tongue kissed each other, their hard nipples rubbing together with their pussies grinding against one another. Then Wendy slipped two fingers up Karen's cunt with a sudden movement. Karen let out a deep moan, bucking her hips as an orgasm swept through her body. I could feel the spunk rising up my shaft and as I aimed towards the glass topped dining room table jets of come squirted from me, landing on the glass.

I must have made a noise because the two girls sat up and started to clap. I tried to cover myself up but they were having none of that. Wendy teased me about being a Peeping Tom as Karen got on her knees in front of me, running her moist tongue over my rapidly hardening dick, stroking my balls with her fingers. She opened her mouth wide, taking my dick into that warm, wet orifice. Meanwhile Wendy was chewing on my nipples, urging Karen on to suck me dry.

I knew I couldn't hold back a second load much longer, and as I watched Wendy moved over to the table top and started to swirl her tongue through my come. What a horny sight as she licked it all up, making herself climax as she rubbed frantically on her clitty. I was still busy fucking Karen's mouth - what a cocksucker she was! I could feel myself about to shoot again so I pulled my dick out and placed Karen on her hands and knees, telling her to stick her big arse high in the air. Wendy, not wanting to be left out, started sucking Karen's tits, tugging on her firm nipples as I rubbed my dick over her arse cheeks.

I rubbed my hard shaft up and down that wet slit, making Karen beg me to shaft her cunt. So with one thrust I rammed my dick up her, making her squeal with delight and come out with all sorts of obscenities, making my dick even harder. "Screw me, let me feel those hard balls against my arse," she moaned.

Next the girls then moved into the 69 position. Soon Wendy was sucking like mad on Karen's clitty as Karen looked round at me, her face awash with Wendy's pussy cream as she yelled, "Fuck me, Pete, I want your hot seed up my hole." I thrust my tool inside her and let out a roar as I felt the first jet of spunk shoot up Karen's twat, followed by several more. Wendy then pulled my dick out of Karen's cunt, letting me shoot the remainder of my load over Karen's arse. It trickled down Karen's cheeks into Wendy's

SON OF BAD JOKE

What do a cobra and a two-inch cock have in common?

No one wants to fuck with either of them!

A guy finds a lamp lying on the beach, and, being the ever-hopeful type, he rubs it. Sure enough, after a few minutes a genie appears and offers to grant him his greatest wish. Without a second's hesitation the guy says, "I want a dick that can touch the ground."

The genie cuts his legs off.

What's the ultimate rejection?

When you're wanking and your hand falls asleep.

What's a modern woman's idea of the perfect man?

One who's two-and-a-half feet tall, has a ten-inch tongue and can breathe through his ears.

A guy goes to confession and tells the priest, "Father, I've had an affair with another woman."

"I see," says the priest, looking grave. "But I cannot grant you absolution until you tell me who she is."

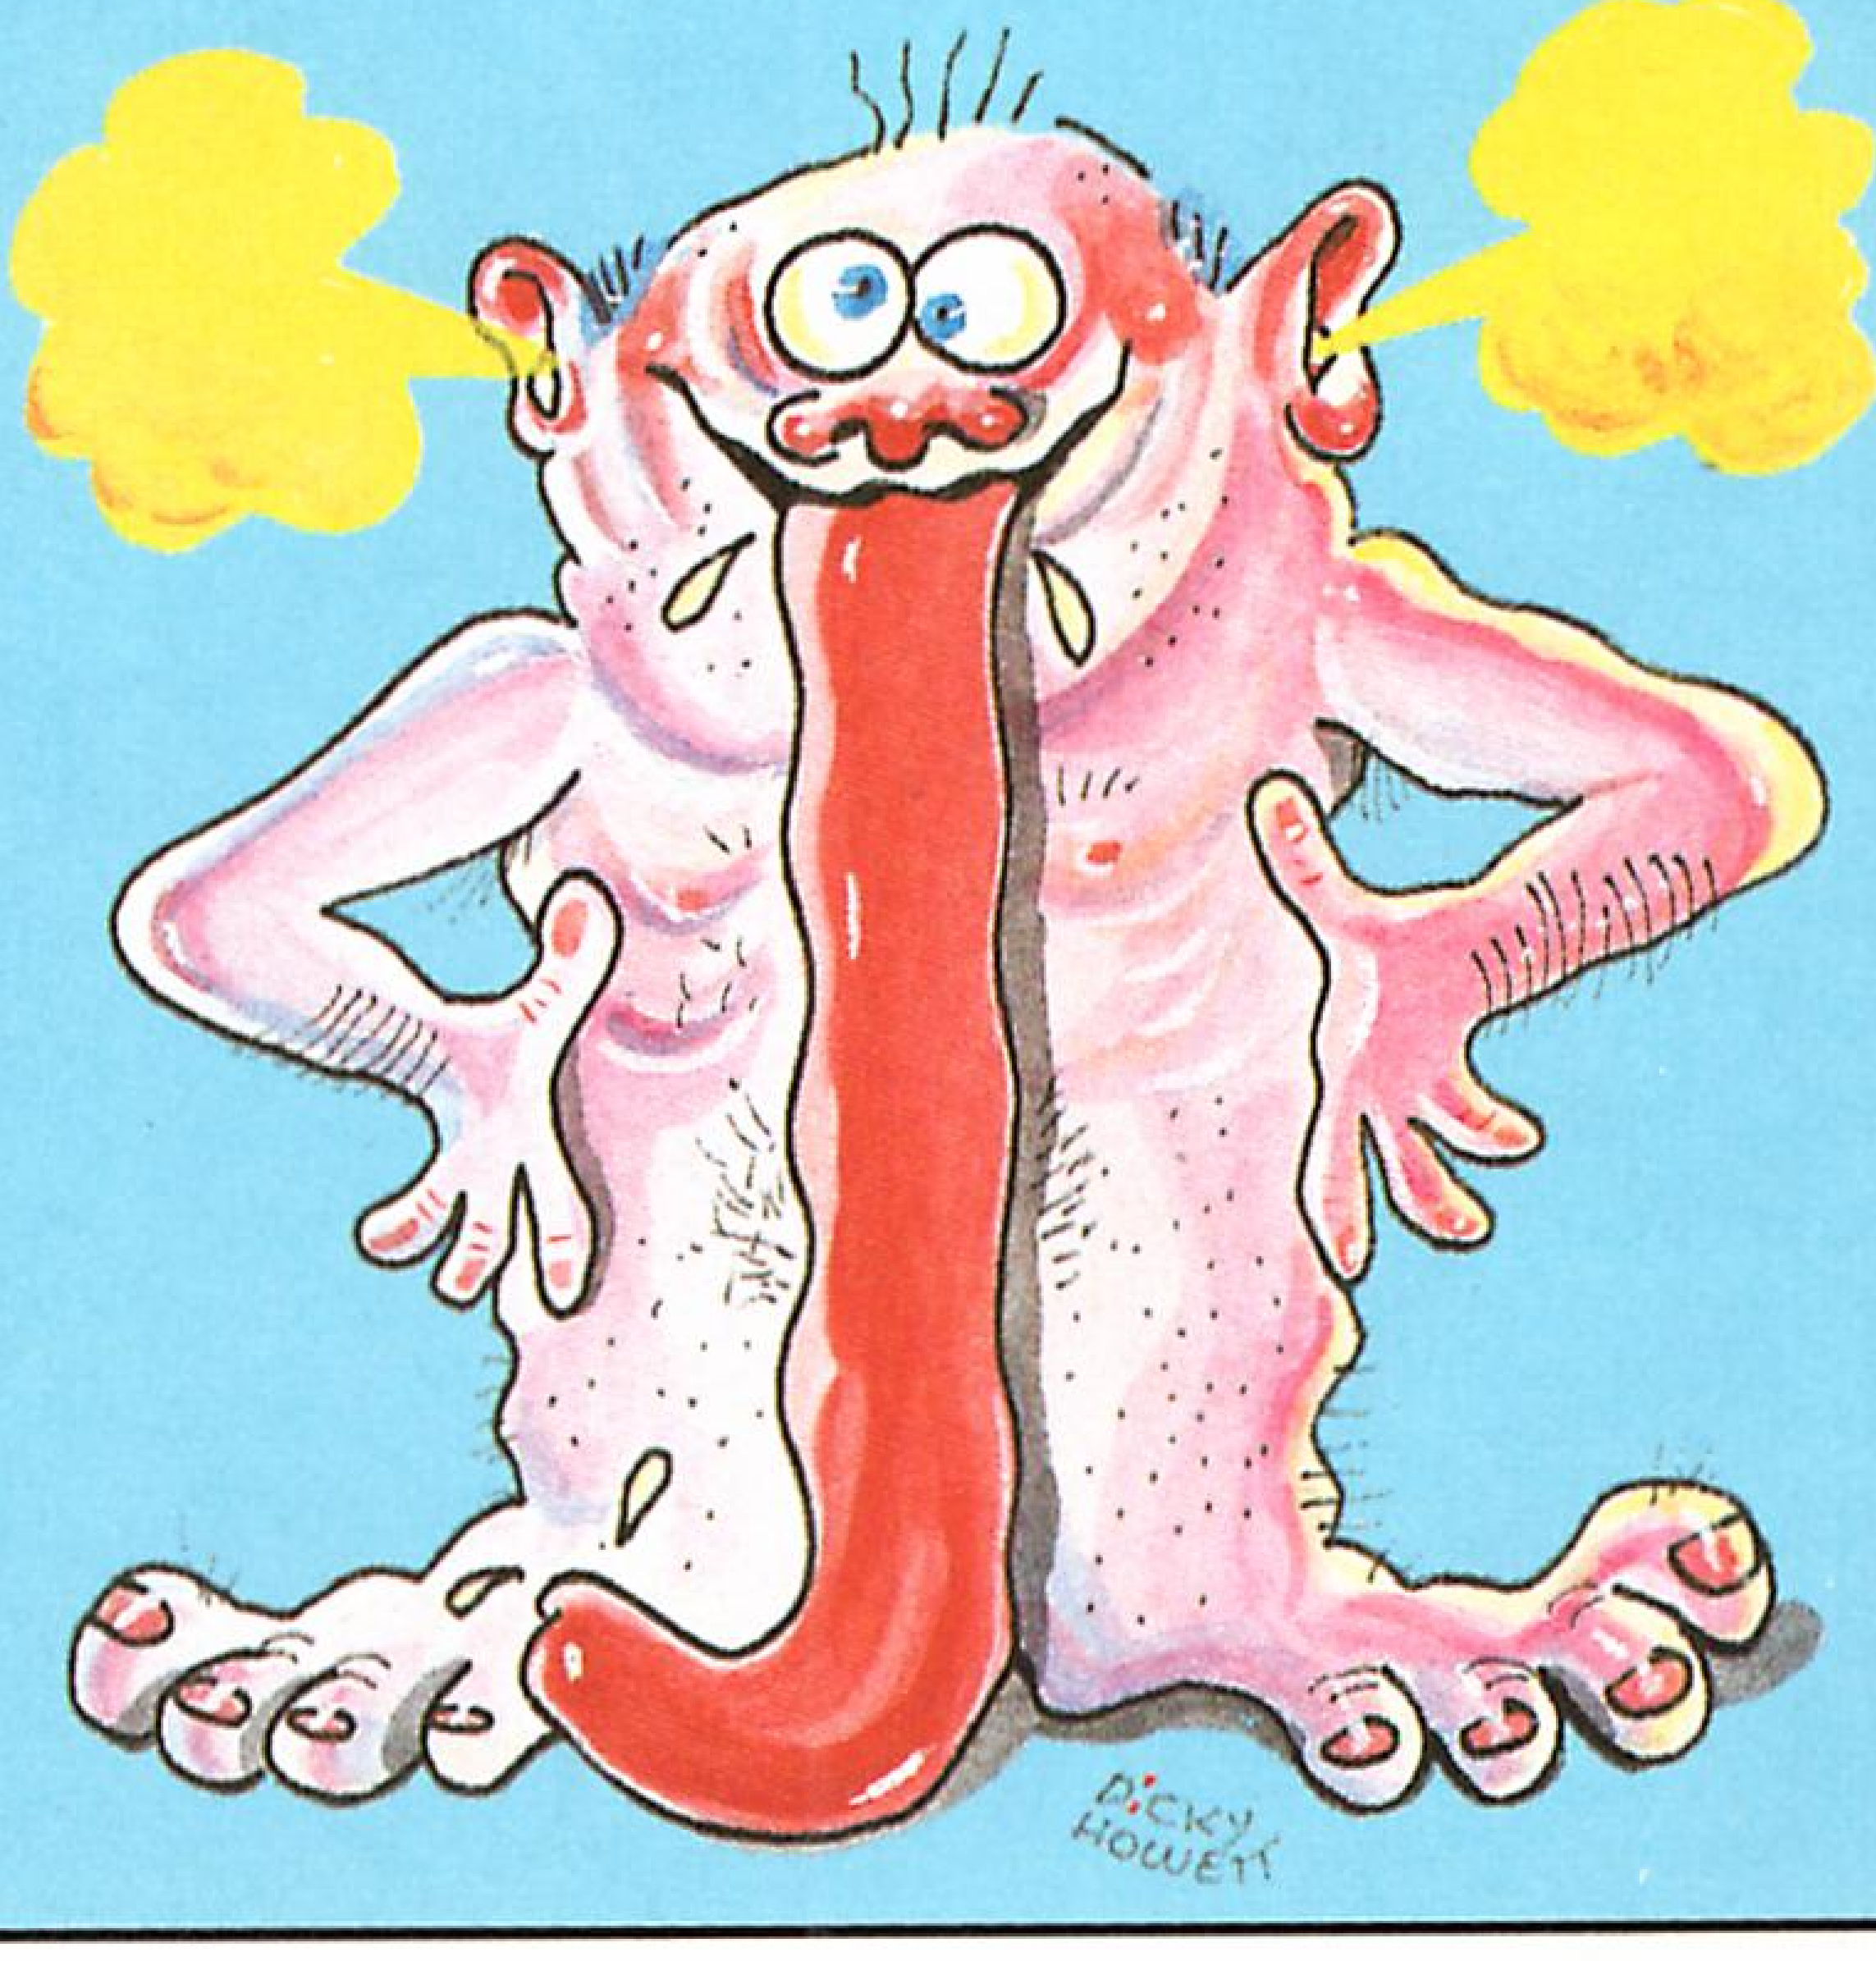
"Well, okay, Father," says the guy somewhat reluctantly. "Her name is Pussy Green, and she's a blonde and a knockout."

The following Sunday this gorgeous blonde makes her way down the aisle and into the front pew. The priest asks the altar boy, "Son, is that Pussy Green?"

The altar boy stoops down and lifts up her skirt, then says, "No Father, I think that's just the reflection from the stained glass windows!"

Why shouldn't a woman suck a 12-inch cock?

She could get foot in mouth disease.♣



open mouth. The girls were both moaning and shaking as great orgasms swept through their horny sweaty bodies.

Still moaning, Karen rolled on to her back, letting her legs fall wide apart. Wendy and I moved so that we could both suck on Karen's pussy; all that mixture of Karen's juices and my hot spunk tasted lovely as we drank them down, licking her twat clean and dry. We decided to go and lie down after that so we went up to our double bed and all piled in together, cuddling up and gently stroking each other.

Wendy whispered in my ear that her pussy needed a good shafting badly so I told her as soon as my dick was hard she would get exactly that. She and Karen moved down the bed and shared my cock as they licked and stroked at it, making it come to life rather more quickly than I'd thought

As usual, it took the tabloids a mere year to catch us up, and now we all know that Michael 'Batman' Keaton has been getting a whole lot of what we all want from perky Penny, who's also known as Rachel Ryan in her films these days. my, my, Maria!

Top Page Three girl Maria Whittaker's new regular column – only in Club!

I'm back! Yes, I know I didn't appear for a couple of months, but I was so busy with organising a big family Christmas, and then making sure that I blitzed all the January sales, that I didn't have time to do any photos! But I'm really glad to be back in the swing of things now, and to be doing my letters column too, which is great fun. Just keep all that mail coming in and I'll do my best to answer it in Club.

But thinking of the sales reminds me that that's where I got all these sexy little silk undies. So many of you had written in and asked to see what I wore in bed that I just had to let you in on the secret! I think I look pretty sexy too, don't you? Normally when I'm in bed I like to wear that little teddy, which clings to my body and emphasizes all my good points, but if I'm in the mood for having a lazy day I love to lounge around in my dressing gown. I feel like an old film star from the 40s in it, like Marilyn Monroe - though my friends say I really look a lot more like

Sophia Loren.

You all seemed very interested in my bedroom routine - I wonder why?! - and I've tried to show it to you here. I usually sleep in the nude, but I take my time about getting undressed. I slip off my nightie, then do my make up and hair and generally pamper myself. Then I'll step out of my teddy, stand in front of the mirror and check that I'm still looking as good as I should for all my fans. Like a lot of girls I'm very self-critical sometimes - but if I'm being too hard on myself I can always read some of the lovely compliments you pay me in your letters to cheer myself up!

I was so warm and comfortable when I was doing these photographs that I almost fell asleep there and then - but the thought of all you guys out there kept me awake! I know you've all been dreaming about seeing my bedroom and what I wear when I'm in bed, so don't say I never do what you ask. And as for what I'm up to next month - you'll just have to get the magazine and find out!

MARIA'S LETTERS

Dear Maria,

As a regular reader and watcher of your photo sets, I must say your first set for Club was fantastic.

As I am writing I am looking at your pics, the ones that you did in Vol 18 No 11. I love the tennis outfit you chose, especially the lacy white bra and sexy white ankle socks.

I can't wait to see what you are wearing next month, although I suppose I will have to. How about seeing you in a nice lacy bra and silky French knickers, with a nice pair of high heeled sandals or mules? Although other girls in Club have already modelled French knickers, I am sure you could bring a whole new quality to them, Maria. What do you say? - *John, Huddersfield*

Personally I love sexy undies, which is why I'm wearing that lovely teddy in this month's photos. I'll be sure to wear some knickers soon, but in the meantime I hope these shots make your day!

Dear Maria,

I wanted to write a really cool letter, saying how wonderful you are. Every time I look at your pictures, however, I always end up the same way, dreaming about your beautiful figure.

My idea for your pictures would be to have you working out in the gym. You would start off wearing a really shiny, revealing leotard. I think women look great wearing work-out clothes, but I don't think I've ever seen you in them. So how about it?

One last thing: I know this is cheeky, but can I compliment you on your bottom? Everyone knows how lovely your breasts are, but I think they've missed your greatest asset! - *Alex, Surrey*

I really enjoy going to the gym and having a good workout, Alex, so I'll have to take the photographer along with me one day so you can all watch me going through my paces. But I'll not let him into the shower afterwards!

Dear Maria,

Game, set and match to you!

What an opening of your new regular column in Club. You're a smash hit from the first appearance! Taking over for Andrea as the Club girl is not easy, but if you keep up the pace you started with, I am certain you'll make it easily.

Looking at you in that tennis outfit, with the matching underwear that gives full credit to your lovely figure and beautiful face, makes me wish you were my girl-next-door! And it makes me sad that we do not have Page 3 girls in the newspapers in Norway. However, now that you are going to appear regularly in Club, there is hope for us Norwegian men too - at least we can meet you at the Club every month!

Rune, Norway

Do you know, I've never had any fan mail from Norway before, so I was really chuffed to get this. I didn't know there were no Page 3 girls there, though - I'd have thought you needed them to warm you up in the Arctic Circle!

Dear Maria,

First of all, let me say welcome to Club - a sentiment echoed by thousands of others, no doubt. I've long been a great admirer of yours, and have always been a brunette man myself (obviously I'm no gentleman!), and how nice it is to have a lady like you bringing some class to the pages of Club. The locker-room shots you did gave us just that; very sexy, tasteful, very Maria! You're right, those little white frillies are gorgeous, but fancy you not owning a pair!

In fact, that brings me to an idea for a few shots I'd like to see you do - perhaps it could be titled 'Maria's top drawer' or something similar. Pardon me for being so personal but I'd love to see you wearing the sort of undies you have in your drawers, and I'm sure you wouldn't mind giving us all a peep at your prettiest lingerie, would you? - *Brian, Sussex*

I hope you like this month's photo set then, Brian, because this kind of lovely, expensive silky lingerie is what I love best of all - and my top drawer is full of it. The Ed chose it especially for me, and even let me keep it afterwards!

possible. I fondled both their bums, rubbing their twats, licking my fingers and tasting their juices. Then Wendy sat astride me as Karen held my dick, aiming it into my wife's juicy pussy.

Wendy sank right down to my balls, throwing her head back and making her breasts pout out. Karen fondled them, licking them and chewing on the nipples. I grabbed Karen's hips, getting her to sit on my face. I spread her lips with my fingers and darted my tongue up into her love hole. Karen squirmed about on my face as I bucked my hips to meet Wendy's thrusts on my dick. Wendy was going mad, bucking on me as I gripped her hips, driving my cock deep into her pussy. On my face Karen was coming and I tried to drink down all those sweet tasting love juices - she was a very juicy girl.

Karen spent the rest of her nights in our bed and I can promise you that there is nothing quite like waking up with two beautiful, horny women on either side of you. We are going over to Karen's soon, where she has promised us a good time and to meet her boyfriend, who by the way is also a Club reader. It's not all doom and gloom over here, we can assure you - not with Club about! - *Pete & Wendy, N. Ireland*

Cock Gobblin'

My wife Gwen is a very avid and talented cocksucker. One of my greatest pleasures in life is to sit back with the latest Club and enjoy your delicious models while Gwen gives me one of her slow and delightful blow-jobs.

Gwen and I especially appreciated Vol 18 No 13. Not only do you feature the picture-perfect cunts of such lovely ladies as Tamara, Sadie, and everybody's all time favourite Andrea, but you also have two

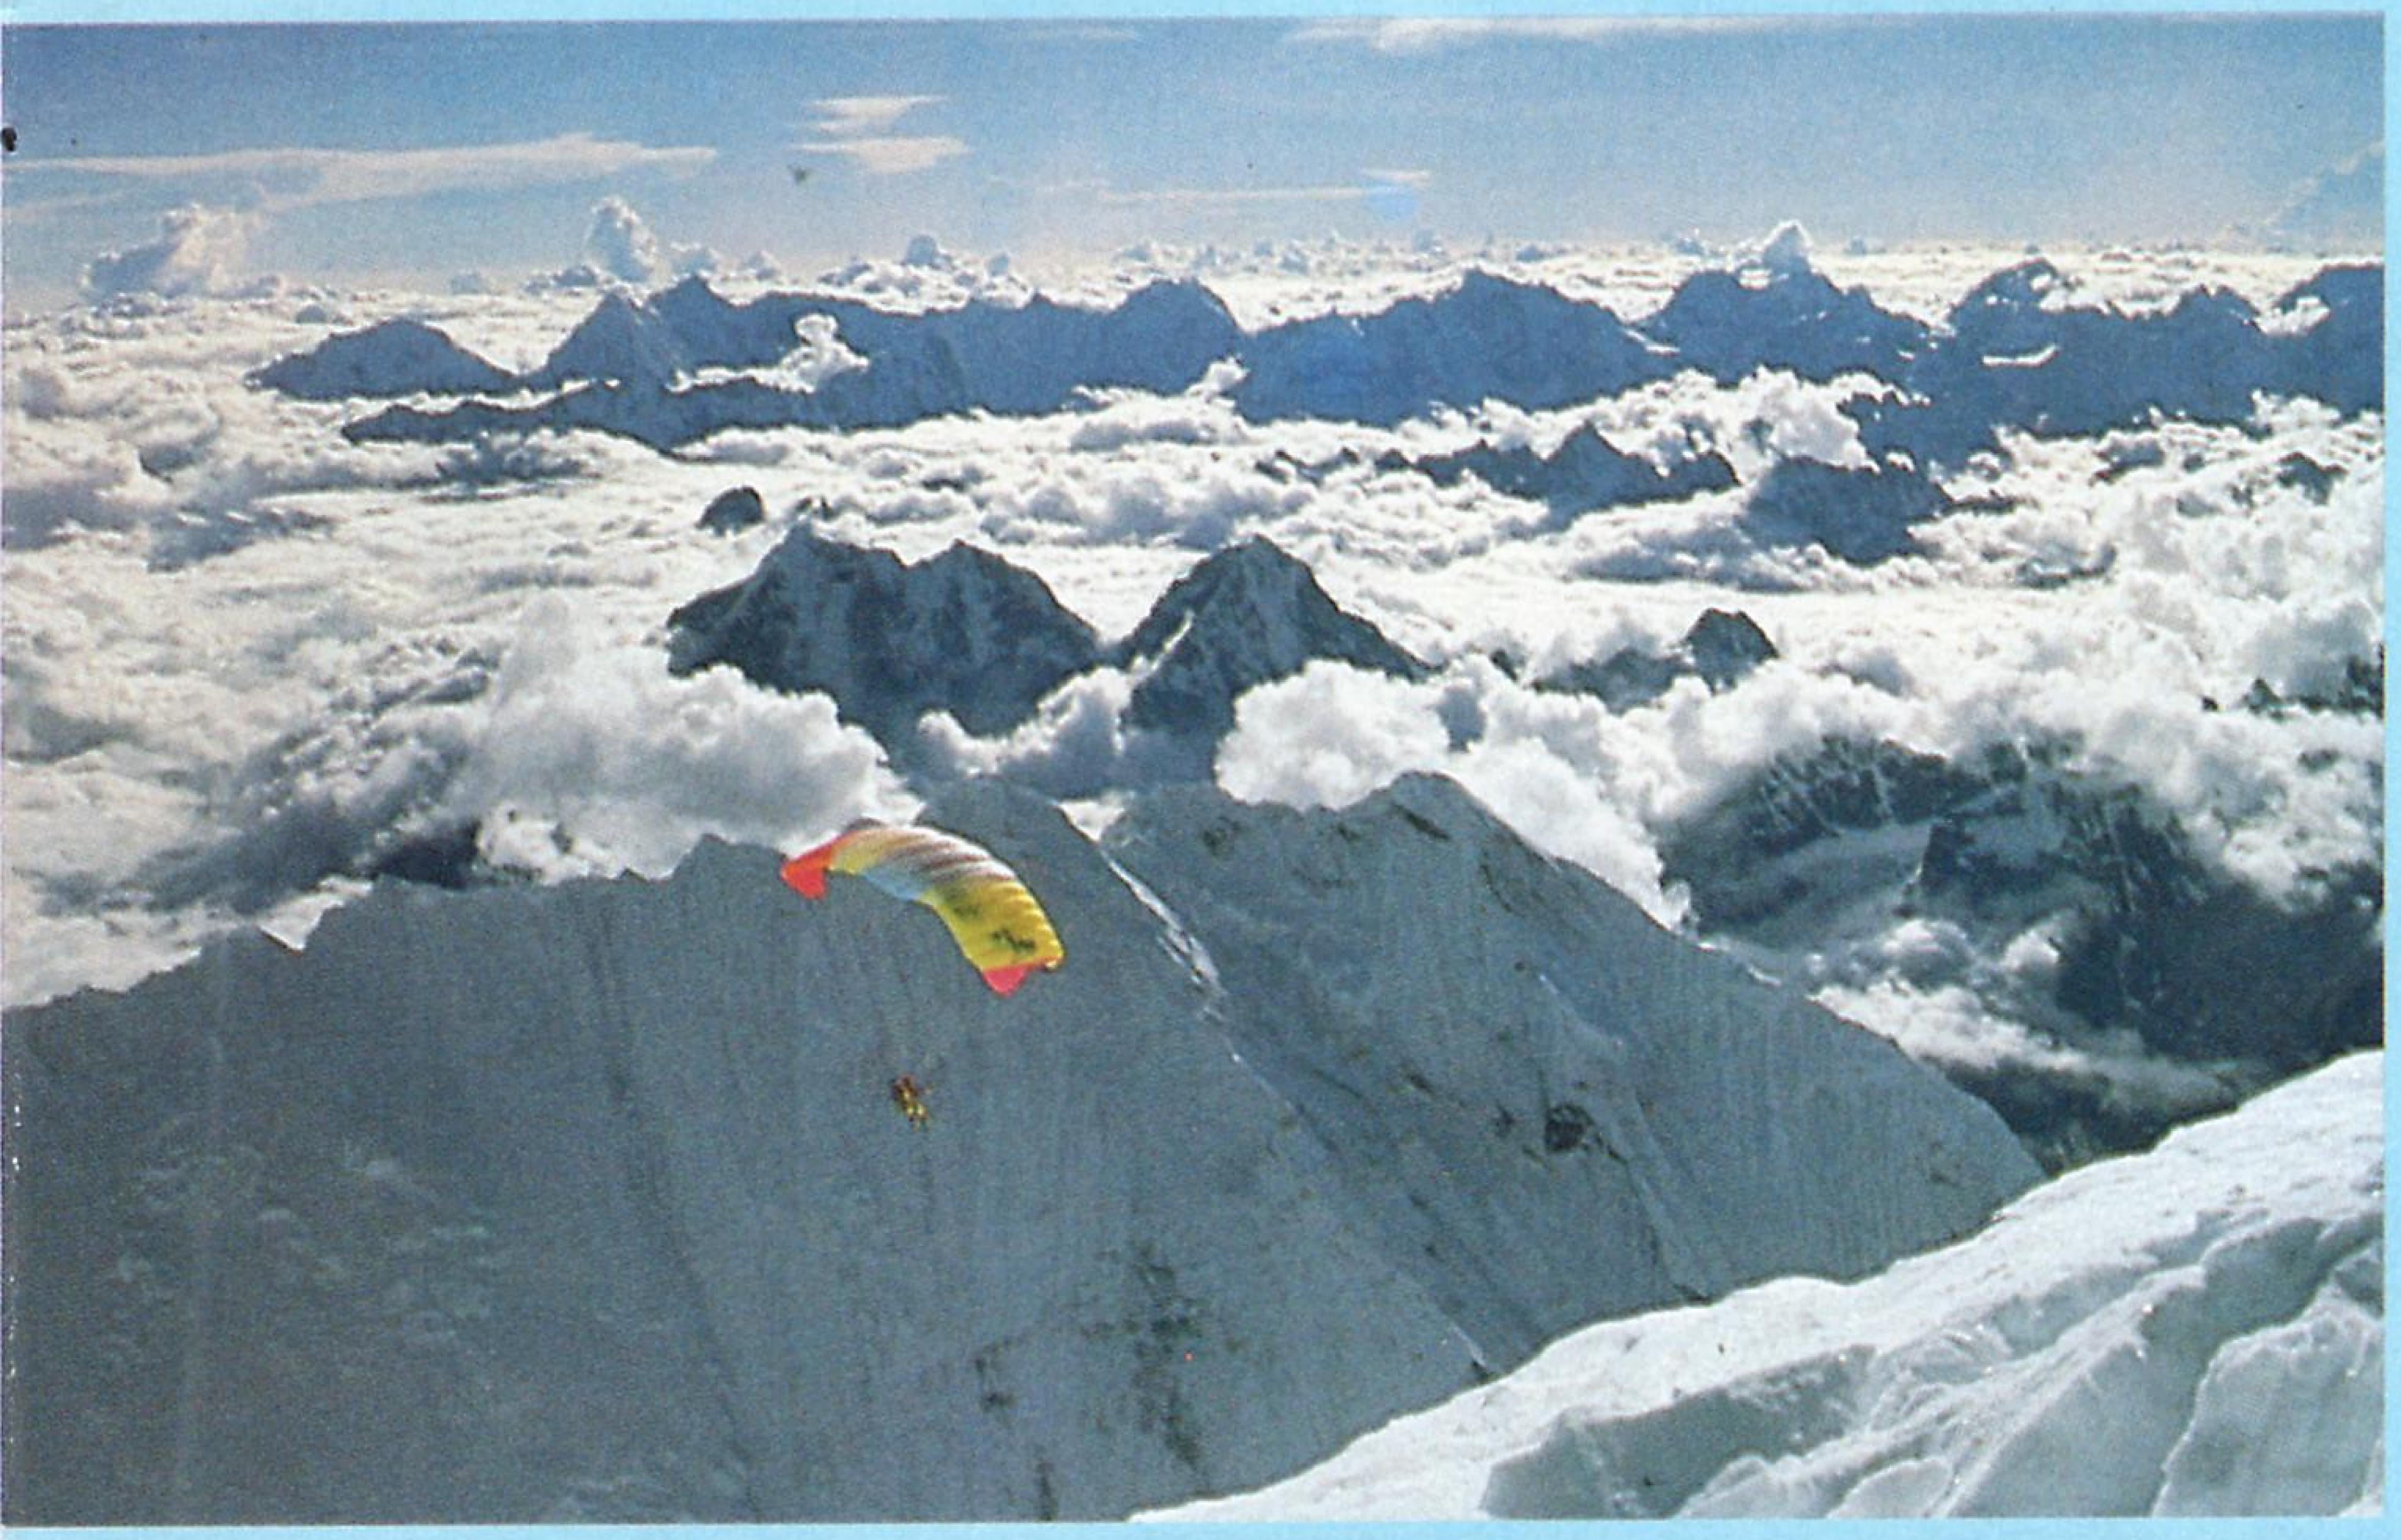
NUTTER'S CORNER GOES WHEEEE!



Over the past two years in *Nutter's Corner* we've brought you a man who hypnotises frogs, a woman who practises acupuncture on goldfish, someone who smokes 123 cigarettes all at the same time, a whole town which races down the high street on toilet bowls, and a host of other wild, wacky and completely certifiable wonders. This month we show you a chap who climbs all the way up Mount Everest and then parachutes all the way back down again.

All you serious psychology students out there will already be asking yourselves the crucial question: *why*? Why the fuck do these people dedicate years of their lives to doing such ludicrous things?

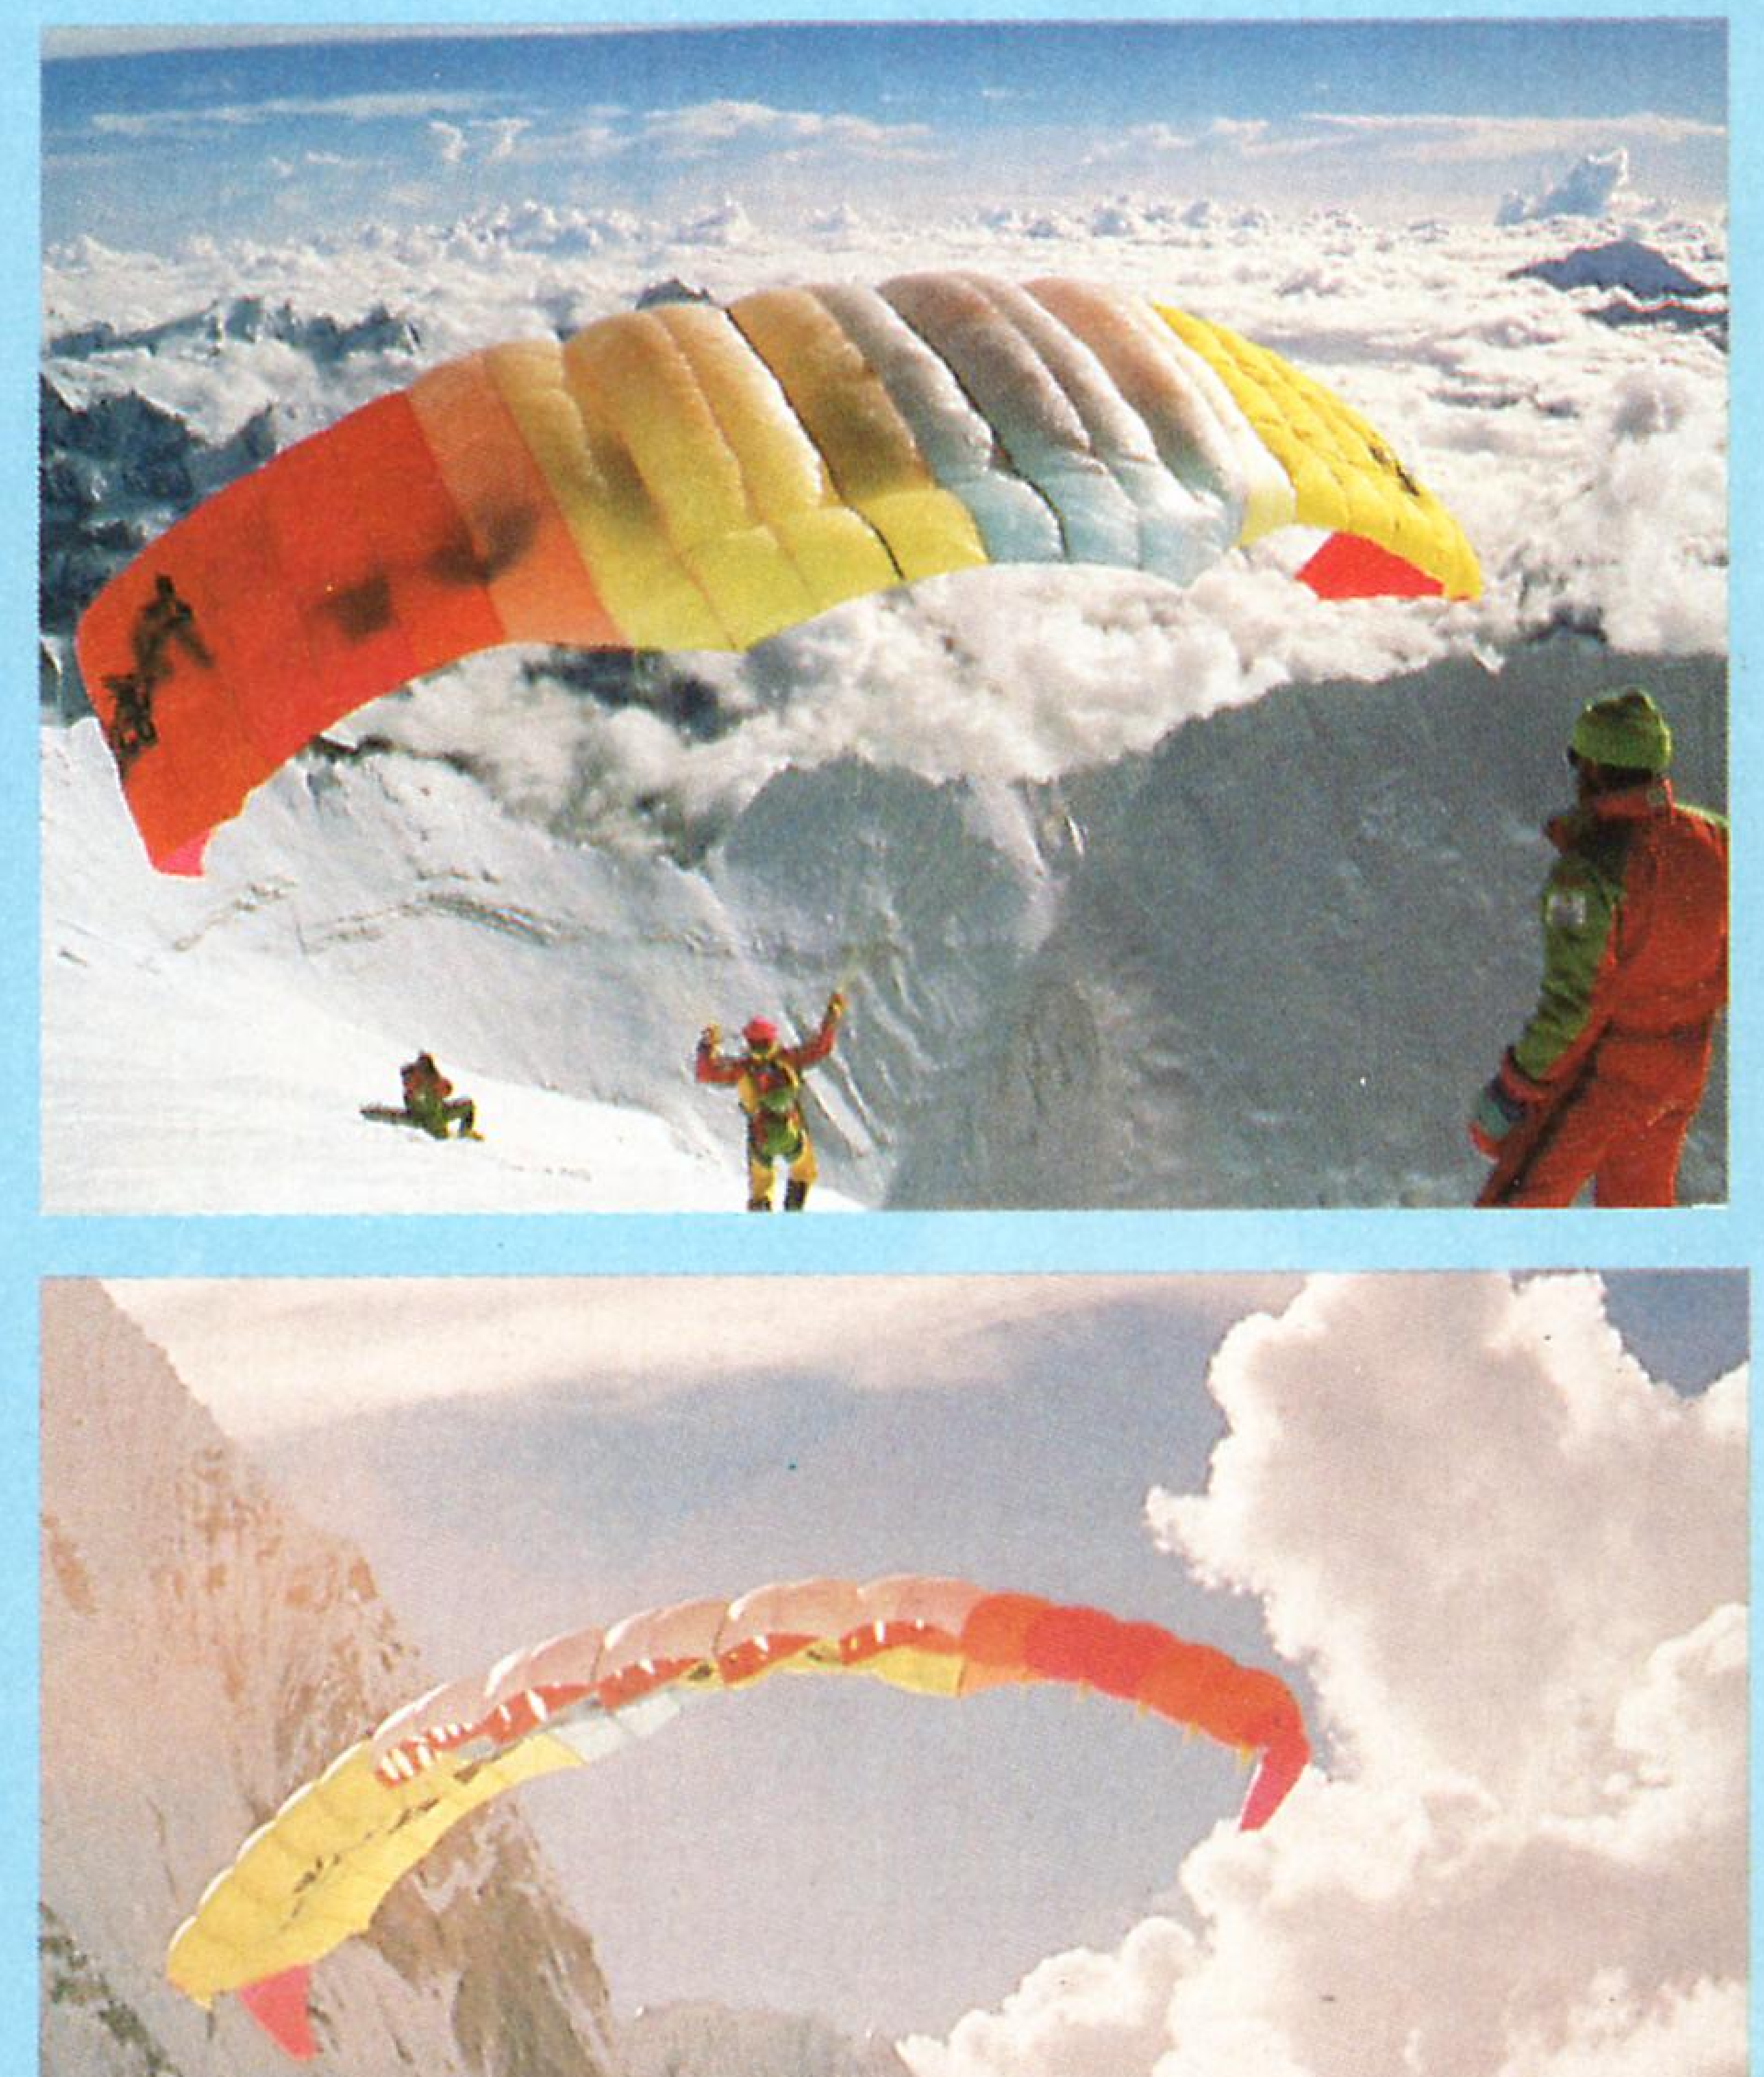
The answer, my friends, is simple: they've got bugger all else to do.

Rather than do the washing up, Jean-Marc Boivin got together his "parapente", a steerable lightweight parachute, slung it on his back, assembled 14 mates and flew to Nepal. When they got there it was the rainy season, which didn't help matters, but they still trekked through the mud for miles to Base Camp 1, crossing a melting ice bridge on the way. After a cup of tea and some Jammy Dodgers they tried for Camp 3, at 7300 metres, but were beaten back by heavy snow. A second time they made it, although a photographer collapsed from cerebral edema and had to be rushed back down. (He was OK in the end, folks.)

Finally, after another twelve hours trudging through knee-deep snow to Camp 4, and then an arduous two-day climb without oxygen, they made it to the summit. Jean-Marc then jumped off.

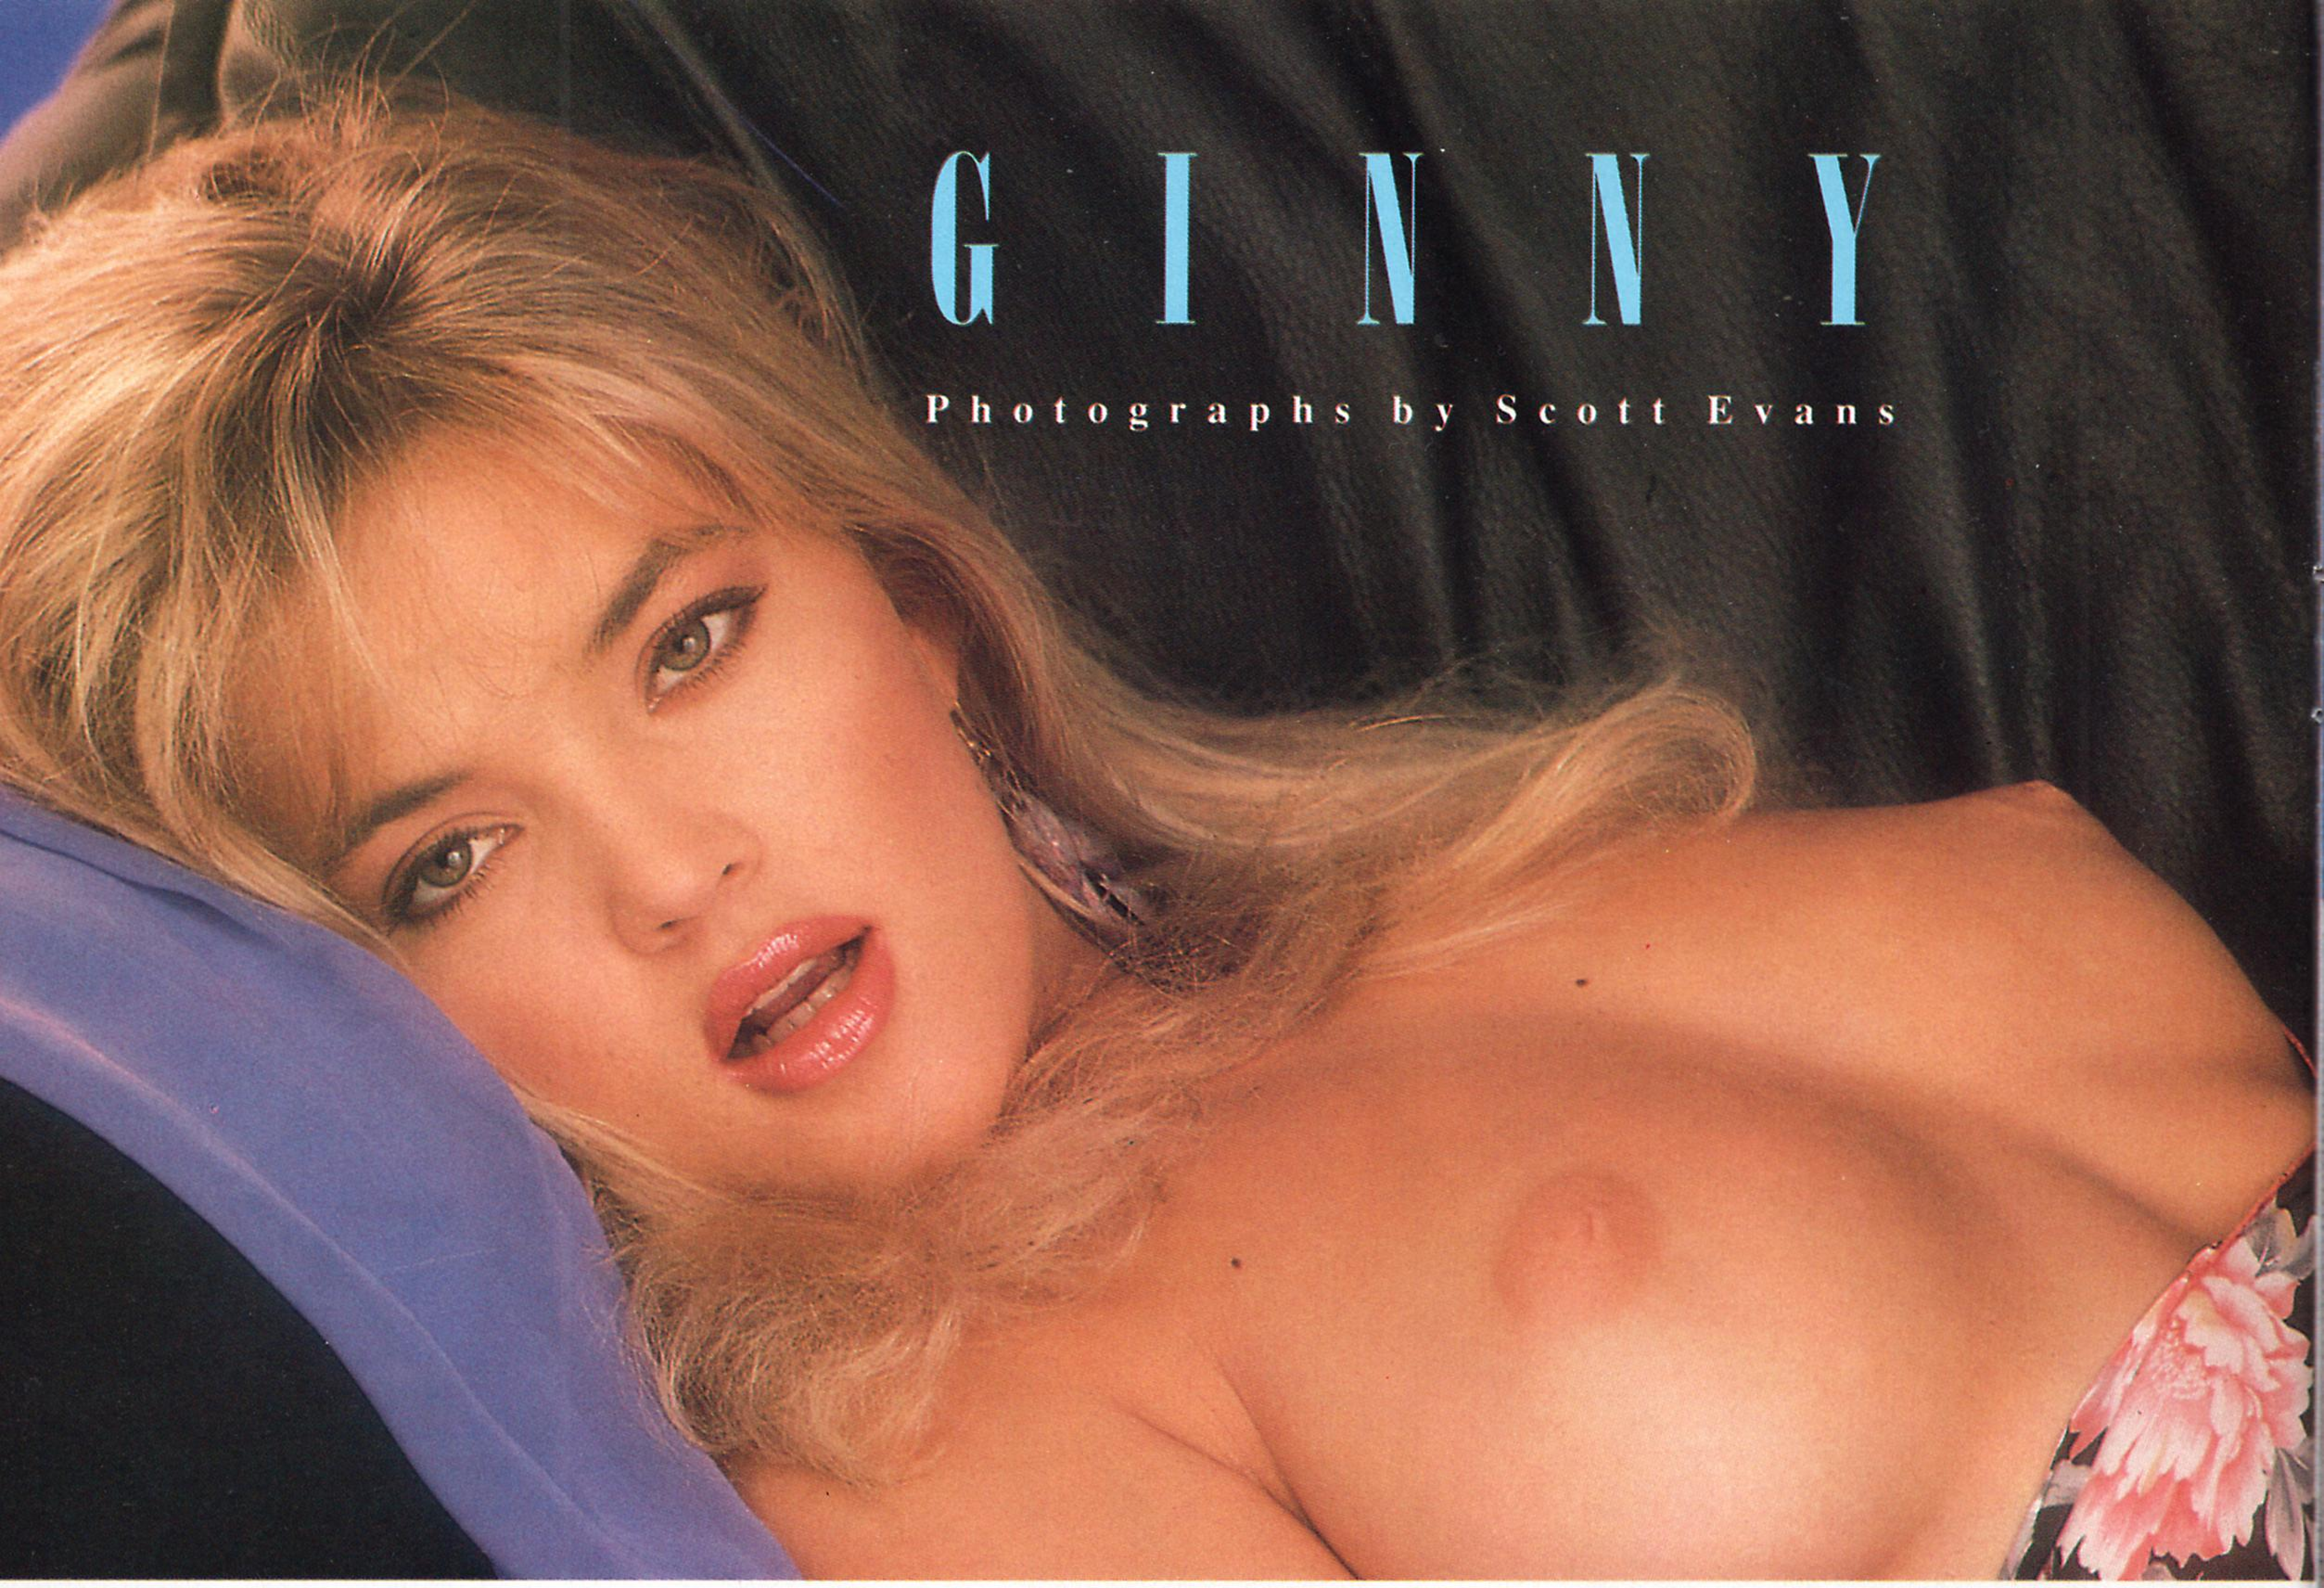
It took him about ten minutes to glide the 2000 metres down to base camp. Then they all went home.

This sort of thing worries some people. They think it's all too futile. Not to beat about the bush, they think it's bloody mental. Well, if they really must have a good reason for it, at least Jean Marc took some *very* nice photos while he was up there.♣



GINNY

Photographs by Scott Evans



Centrefold Ginny's real name is Virginia, but she doesn't think that's very appropriate for a lady like her.

"I'm 20 now," she told us when she cornered us in the Ed's office after this shoot, "and I lost my virginity about a year ago, almost to the day. It was something I'd been planning for ages, and I wanted to get it over with - and then I really *started enjoying myself.*

"I loved discovering just what turned me on, and what I liked doing in bed with a bloke. Mind you, the first

thing I found out was that bed isn't my favourite place for sex. This might sound corny, but I really love doing it in the car. Just the thought of being naked in there, with the windows steamed up and the suspension taking a bit of a beating, is enough to have me itching to play with myself.

"The best time was when I was getting down to it with my boyfriend in my car last summer - I bought a Metro specially because there's lots of room when you let the back seat down - and we were feeling really passionate. I had my boobs out and my panties round my ankles, and he had pushed his trousers round his knees, and things were getting really *interesting... when I caught sight of one of our neighbours peering right through the back window!*

"He looked pretty shocked, but being caught out just made me even more horny. Not very virginal, that, is it - but I've always been a naughty girl!" ♣

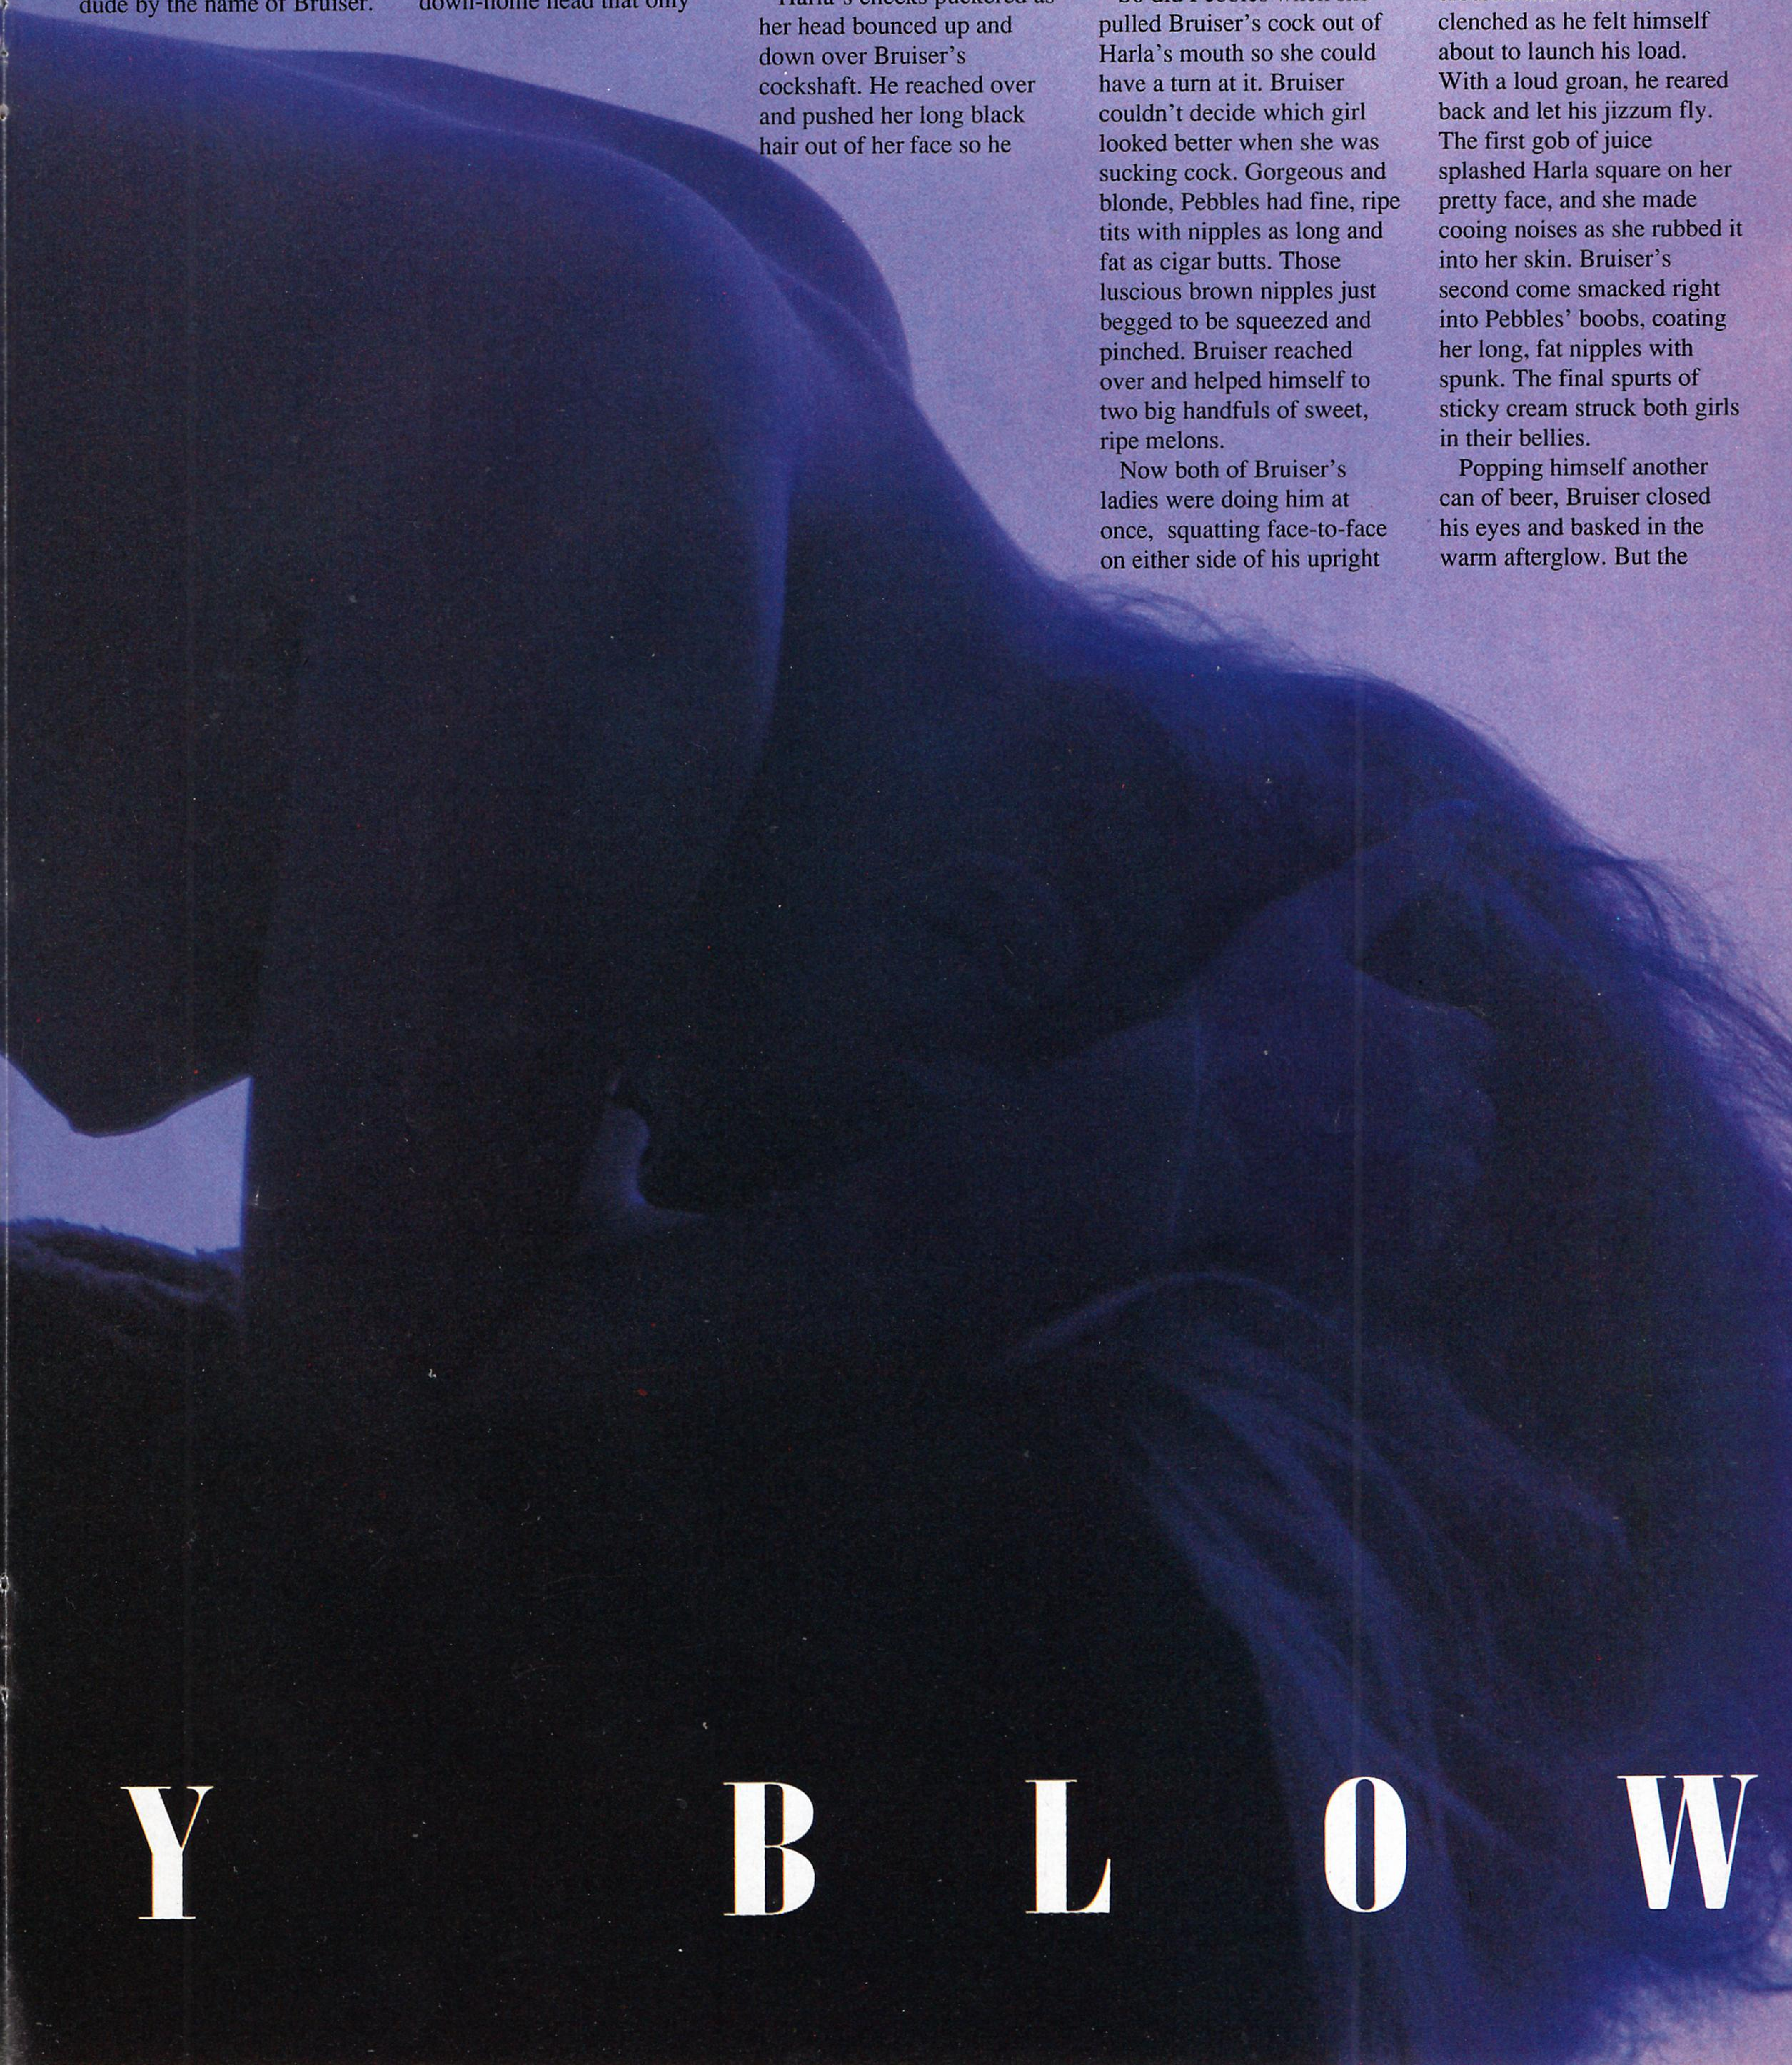
BLOW B



Y BLOW

fiction by David Alexander

Harla and Pebbles both reckoned they were the sharpest cocksuckers in the state. And Bruiser reckoned he had just the plan to find out who was right!

My story's about something that happened the other night at a bar called Long John Pecker's, when two of the hardest-working cocksuckers I know of settled what you might call a boner of contention. The two were named Pebbles and Harla. Both of 'em were the ladies of a bad dude by the name of Bruiser.

I'm Fat Boy. Bruiser runs our motorcycle club. You might say I'm Bruiser's right-hand man. Everywhere Bruiser goes, I go. Hell, I'm even closer to Bruiser than his own brother, if he had one, that is.

The whole thing started when Pebbles and Harla were giving Bruiser some of that down-home head that only they know how to deliver. While Bruiser lay back and swigged at a can, Pebbles and Harla were both giving his prick the third degree.

Harla's cheeks puckered as her head bounced up and down over Bruiser's cockshaft. He reached over and pushed her long black hair out of her face so he could watch her expression while she cocksucked him. She looked real fine with her mouth full of prick, pretty as a picture.

So did Pebbles when she pulled Bruiser's cock out of Harla's mouth so she could have a turn at it. Bruiser couldn't decide which girl looked better when she was sucking cock. Gorgeous and blonde, Pebbles had fine, ripe tits with nipples as long and fat as cigar butts. Those luscious brown nipples just begged to be squeezed and pinched. Bruiser reached over and helped himself to two big handfuls of sweet, ripe melons.

Now both of Bruiser's ladies were doing him at once, squatting face-to-face on either side of his upright pecker. Their tongues flitted and danced over the head, shaft and balls.

Bruiser couldn't take it a second longer. His eyes crossed and his teeth clenched as he felt himself about to launch his load. With a loud groan, he reared back and let his jizzum fly. The first gob of juice splashed Harla square on her pretty face, and she made cooing noises as she rubbed it into her skin. Bruiser's second come smacked right into Pebbles' boobs, coating her long, fat nipples with spunk. The final spurts of sticky cream struck both girls in their bellies.

Popping himself another can of beer, Bruiser closed his eyes and basked in the warm afterglow. But the cheesy grin on his face disappeared as he suddenly heard the sound of Harla and Pebbles shouting at each other. A second later, the two girls were coming to blows, clawing at each other as they rolled around on the floor.

"You didn't!" Pebbles yelled as she got on top of Harla. "I did."

"No fucking way," Harla shouted back as she gained the temporary advantage. "I'm the one what did it!"

Separating his battling beauties, Bruiser got straight to the nitty-gritty. "What in the livin' fuck is all this bullshit about?" he asked.

"Harla says she gives better head than I do," Pebbles pouted as she rubbed her arm. Glaring angrily, Harla shouted back, "Too right. Everybody in this cycle club knows I'm the best cocksucker around. You're strictly second rate."

Afraid his two ladies would come to blows again, Bruiser decided that he'd settle the matter once and for all. A man couldn't let shit like this get out of hand. If he did, then he'd be liable to wind up with a whole crockload of trouble. Besides, Bruiser saw the opportunity to do something that he'd been meaning to for some time.

Harla was starting to get on Bruiser's nerves lately. He'd had his eye on Buggs, a new chick who was hanging around the cycle club lately. With Harla out of the way, he could make Buggs his new second lady. In a flash of inspiration, Bruiser saw how he might be able to turn this new development to his own advantage.

"Listen up," he told his women. "You both say you give the best head, right? Well, I'm gonna give you the chance to prove it."

What Bruiser had in mind was a contest. A cocksucking contest. Bikers from miles around would come running to see the competition go down. If he charged two bucks a head, he could settle the rivalry and make himself some serious beer money to boot.

By the next night, Long John Pecker's was packed with paying customers. Word had spread fast. Over the bar's P.A. system, Bruiser announced that the beer was cheap but the pussy was free. Anybody who wanted to get his prick sucked by either Harla or Pebbles just had to line up and wait his turn.

If anybody decided to get rowdy, Bruiser added, he'd personally make sure they left on crutches. Once Bruiser had laid down the law, the crowd stayed cool. They knew enough not to mess with the baddest biker in the state.

The first lucky customers were two of Bruiser's rival bike club leaders. Duster and Hawk both stepped up to the pool table on which Harla and Pebbles were waiting to suck their dicks and unhitched their britches.

Bruiser's ladies went to work immediately, sucking and slurping up a storm. Pretty soon Duster and Hawk were grunting and breathing heavily as they struggled to contain their loads.

The silence of the hushed crowd was broken as Duster and Hawk simultaneously let out earsplitting war-whoops, pulled out and came in long stringers of semen that sparkled under the lights as they flew onto the girls' tits.

The pair polished off the next couple of iron-dicked bikers in similar fashion, but by the time they'd broken the dozen mark they were getting a little horny themselves. By mutual agreement, both decided that they needed a little pussy pleasuring before they could go on with their blow-job marathon.

Spreading their legs, they invited the next group of lucky riders to sample their pussies as well as their mouths. Side by side on the green felt table, Harla and Pebbles squatted down in the doggy position. Up for double penetration, Harla grabbed the stud in front of her and shoved his gigantic cock deep down her throat. Meanwhile, a second biker eased his cock all the way into her hot, tight box and began fucking her hard enough to make her big tits jiggle and shake like a bowl of pink jelly. It was a hot cock sandwich with all the trimmings.

At the same time, Pebbles was getting her snatch licked both by a biker and his bisexual lady. As the guy licked her twat, the biker's lady was giving her man a hand-job. Pebbles was also sucking a big boner in her mouth while she used her free hand to jerk off a third dude who stood to one side.

Suddenly the third guy that Pebbles had been giving the hand-job to let out a rebel yell and shot his wet load all over her ready tits. The instant she felt the hot wet spunk splatter on her breasts and nipples, Pebbles climaxed with a loud gasp, shoving her gushing snatch into the faces of the biker and the lady behind her.

As if in a chain reaction, the biker who was licking her pussy came his gobs into his lady's tits while the stud whose cock Pebbles was sucking emptied his load into her throat.

By the time this was happening, Harla was enjoying her dozenth climax with a big, juicy prick buried up her pussy and an equally mammoth joint cramming her cheeks. An instant before she finished climaxing, the stud in front of her groaned and came simultaneously, drenching her face.

Harla hardly had time to smack her lips when she felt the cock of the stud fucking her up the snatch suddenly expand inside her and blow its stack.

Even though the contest had been going strong for hours by this time, every onlooker was hard-pressed to decide which lady was the better head-giver. When two gals sucked and fucked as good as that, how could anybody make comparisons?

Nevertheless, had any onlooker taken the time to carefully study the face of Bruiser as he stood by the bar watching the action, they would have noted the trace of a smile that marked a man who had himself an ace up his sleeve.

Just as the last biker was pulling out from between Harla's come-dripping breasts, Bruiser tore off the lid of a fresh can of beer with his teeth. This was the signal that Bruiser's "ace" had been awaiting. Quickly walking toward the pool table from the shadowed sidelines, he appeared before Harla with his mammoth purple pecker throbbing in his fist.

Harla's nose reacted to this last biker with disgust before she even glanced at his face. Not only did this guy smell like a cross between a field latrine and a dirty carburettor, but he also looked as bad as he smelled. His acne was so thick you couldn't see his face, which was covered by long strands of lank, greasy brown hair.

"No way," Harla said, as she shoved the geek aside. "This guy needs a bath. Make that an acid bath."

When Bruiser reminded Harla that the rules of the contest dictated that she took on all comers, regardless of age, sex, race or even body odour, she still wasn't playing ball. Telling the booing crowd to go fuck themselves, Harla stormed out of the bar.

Bruiser smiled as he called for a vote. When the crowd unanimously selected Pebbles as the better cocksucker, he bought a round for everybody in the house. He'd known all along that his plan couldn't fail.

After the beer started flowing, Bruiser put the final cap on the evening by introducing Buggs to the audience. "Buggs is gonna be my new second lady," he told the crowd and announced that in honour of this great occasion they would have their first screw in front of the whole audience.

That's where I came in - in more ways than one. By now you've probably guessed that I, Fat Boy, am Bruiser's enormously hung ten-inch pecker.

But I'm afraid that I can't give you a description of the fantastic time that Bruiser had with Buggs, because a few seconds after Bruiser took me in his fist, the lights suddenly went out.♣

KIM

Photographs by Ed Sonner

Kim is 19, comes from the Channel Islands, and has something kinky to confess - she's a shoe fetishist.

"Yes, it's true," she admitted when we spoke to her after she'd done the business for us. "I just love shoes of all kinds, but especially high heeled ones - the higher the better! Here you can see me wearing my

very favourite pair, lovely five inch spike heels that I always feel really wicked in.

"What I like to do when I'm wearing them - with nothing else on, of course - is stand in front of the full length mirror in my bedroom and look at myself, the way those high heels make my legs look even longer, the way they make me stand so that my tits stick out even more. Pretty soon my hands are creeping down to my pussy, and you know what happens then.

"And if I don't fancy wearing these spike heels for once, there's another 33 pairs in my wardrobe!" ♣

Women's Writes

Where the girls get down to business

OFFICE ANGEL

I've just started working in an office at a local firm, and recently came across a copy of your magazine. It was Vol 18 No 10, and I especially liked the pictures of Jamie Summers; she really got my pussy juiced up! I was used to seeing Club when the lads used to bring it in to college to try and embarrass us girls, but I'd not seen a copy since I left college, until I had a very pleasant surprise at the office.

Ours is a big and busy office at work and last Thursday Jenny, my supervisor, asked me if I'd like to help her index all our floppy disks from the word processors. Naturally, I went to help and later Jenny called me in to her office when the other girls had gone and said she had some 'special' work for me to do.

Jenny is in her mid twenties, a big, firm brunette with lovely, curly brown hair. She sent me into the store room and asked me to start writing an index of the disks on the very bottom shelf upwards. Wearing my little summer blouse, no bra, a short pink mini and little white knicks, I bent down to the task. I thought I was alone in the store room and unbuttoned my blouse a little to let my little tits hang freer. I felt my little mini riding up and could feel the cooling air around the tight crotch of my knicks.

I took the next batch of disks off the shelf and was faced with the lovely blonde and pink of Jamie Summer's cunt staring me in the face. I looked up and Jenny was the other side of the shelving, holding the copy of Club, stripped to suspenders, stockings and shoes, saying, "I'd love to fuck Jamie, but you'll be my cunt for tonight, Claire."

Whilst I was staring at Jamie's gorgeous little twat and pert boobs, Jenny had walked round to behind me and got one hand up my skirt to the edge of my crotch. I started to squirm against her hand, willing its fingers to explore my little twat as I dragged my light summer blouse off over my firming little tits. My nipples are really small, but they were aching as Jenny span me round and said, "I want to fuck your snatch tonight, Claire."

I just had never imagined my woman boss talking so dirty and I just slurped at her firm upright boobs and ran two searching, nimble fingers into her dark brown pussy mound. Jenny sighed and sucked hard on my tiny nipples, firming up those little pinky buds. Then she led me back to the deserted typing pool and stripped me, stroking me gently all over as she did so. I was desperate for a climax, so I bent myself over her desk with my slender legs spread really wide, as she finger-fucked me to a come, then slotted a dildo up me,

which I thought was going to split my cunt apart. It was heaven - my tits ached and my clitty had never been so swollen and throbbing as lovely, sexy Jenny went on her hands and knees to suck my cunt out.

Then, perched on the very edge of her typist's chair, she clung on to the desk and gave me precise instructions about how she wanted me between her thighs, my tongue lodged in her sweet, scenty snatch.

Now, Jenny and I work overtime each Tuesday and Thursday and I have learnt so much about my job - giving her orgasms by hand, mouth and dildo. She has fucked me rigid each night. I love it so much that I keep the copy of Club with Jamie's spread at home to come over when Jenny and I aren't at it on overtime!

By the way, this confession has been typed out on the office word processor on overtime, with me starkers apart from a dildo in my cunt. Jenny is sitting here, stripped and watching. I can tell she's wet and waiting. Who'd like to watch what happens next? - *Claire, Derby*

WORK MATE, PLAY MATE

I never thought I'd ever have anything to write about in *Talking Blue*, although my husband and I are regular readers of your magazine. Until recently we had a very conventional, if very fulfilling, sex life, and I'd never have imagined that that would be of any interest to your readers. However, something happened a couple of weeks ago which I'm getting turned on just thinking about as I'm writing.

Over Christmas we went to quite a few parties, and one was at the place where Brian had only been working for a few months. We both got quite merry on the free plonk they were giving out, and I must admit that I was flirting rather a lot with several of his work colleagues; I just enjoyed all the attention. A couple of weeks later, Brian and I were getting into some foreplay in bed when he suddenly came out with the fact that one of his colleagues, Ken, had told him that he really fancied me.

This came as a bit of a shock to me, as Ken was a very good looking chap in his late twenties, and while I'm pretty well preserved and keep myself in trim, I am in my early forties. But the more I thought about Ken, the more horny I was getting. Brian and I certainly had a good screw that night, but I thought that was the end of it.

However, a couple of days after that Brian unexpectedly came back from work bringing Ken with him. Ken ended up staying for dinner, and after a couple of bottles of wine all sorts of things were coming out, like the names of women Brian quite fancied at work and so on. It was then that Ken admitted to my face that he really wanted to have sex with me.

At first I was quite shocked, and I glanced over to where Brian was standing opening another bottle. Brian just smiled at me, and indicated that he was pleased Ken had come out into the open with it. "I don't mind if you want to go ahead and fuck him, Myra," he told me, "just so long as you let me watch!"

I nearly died of shock then, because Brian had never said that he wanted to see me with another bloke. But as I was feeling randy myself, and Ken was very good looking, I found myself standing up and saying, "Well, I'd better go and change into something more sexy then." With that I walked upstairs and stripped before putting on my favourite red lacy lingerie, fishnet stockings and suspenders. The sight of me in the mirror gave me a bit of a turn, I must say, but I was feeling so randy and ready for a good fucking by then that I could hardly wait to get back downstairs.

Ken obviously couldn't wait either, because when I went back into the lounge he'd taken off his trousers and and briefs and was standing there in the middle of the lounge, his cock already semi erect.

Brian was sitting on a chair watching. I could see the lump in his pants from where I was standing, and I knew he wanted me to get stuck in. So without further ado I bent myself over the back of the sofa, splaying my thighs wide in my red panties so that Ken could see the clear outline of my fanny lips through them. I knew I was already wet and sticky down there, and I was dying to touch my little clitty with my fingers, but I could see that Brian really wanted Ken to do all the pleasuring, so I held back.

Ken advanced towards my arse, holding his stiff cock in his hand. I could see his heavy balls, full of spunk, swinging as he walked towards me. I wanted all that cream for my cunt. I could feel my juices seeping out, soaking through the crotch of my panties. I felt Ken pushing my pantie crotch aside with his finger, pushing it into the wetness, and circling around, sending little shivers through me. He soon found my clitty and started rubbing it, making me moan with pleasure.

"Lick her, Ken," I heard Brian say. "I want to see your tongue in her cunt." Ken needed no encouragement for that, and immediately bent down and stuffed his tongue into my pussy, licking all the way up and down my slit, making my juices stream over his face as he swallowed them down. I had to grip the sofa back as my legs started wobbling, then Ken pushed one finger into my slit while he continued to tongue me. Even though he was only using one finger, my pussy felt really tight and full to bursting.

Looking down between my legs, I could see Ken's huge cock throbbing away, pointing up stiffly, as he knelt underneath me, and I wanted to do something about it. I looked round over my shoulder to see Brian fiercely wanking himself, the eye of his cock shining with moisture. He nodded at me as I looked at him, and the idea of him watching another man eating me out made me come then and there. My climax rippled through my body, making me tingle all over and my skin flush a deep pink. I knew that Ken couldn't hang on much longer, by the way his cock was twitching, so I quickly moved away, kneeling down on the carpet in front of Ken.

"Get that cock up me, Ken," I told him, wriggling out of my soaked panties. "My pussy needs fucking, and I want it now." Ken was desperate to fuck me by now, and rearing up on his knees behind me, he plunged his cock up my tunnel to the hilt. At the same time, Brian came and sat on the chair next to us, holding my panties up against his face and sniffing the crotch as he wanked himself even faster.

Ken fucked me really hard and fast, slapping his balls against my arse as he shafted me thoroughly, his cock sliding easily in and out of my wet cunt, covered in my juices. All too soon, Ken was yelling to me that he was coming, and I felt the hot spurt of come in my cunt, dribbling out down my thighs and coating the tops of my fishnets. Even after he'd come, Ken carried on shafting me, his cock still rock hard inside me, until I came off in a series of lovely, satisfying orgasms.

Things weren't finished yet though. Brian was still wanking in front of me, and soon unloaded his wad on my face, and aiming his cock into my mouth so that I could swallow all that delicious come. I gulped it down like a hungry animal.

Since that day, Ken has fucked me numerous times, always in front of Brian though. And our sex life is even more exciting than ever now. - *Myra, Hereford*

Holiday Blues

and the nanny makes three

I want to tell you about what happened to me when I started working in Portugal as a children's nanny. It's hard for me to take it in now but at the time I was overwhelmed by the feelings I was having and the fantastic sex I was getting.

I'm 19, and about this time last year I got a job working for a rich couple who'd moved out to the Algarve to open up a business there. I liked them right away, and their two young kids were no trouble at all, very well behaved and capable of amusing themselves. That left me with plenty of time to get to know the rest of the family.

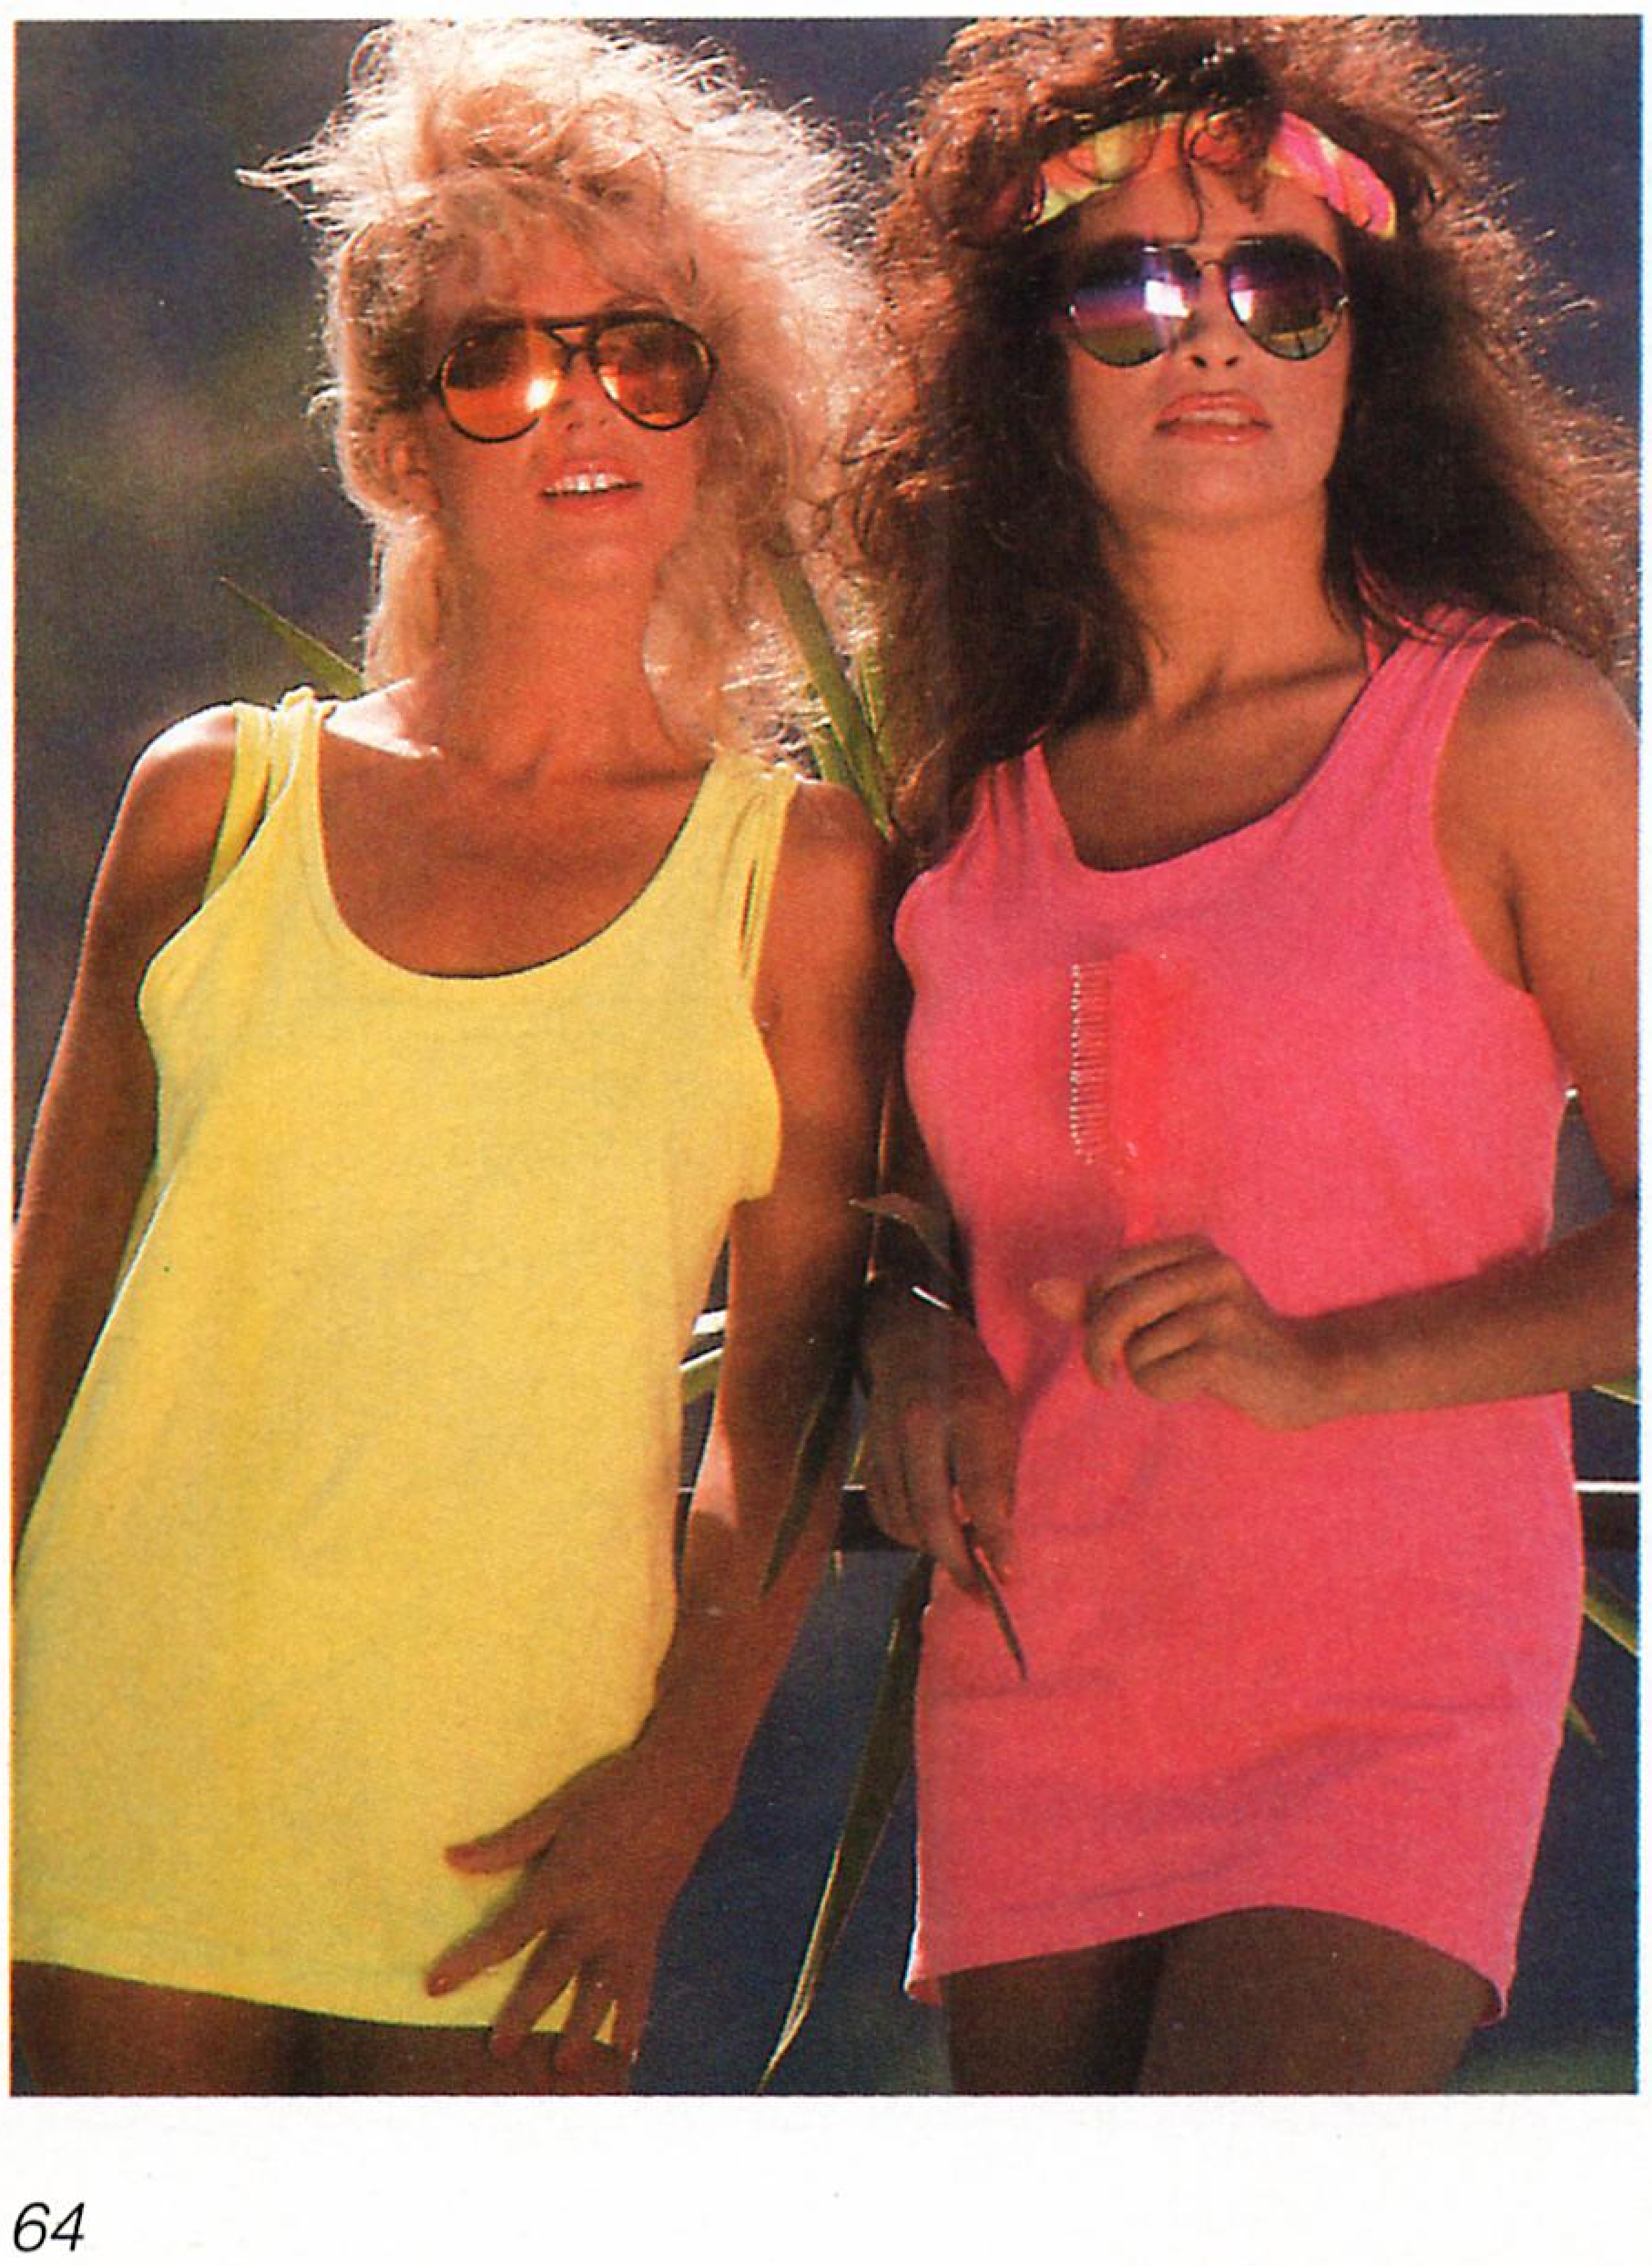
Jackie, the wife, was a lot younger than her husband Len, who'd been married twice before. Despite the fact that he was in his early fifties, though, he was in great shape, with a good tan and great legs which he loved to show off by walking about with just his swimming trunks on. Jackie was a very elegant blonde, who always spent ages on her appearance as she'd been a beautician before her marriage. I think she was only in her late twenties, and she was devoted to her kids, and to her husband, or so I thought.

I remember really clearly the day that everything changed. I'd been there a few months, and was really enjoying myself. By now it was June, and we'd all settled down into a daily routine of looking after the kids, and lounging around when they were off expending their excess energy. That day it was boiling hot, and the kids had gone off to play with some neighbour's children for the afternoon. I'd spent the time sunbathing at the poolside, but by 3 o'clock it was too hot to stay outside any longer, so I decided that what I needed was a long, cool shower. I thought I could relax in my room afterwards until dinner, as Jackie was entertaining one of her friends who lived in the next town.

I was just running upstairs when I heard noises coming from the main bedroom of the house. Jackie had been downstairs in the sun lounge with her friend when I'd last seen her, so as the noises were coming from her room I thought I'd better check them out. I thought it was unlikely to be burglars, but I was totally unprepared for the sight which met my eyes.

Jackie was lying on the bed, totally naked, her hands mauling her own boobs roughly as the friend who I'd last seen her drinking coffee with peacefully downstairs knelt at the end of the bed with her face buried in Jackie's obviously soaking cunt.

I don't know how I managed not to gasp out loud as the brunette raised her head and dipped it again, clearly pushing her tongue in and out of Jackie, who was thrashing her head from side to side and groaning, all the while fondling her boobs roughly. As I stood there she even pulled one of them up to her mouth so that she could tease the nipple with her teeth. There was a ring of pink lipstick clearly visible round the brown areolae as Jackie sucked herself.



I just carried on standing there in the half open door, watched in horrified fascination as Jackie's friend, gripping Jackie's hips as she writhed on the bed, tongued her even faster. I could hear the squelching of juices as her tongue worked over Jackie's cunt. I could feel, to my embarrassment, a hot wetness seeping from my cunt as I looked at the way Jackie was throwing her head back, biting her lip now as she was having her orgasm. She just gave a huge shudder and came again and again, about five times I counted. By now my hand had found its way down to my cunt, and I was massaging myself through my bikini bottoms. There was a huge wet patch there, and I was dying to get my fingers into my pussy and frig myself. My knees were shaking as I backed away from the door, and I walked very stiffly back to my room.

I was ready for a really good wank, and I pulled down my bikini bottoms so that I could massage my aching pussy. I really needed to get my cunt filled up, so I went over to my underwear drawer and brought out my little silver tipped dildo.

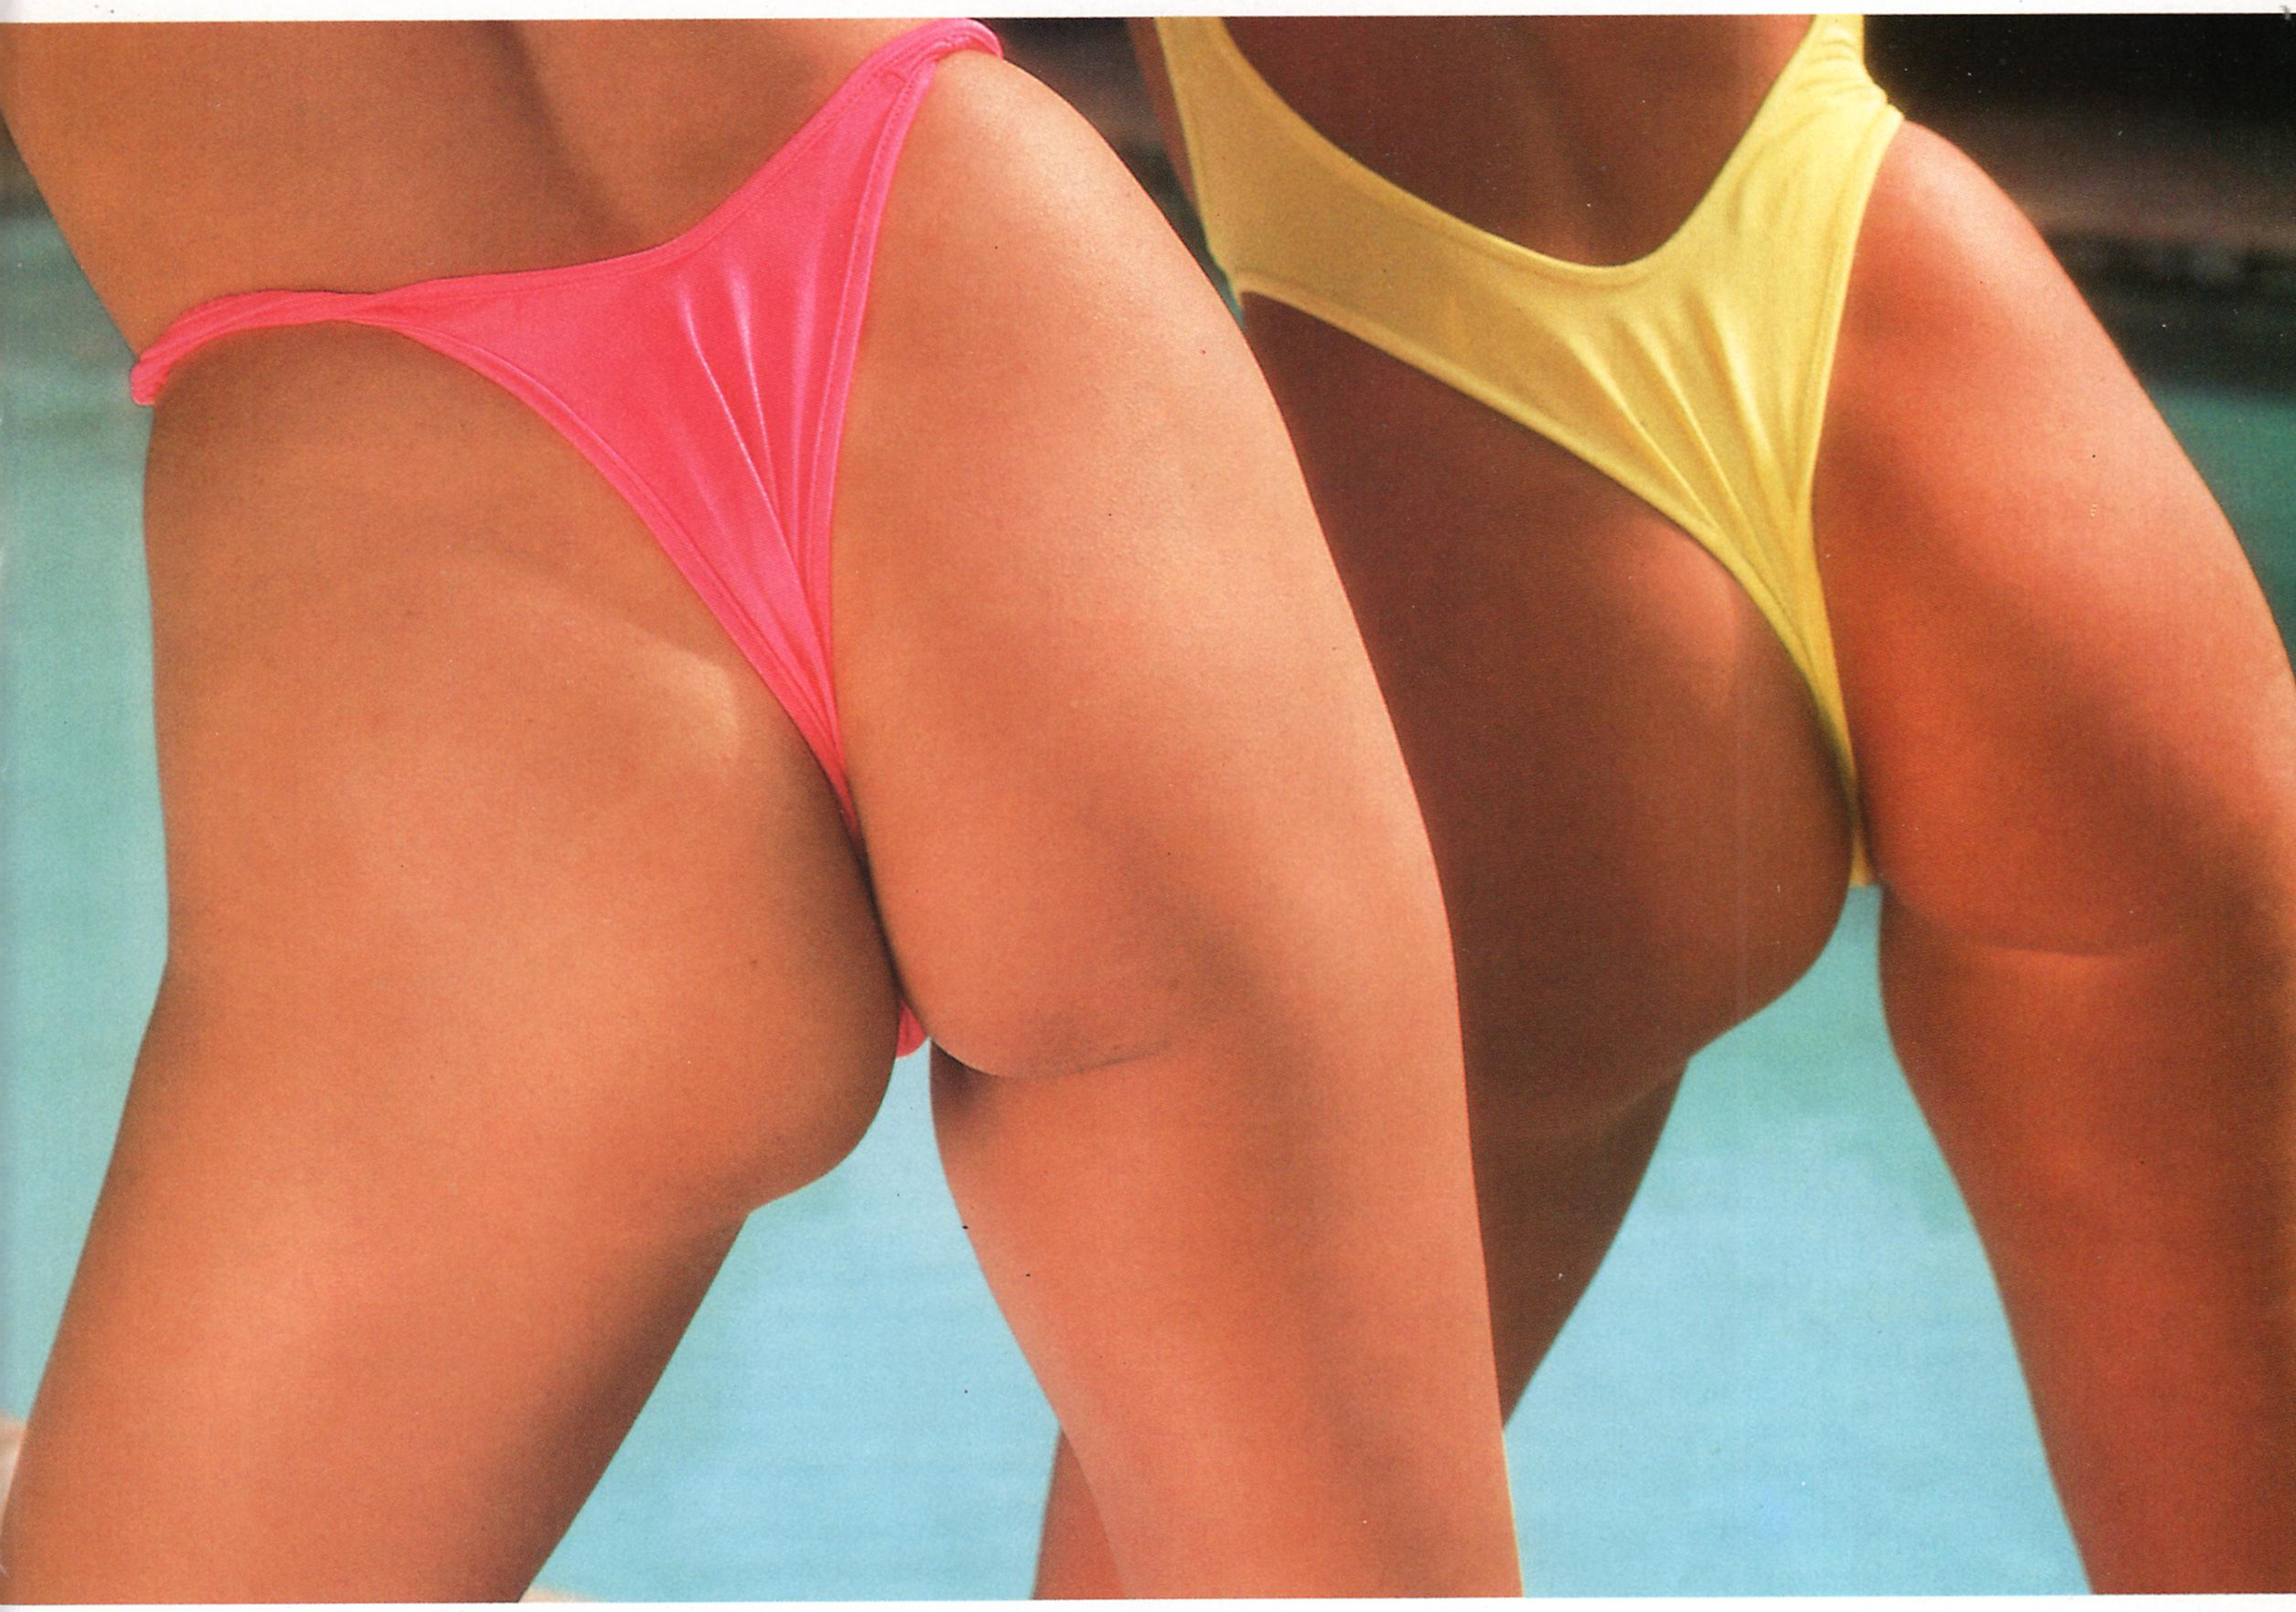
I was lying back on the bed about half an hour and several orgasms later, my dildo firmly planted inside my cunt, my legs spread wide and high, when there was a knock at the door. To my embarrassment Jackie just barged straight in and caught me right at it.

I must have looked a real sight lying there impaled on my dildo, but Jackie just smiled as she came towards the bed, shrugging off her dressing gown to reveal her lovely firm body which still showed the red marks and faint love bite bruises from what she'd been up to earlier.

"My friend's gone now," she told me, joining me on the bed and stroking my thighs, running her hands over the sheen of sweat that I'd worked myself into. "But I'm still feeling randy, and I know that you are, aren't you, Sally? Because you watched what I was doing earlier, didn't you?" I thought she'd be really annoyed that I'd seen her lesbian romp, but instead the idea seemed to have really excited her.

She took hold of the dildo that was still in my dripping pussy and started working it back and forth as she carried on talking. "You know why I gave you the job, don't you?" she said, above the squelching of my pussy as she worked the hard tip of the dildo round the edge of my love hole. Her little finger was gently stroking my clit at the same time, sending spiralling little orgasms right through me. She pushed my legs right back so that they were at my shoulders, and then quickly penetrated me with the dildo. It felt as if it was going right up to my womb, and I'd never felt anything like it.

"Fuck me," I whispered as Jackie moved the dildo teasingly faster, then slower, then faster again as I thrashed about underneath her with climax after climax. She talked to me the whole time, which



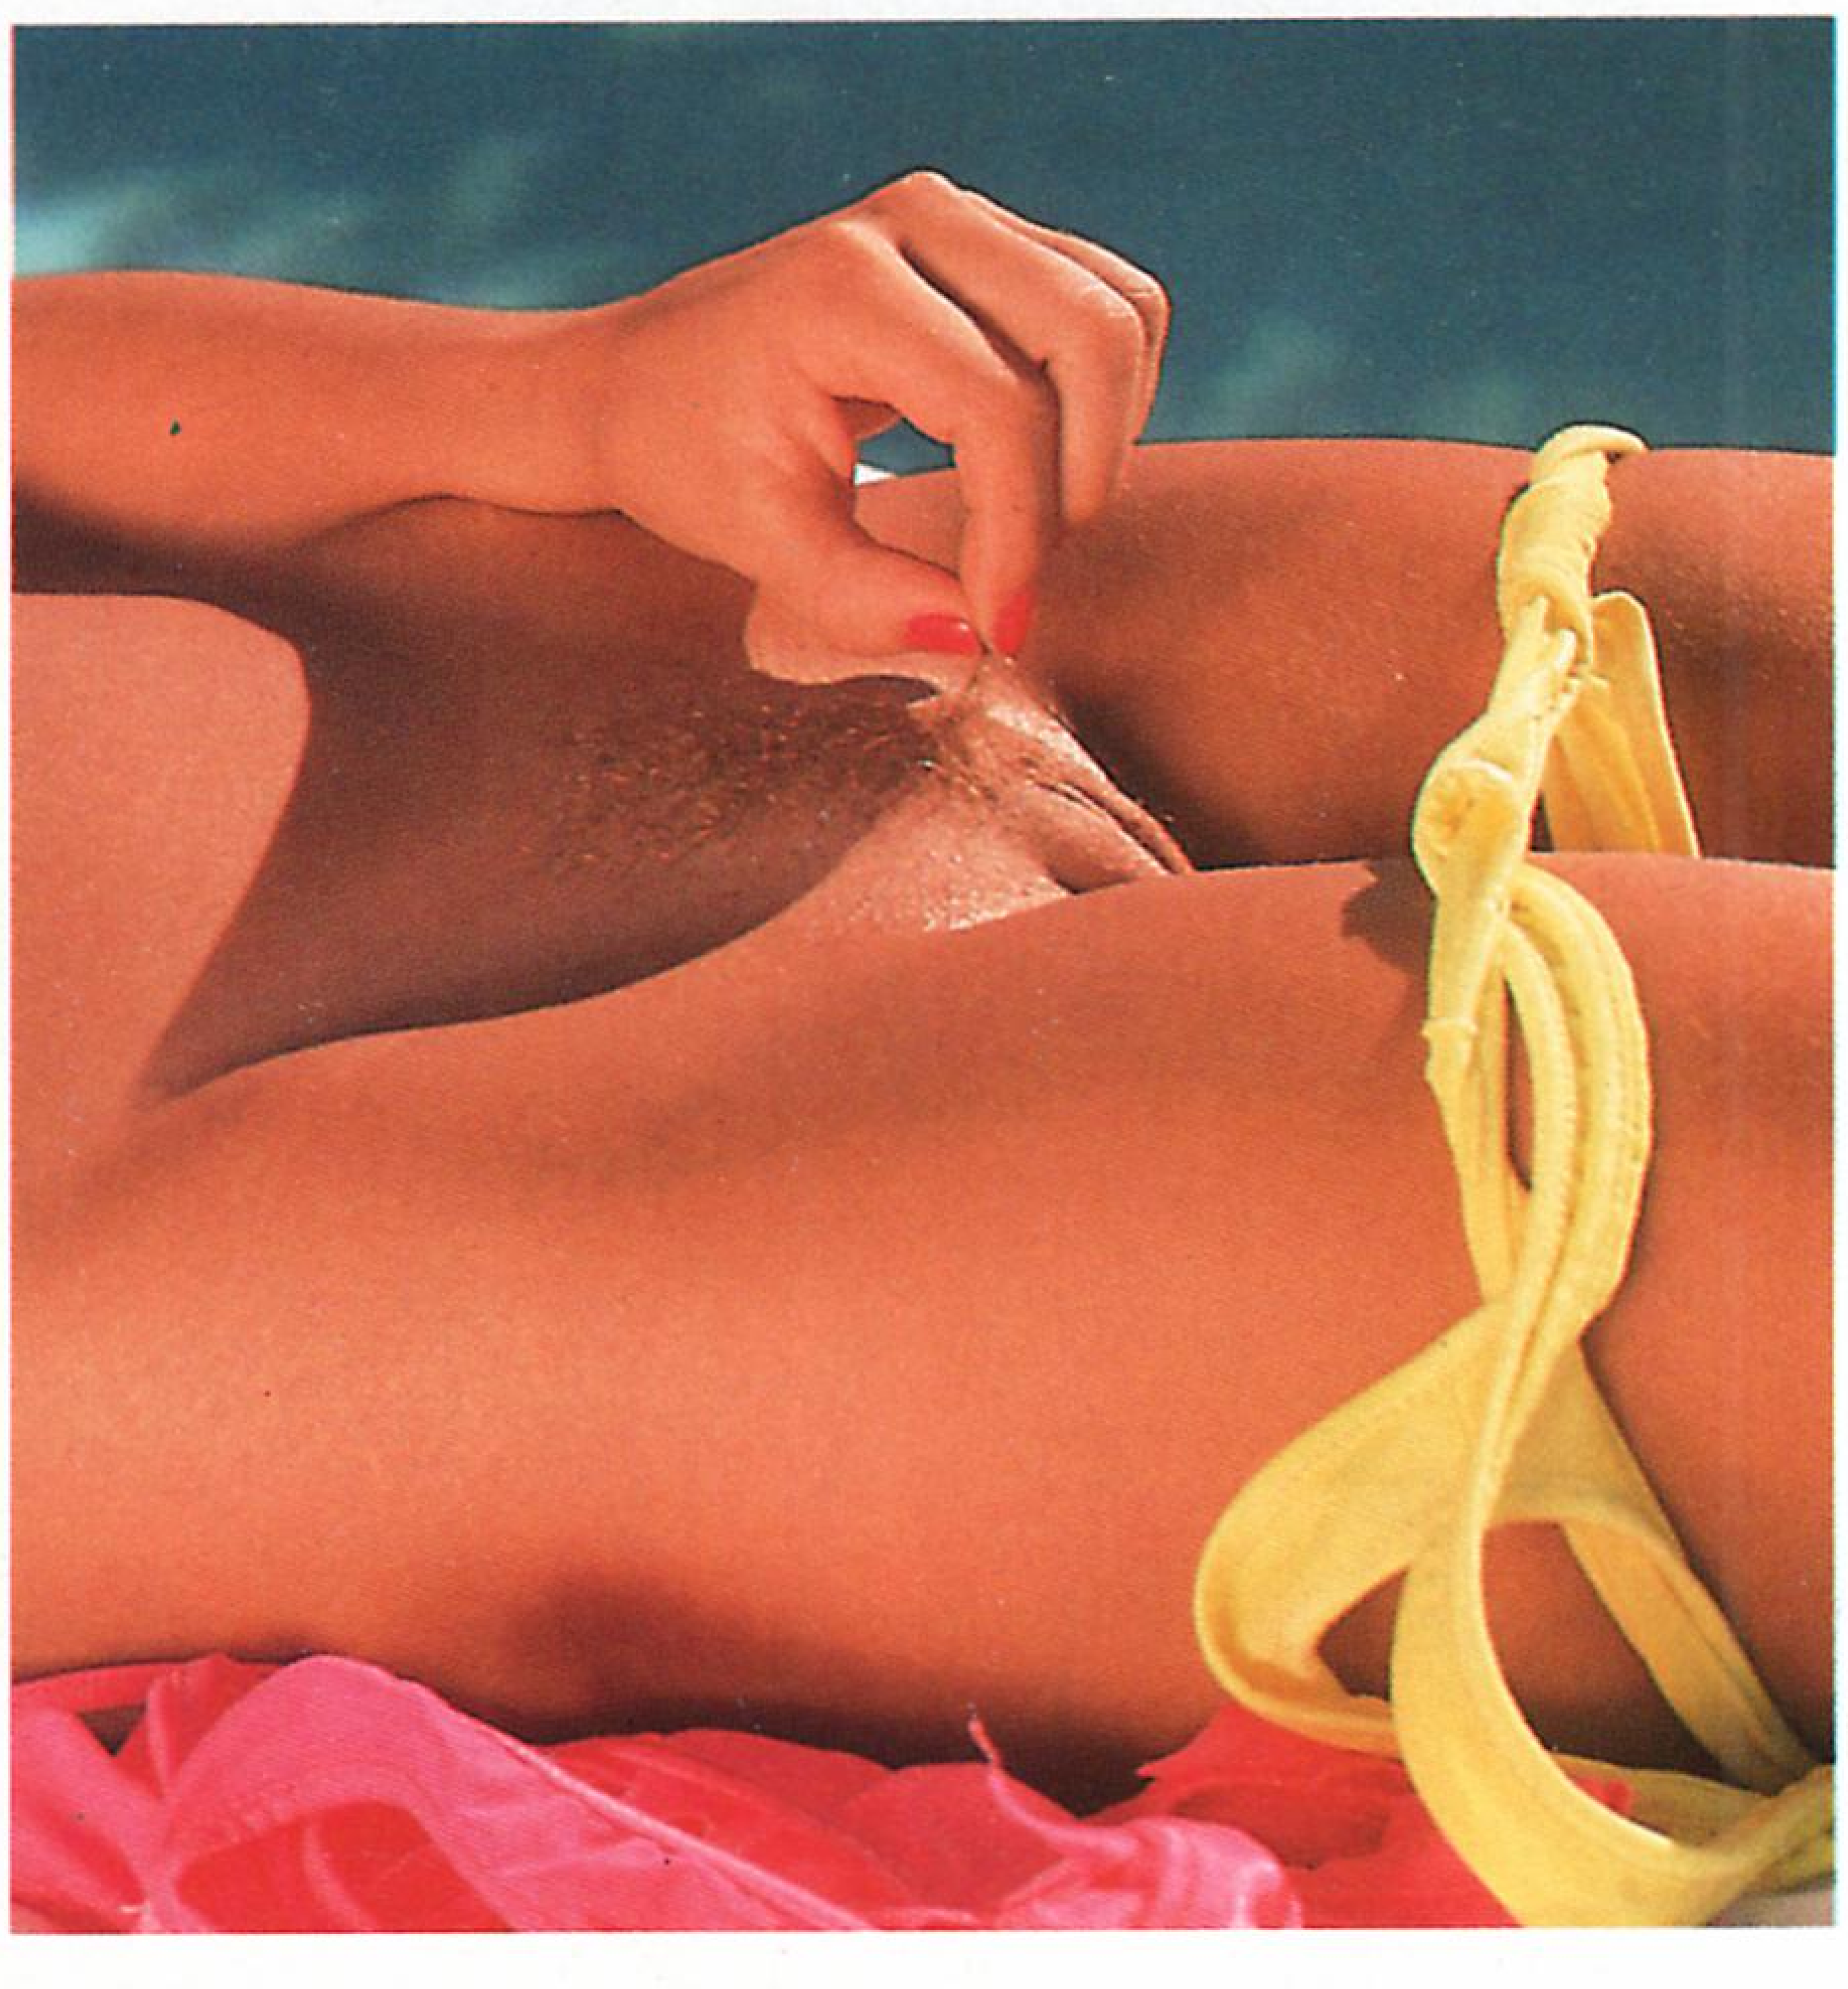
made the experience even more erotic.

“You know the reason why I gave you the job,” Jackie told me, and I could see in her face that she was getting excited all over again. “As soon as you walked in I wanted to stroke your boobs through that blouse you were wearing. I wanted to suck your nipples until you were dying for me to fuck you. I wanted to get you on top of our big dining room table and lick your cunt until you couldn't stand it any more. And now I'm going to make you come!”

She couldn't very well have stopped me as the pressure of the dildo pushing my cunt walls apart brought me off again. Jackie was rubbing my clitty hard now, and my legs were aching as I held them round my head to get full penetration from my dildo. I think Jackie had a couple of fingers inside me as well but I was lost in the sensations that were going through me.

I lay there, feeling a bit guilty about what had just happened, panting hard from the force of my orgasm. Jackie had taken her hand away from my cunt but was still stroking me with the other, making lazy circles with her fingertips over my hot skin. It was then that we heard the front door slamming - Jackie's husband had come homeearly!

We quickly leapt apart and Jackie fumbled for her dressing gown before rushing off to her own room, leaving me to try and collect my thoughts. At dinner that evening I could hardly look Len in the eye, and every time I met Jackie's gaze I just blushed. I'm surprised Len didn't cotton on, but he seemed oblivious to the atmosphere. I was feeling so aroused throughout dinner that I excused myself straight afterwards and went to my room where I spent a good couple of hours with my fingers in my cunt yet again. The episode seemed to have invigorated Jackie too, because that night I could hear her and Len fucking extremely noisily in her bedroom.



Nothing then happened until a few days later, when this time Len had gone away on business for a couple of days. Jackie hardly waited until his car was out of the drive until she came to my room to find me.

“We've got the whole day to ourselves,” she smiled, eyeing my boobs in my tight T-shirt. “The kids are next door, Len's away, and there'll be no-one to disturb us. You know that I'm going to screw you, don't you?” There was no doubt in my mind about that. “But let's not rush things,” Jackie continued. “I'm always better the longer I have to wait.” So we went down into the garden to try and relax by the pool.

Looking at Jackie lying there in just her bikini bottoms by the pool was guaranteed *not* to relax me, but I tried my best. It was bliss being able to lie there topless, feeling the hot sun on my skin, on my hardening nipples, burning through my thin costume to my pussy. I was itching to touch myself, and several times I found my

hands wandering down my body, stroking my boobs, rubbing my palms over my stiff teats, but I didn't dare touch my cunt - yet.

Jackie was watching me, her eyes never leaving my hands as she watched them moving over me. Suddenly she was doing the same to herself, except that she shrugged her bikini bottoms off first before beginning to touch herself. Her pussy was already wet as she began stroking herself softly, starting with her small, firm tits but soon working down to her sparse-haired pussy. I watched as she made little circles on her clit with her fingers, one from each hand. She was trembling as it aroused her, arching her hips up off the sun lounger so that she could push a couple of fingers into her cunt.

I'd never watched another woman frig herself, although I'd had a couple of fumbly lesbian encounters before all this had happened. The sight had aroused me to the point where I knew I was going to come straight away if I so much as touched my cunt, but I wanted to hold back until Jackie was there to help me out. I squeezed my thighs together, sending ripples of pleasure all through my groin. Jackie was coming now, groaning as the climaxes hit her, her back high off the chair and her nipples hard and pointing skyward.

I got up and walked on shaky legs over to the pool - I needed cooling down! Stripping off my costume I dived in, feeling the cool water seeping into my burning hot cunt and swirling between my tensed up thighs. My boobs were tingling, and my whole body was in such a state of arousal that I surfaced, panting, after only a couple of seconds under the water.

As I did so Jackie surfaced beside me, completely naked as I was, her face flushed from the sun and her recent orgasm. She just stood in front of me in the shallow pool, holding her boobs out so that our nipples touched. It was as if an electric shock was going through me, and I reacted as she'd known I would, by pulling her hips towards me so that our mounds were touching, our pussies rubbing together sensuously. She put her hands on my shoulders and started to French kiss me hard and firm.

Having her tongue delving deeply in my mouth was the straw that broke the camel's back, and I grabbed Jackie hard so that our bodies were locked together as we stood waist deep in the water. Jackie moved her hand down my body and found my cunt, probing me with her fingers as she spread my love lips wide. Cold water rushed into my pussy and I gulped with pleasure. Jackie was really pushing her fingers in and out of me quickly now, in almost to the knuckle, and the way she was urging her hips so close to me, pushing me back against the edge of the pool, made me certain that she wanted me to do the same to her.

I moved both hands down to her cunt, feeling how she was burning hot down there, how the water that was swirling round both our pussies was turning us on even more. Then, with one hand massaging Jackie's stiffened brown buds, I slowly worked the fingers of my other hand along the length of her slit, parting the wet pink folds so that I could slip first two, then three, fingers inside her.

Immediately she clamped her pussy muscles around my fingers, holding me in there, clenching and unclenching as I

worked my up and down and side to side in her cunt. I tightened my other hand over her boob too, massaging the firm tit flesh in my palm as Jackie leaned her head back and gasped.

"Oh, Sally, that's so good," she breathed. "Put more fingers in my pussy. I want to feel all your fingers in my pussy!" It seemed so easy to slip my little finger and thumb into Jackie's slick hole, she was so wet from the water and sticky inside from her juices. Jackie panted so hard as I did that, I thought she was going to take off!

"You're fucking me with your hand!" she yelled, and began thrusting her hips towards me, riding my fingers, rubbing her crotch up against my belly, and rubbing her legs up and down mine in the water. The whole pace of my frigging her increased dramatically as I leaned down and lightly grazed her nipple with my teeth, rubbing the outside of them along the hard bud before taking the whole thing into my mouth and sucking on it gently but fast. It felt wonderful having a mouth full of Jackie's lovely, succulent, brown tit flesh.

I knew Jackie was coming when she tensed up her cunt muscles round my fingers and breathed sharply, "Faster! Finish me off properly." I felt a warm wetness spreading over my hand as Jackie's juice flooded out, thick and sticky, as I frigged her off to a series of climaxes. When she'd finished coming we rested at the poolside, legs intertwined, breathing hard and fast. My cunt was so hot I was itching for Jackie to bring me off, and couldn't resist touching myself under the water as Jackie leaned against me, kissing my shoulder.

"No touching yourself," Jackie told me, brushing my hand away. "That's for me to do." Then I felt her lifting me up on to the side of the pool so that I was sitting on the edge, my legs spread wide, leaning back on my elbows.

"Then touch me now, Jackie," I begged her, thinking I'd not be able to hold back much longer. Instead of bringing me off with her fingers though, Jackie bent down, her blonde hair brushing my thighs as she put her tongue on to my clit.

At that I flopped down on to my back, holding my thighs open so that Jackie could get her tongue into my cunt, running it down through the folds of my pussy, really probing for all the sticky love juice that was leaking from me. I fondled my own tits then, moulding the big handfuls in my fingers. Jackie's face was buried in my cunt, and her tongue was now pushing its way right inside, snaking up against my cunt walls, and I pulled one of my boobs right up to my face and put the nipple into my mouth as I'd done to Jackie, licking and sucking the stiff teat until I started to come off in little quick bursts.

Now Jackie had her index finger inside me as well as her tongue, pushing it up to find my G-spot, until quite suddenly a huge wave of orgasm swept over me, making me shake and tremble and pant as the heat in my cunt got so intense I could hardly stand it. "Tongue me, Jackie, lick me!" I yelled. "You're making me come so much."

Jackie ate me out even faster at that, telling me in between gulps of my come how she'd fancied me the moment she'd seen me at my job interview, how she'd planned to get me into bed for weeks once I started my job, and how she'd seen me getting aroused by the sight of her in bed with her friend. When I asked her about Len, she told me that he knew all about her preferences, and was quitehappy to let her have a string of lovers so long as she gave him the sex he wanted.

"I've always preferred women," Jackie confessed, "but since I wanted kids I got married when Len asked me. He knows all about Linda, the one from the other day - and he'll soon know about you too." And with that, her tongue was delving into my cunt again and I was writhing on the ground.

I still work for Jackie, and I'm still sleeping with her. I've now got a boyfriend, who we're hoping to get into bed with both of us before long. - *Sally, Portugal*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

I am 18 and hope to go to college next year to study Physical Education, so last autumn I arranged to visit a couple of colleges to have a good look round. I ended up finding out a lot more about one of them than I ever expected to.

During the day, I'd been escorted round the various buildings by two older students, a nice blond guy in his mid twenties and a girl, Jenny, who was 22. It was one of those lovely, hot, autumnal days and I was just wearing one of those cut off T-shirts (that expose your tummy and make your boobs look really firm and protruding), a long, flowing skirt, tiny white thong knickers and some little sandals.

At lunch they took me to one of the bars and we sat outside on the lawns, chatted and drank cider. Then in the afternoon they took me around the P.E. department and all the gyms and sports halls. Obviously the cider had left me a little bit merry because I was getting quite a lot of randy thoughts coming into my head. When we were going round one changing room block, I made an 'accidental' entry to the Gents' changing room, hoping to get my first eyeful of genuine student knob. Unfortunately, there wasn't anyone in, or Jenny or her mate Bob would have had to get a crowbar to lever me off any knob that came in range.

I came out, pretended to be embarrassed and apologised to Jenny. Bob had gone on ahead to get the keys for the department and Jenny took me in to the next set of changing rooms. There were a couple of girls getting changed in there, and it was then that I discovered something really surprising. Although we'd always changed together at our girl's school, I'd never taken any notice of the girls around me before. But here I was, only having left school six months, pretending to examine the changing rooms but actually dying for another layer of clothing to come off so I could see bare boobs or perhaps a delicate little snatch.

As I got out, I was sure Jenny could see that my nipples had really perked up. I ached to touch them, but daren't just thrust a hand up my T-shirt - easy though it was to get at my tits. As we walked off to find Bob, I was starting to wonder whether Jenny had been fucked by many stiff, student knobs. My dream was stopped when Bob invited me in to the last of the tour - what he called The Labs. God, how confusing! Machines, wires, switches, dials, exercise benches, and rowing machines everywhere, and a big physio couch. Jenny and Bob described what they were for. One of them measured breathing and heart rates during activity and I asked if they could show me how it worked.

Bob got the track going, attached some little pads to Jenny and she stepped on and started to run. I could see the heart rate go up, but I was more interested in how her boobs juggled as she ran. Jenny looked at me, catching my eyes on her boobs. I smiled back and licked my lips.

"Bob, go and get a towel from my locker, please," Jenny asked. As soon as Bob left the room she stepped off the machine, leaving it running, and took off the pads. "Your go," she said. I slipped off my little sandals, jumped on the machine and started jogging.

My little 34 inch titties were bouncing away, nipples erecting against my T-shirt, and then my heart rate went barmy because suddenly Jenny had slipped a hand under my T-shirt and was squeezing my left tit, rolling the nipple in her fingers.

I almost overbalanced as I hauled off my T-shirt eagerly. 34 inches of taut, rosebud fresh, teenaged tits fell into Jenny's hands. "Now the rest," she said, stopping the machine. "Bob and I will have to see if you are really fit enough to come here. Then we can see if there's enough to fit you!'

I was a little nervous as Jenny stood me by the physio couch, unhooked my skirt and laid me on my back on the couch. Randy but a bit embarrassed, I looked down at my tiny white thong, the trimmed triangle of brown pubes underneath and the glimpse of a wettening, swelling cunt lip peeling out. I was breathing hard as Bob walked in with a number of towels, a pen and a clipboard. Obviously Jenny had given him some kind of signal when asking for the towels.

"Right, Bob! Test away," said Jenny locking the lab door. I could hardly wait. Half of me was desperate for a full cunt, half of me really nervous.

"Test one," Bob started, "expose to good, hard dick!" Jenny watched as Bob almost tore off his running vest and I gasped at the broad, golden haired chest. He walked up to the couch, his back to me, his track suited bum near my face. In a split second he'd dropped his track suit pants, turned and was almost prodding me in the face with a beautifully hung, circumcised throbber. I could feel my thighs squeezing my cunt, my titties hardening, and I grabbed to get my hands on this lovely looking tool.

Too late! Bob had gone back to the clipboard, proudly sporting what looked a good ten inches to me. "Exposure to good, hard dick?" he asked Jenny.

"Good. Eight out of ten. Comment - could have been quicker with her mouth," said Jenny. Then I suddenly sighed with desire and clamped my legs, long and slender, hard around my aching fuck hole. I was going to get a sex report. What was to come?

"Two," said Bob, "cunt exposure!" And Jenny peeled off her T-shirt, exposing big but firm tits and small pinky nipples. Then slowly, teasingly, down came her track suit bottoms, revealing a firm mound, cleanly shaven of all her pubes, and big floppy pink cunt lips. At the sight of this shaven heaven I had to put a hand on my tight little twat and clap my thighs together hard. I was groaning with lust, aching for a good rogering, and heard

Bob say, "Ten out of ten. Will be a hot favourite in the changing room!"

Then they both walked up to the couch, each held an ankle of mine and massaged it gently until they both moved up the side of the couch, spreading me as wide as I'd go. My hand flew down to my crotch and I pulled my little fanny lips open and thrust two faithful fingers into my squelching love pit. Bob and Jenny loved it as I pushed fingers, the cloth of my little thong and more fingers in and out of my hole.

"Ten out of ten - a very open young lady," laughed Jenny, and Bob went to write it down. Jenny let me carry on wanking but started to play with my boobs and then - wham! - licked and sucked at each budding little nipple in turn. I screamed my way to an orgasm and hardly noticed that Jenny had three fingers well into her own pouty, pink cunt lips. "Part four," Jenny sighed out, "seven out of ten for nipples - a firm growth but from a tiny base!"

I was still quaking from my come and was wriggling out of my sopping thong as Bob, still sporting a good stalk, picked up a phone and said, "OK. Part five - activity!" He spoke to someone and I looked at Jenny who smiled, gasped some more and wriggled against her fingers. She came over to the couch and pushed a warm, probing tongue deep into my mouth. She then withdrew and, still frigging herself, thrust two fingers up my little twat.

"Mmm, warm, wet and tight. Squelchy Sarah!" she giggled. Then, with her boobs jutting proudly towards me, she hissed, "This is where we see if there's enough to fit you!"

Bob strode from the phone, unlocked the door and said, "Keep her warm and wet, Jen. She'll need all the juice she can make." There was some whispering at the door as Jenny was rubbing my clit, thumping up my wet channel and still frigging into her own shaven slit. Then she suddenly whipped her fingers out of herself and me and I opened my eyes to the sight of Bob and three other blokes.

I brushed my curly brown locks off my face, got off the couch and walked along this fashion parade of the four largest, hardest throbbers I'd seen. If I'd thought Bob's was big, this was real hard shagging stuff. There were two well longer than Bob's dong and one small, short one that was so fat I just couldn't get my thumb and slender middle finger to meet round it - or round its meat!

Wow! Jenny passed me a tape and I excitedly got to work. Bob was first, a good nine and a half inches. Trevor (he said) had a massive end, with his foreskin peeled back it was eleven inches; and with Gerry, the tape went past ten, eleven, a foot - twelve and a half inches of throbbing, blue veined, cunt filling meat. Chris was the shortest at a modest eight inches, but round and round went the tape for seven and a half inches at the ridge of his circumcised helmet.

My cunt throbbed, my heart raced, and my tits ached with my nipples as stiff as chapel hotpegs as Jenny started fingering herself again and led me back to the couch. She positioned me very carefully, my head near the end and to one side, an arm at each side and my bum right on the end of the couch. Then she pulled my legs to each side of the couch, exposing my neatly trimmed brown curlies, pouting sex lips and dripping teenaged snatch.

"Right lads!" Jenny shouted, and it started! Chris held out his circumcised helmet against my lips and tongue. Jenny guided my left hand, then my right, on to those throbbing pussy stabbers, that throbbed even more as I began to run my hands up and down their blue veins and pinched their knob ends between thumb and forefinger.

Then Jenny leant over, her boobs brushing my tummy, her nipples stiff against my taut, flat belly and gently pulled apart my sex lips with her fingers. I glanced down my body, past the hands that were pumping up and down on Bob and Trevor's tools as I felt my cunt stretching to accomodate Gerry's enormous shaft. He was gently squeezing it in, sweating as he encroached up me inch by inch, splitting my cunt lips more and more, until with a little cry I realised he was in up to his balls, filling my snatch completely with twelve and a half poking inches of circumcised ramrod. I sucked hard on Chris and pumped furiously at the lads at each side of me as Gerry started to pull right back, shaft right in, pull right back...

Spunk flew all over my boobs and chest as I pumped and wanked at Bob and Trevor. Chris was being well sucked into my mouth and my tongue lashed at his prick, while Jenny began to fondle his balls and he started to fuck my mouth, pumping in and out between my lips. But all my body could feel was the throb and pound of Gerry, sliding right out to my cunt lips and back in, filling me up. Suddenly, with spunk on my tits and a mouthful of spurting come, I could feel the blood pounding in my cunt lips, throbbing in my pussy walls and my juices seeping through my pubes and on to my thighs. I was coming as Gerry creamed what felt like pints of spunk right up into the top, hot depths of my cunny.

Titted, sucked, mouth-fucked and shagged, I went off with all the others for a gentle, communal shower; jets of warm water, soap and plenty of hands to rub me down. What a day - and what a reception I'll get when I got to that college to study! *-Sarah, Loughborough*♣

audience when I do that, because all the guys in my road know what I get up to.

"So I hope they're Club readers, because spreading my legs to show off my pussy really got me feeling randy. Perhaps I'll have to invite the neighbours round!" ♣

PORN Princess

TAIJA RAE

If you like your porno queens sweet and sexy, then up and coming starlet Taija Rae is one woman you must *see. She's got the face of an angel, but loves to get her teeth into the kind of cocksucking bitch roles that mean she can* really *let rip.*

"I got into doing porno flicks because I was bored of being a waitress," temptress Taija told us after stripping off for this photo session, and showing us that tiny waist and those rounded boobs that are her trademark. "Anyway, to be honest, I love sex - so if I didn't work I'd end up a nymphomaniac!

"My favourite trick is to have two guys at once, one with his cock in my cunt while I suck the other one off. That really satisfies all my appetites. I work real hard so I've made 20 movies in the last year, and worked with some of the best studs in the business. I just can't imagine having

ALL A BROAD!

Yes, folks, next issue you can see all of gorgeous Ursula, who was in fact Miss Poland 1989. We're celebrating our special post-Valentine-but-not-quite-spring-yet issue by dressing Ursula up in a silly hat and a sailing dress, and then getting her to take them off again! It's incredibly horny - and we're not putting in any stupid Carry-On jokes about bottoms either!♣

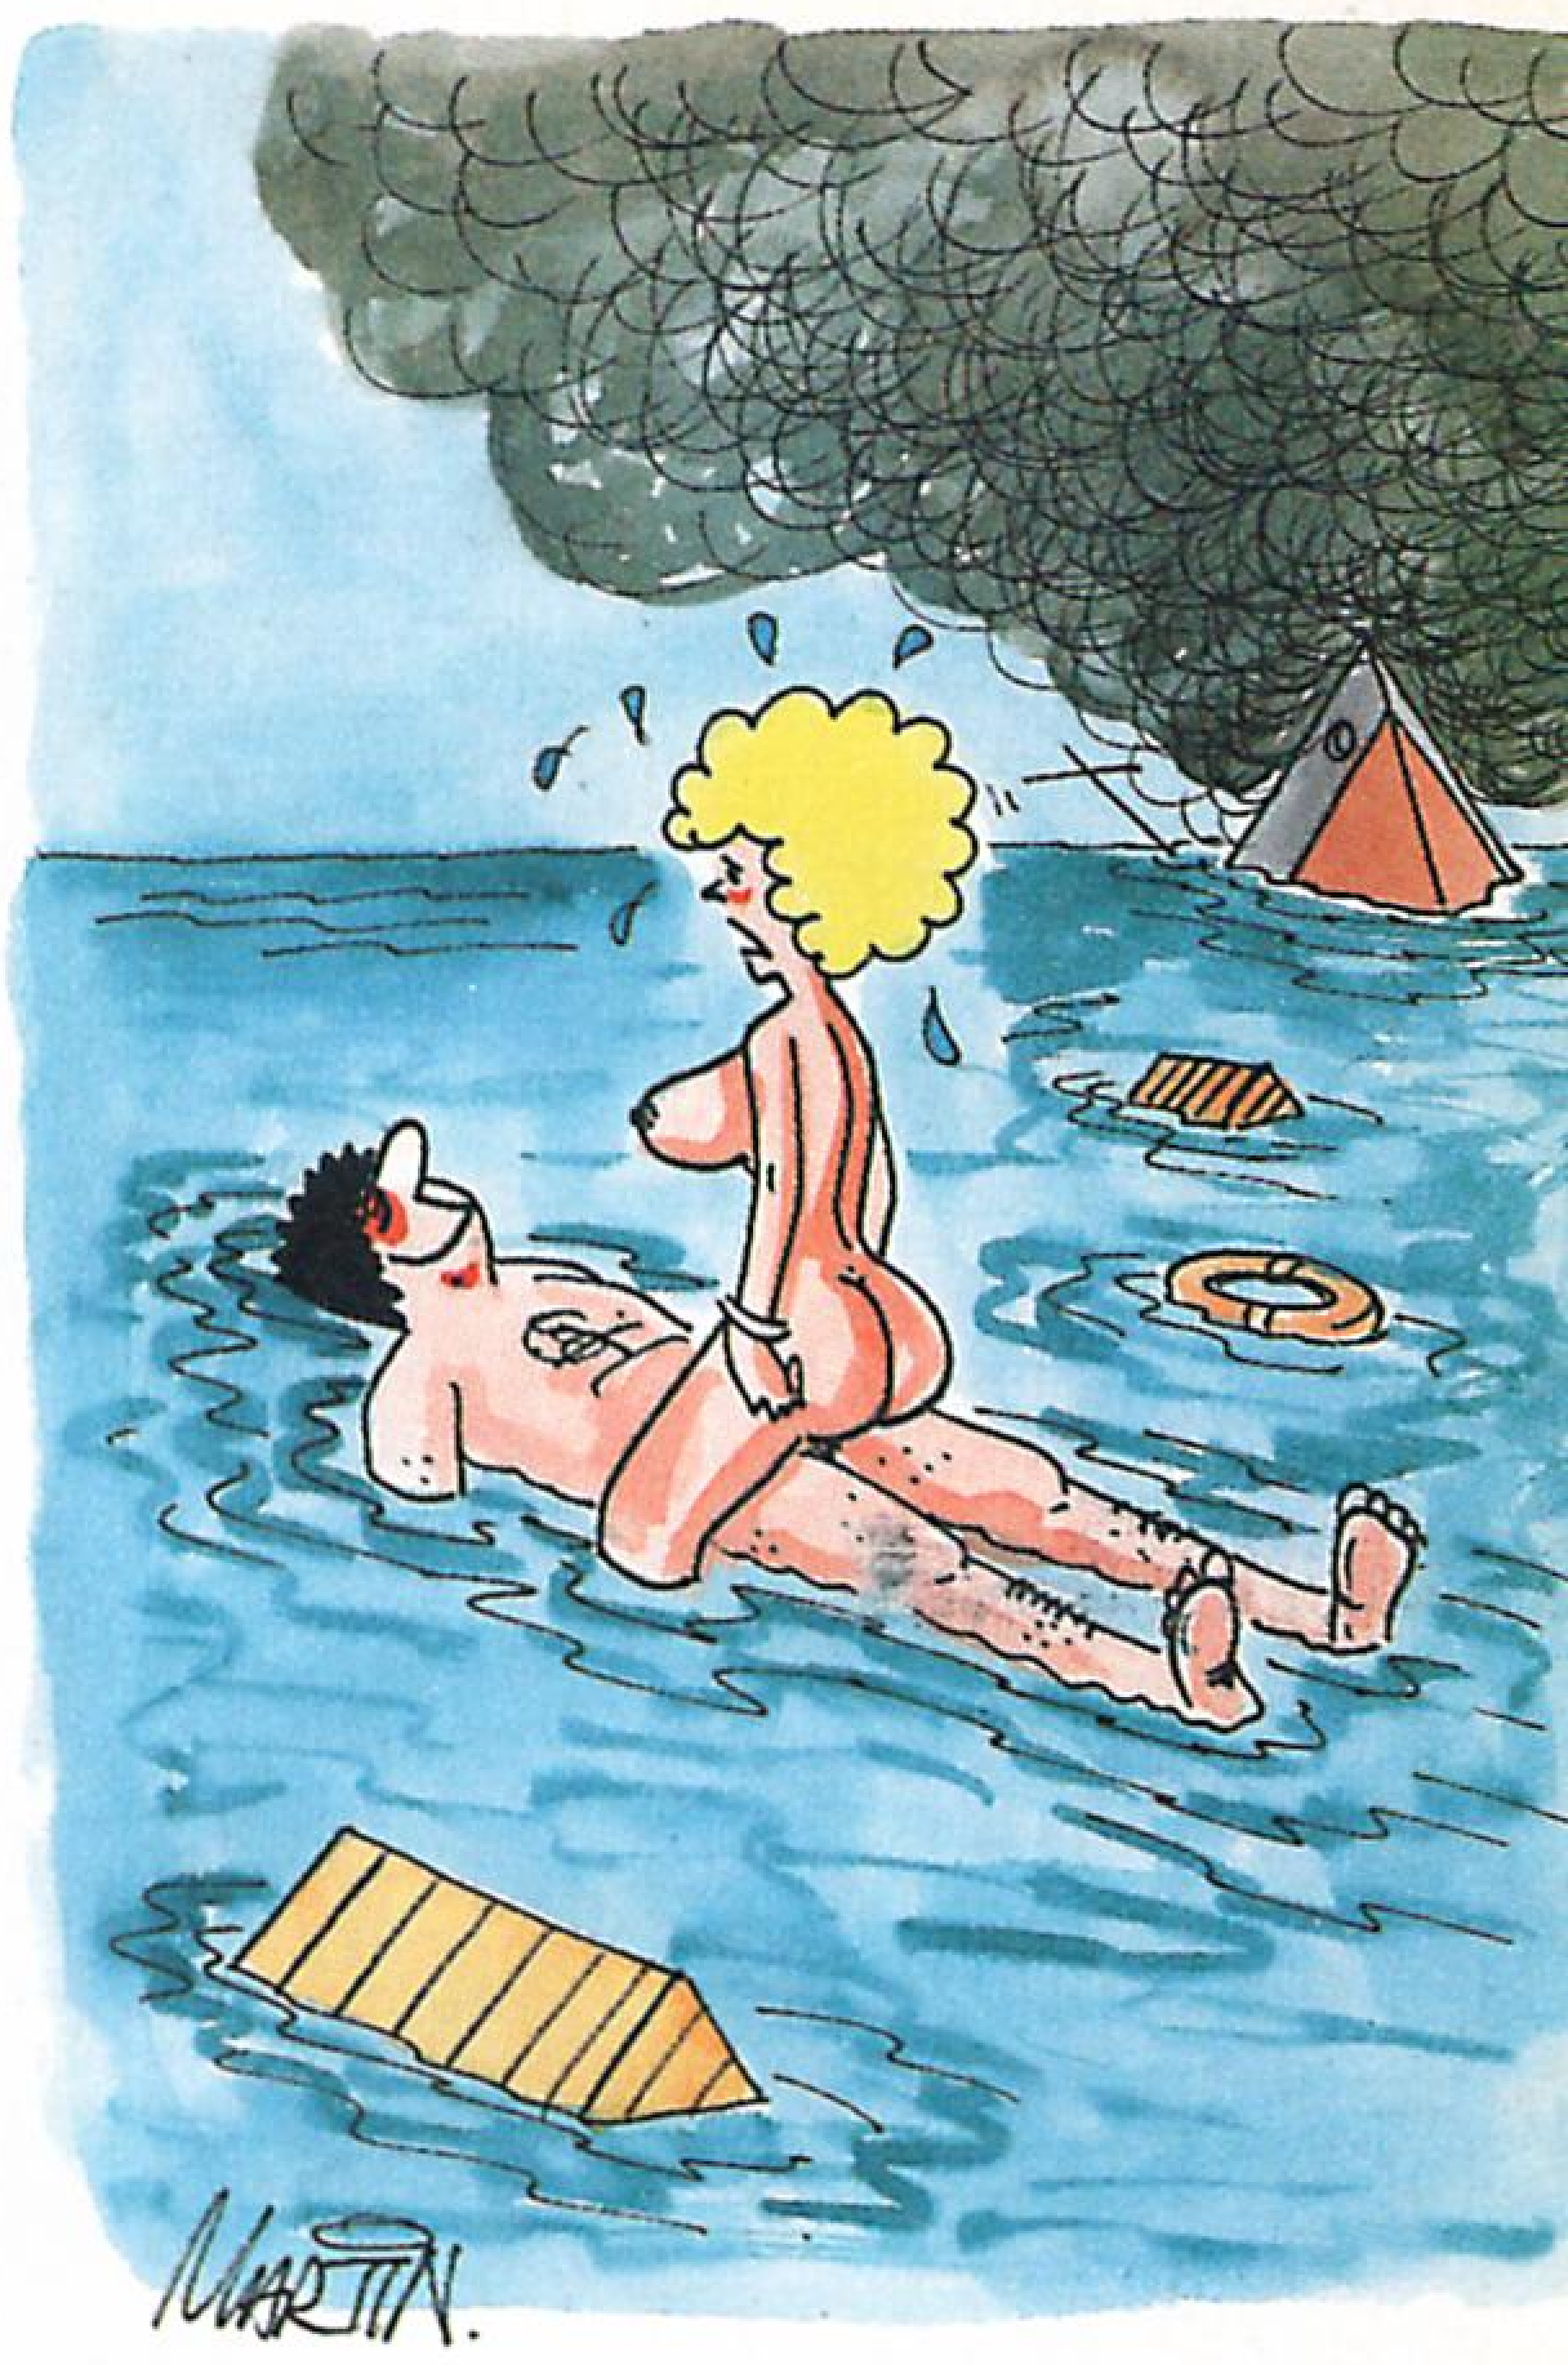
girl *Talking Blue* set showing your models about to make it with each other. The inspiration that gave Gwen resulted in many a blow-job for me.

Gwen's oral talents were well-known as far back as college in the late 60s. When Gwen married me soon after graduation, some of the guys she had blown were wondered why she chose me, a relative nobody, when she could have had anyone from the class swot to the captain of the football team.

They soon learned the answer. Gwen married me because I understand her oral pleasures and I encourage her to invite her male friends over to the house. The former football captain, Tom, is now a regular visitor!

Last week, I gave Gwen a birthday party to which I invited Tom, his wife Mariette, Gwen's boss Mark, our neighbour Steve, and an old boyfriend of Gwen's from college named Peter. Peter was the "mystery guest" and wore a full face mask. Gwen hadn't seen him for six years, and the game was to see how long it would take Gwen to recognize him.

Mariette spent most of the evening with Steve, who came at least three times in her cunt and mouth. She sucked Tom and me twice, Mark three times and the "mystery guest" four times. I swear she recognized Peter as soon as she unzipped his fly and pulled out his seven-incher, but she was polite enough to go along with the game until his third come! - *Michael, Newhaven*♣



That's a strange nickname. Why do they call you 'Lucky Morgan'?

Dear Christine,

Your photoset in Vol 18 No 11 really turned me on, and I'm still wanking myself over your fabulous body. I have dreamed up a fantasy involving you, so I hope you don't mind if I tell you about it.

I would come home from work one day to find you dressed in a tiny mini-skirt which would barely cover your oh-so-lickable arse. Underneath it you wouldn't be wearing any panties, and on the top just a white T-shirt, which would be a bit tight so those suckable nipples of yours would be showing through.

As I enter you invite me up to your bedroom with a dirty look on your face. You lie on the bed, legs open wide, allowing me a glimpse of your bushy mound, then ask me to remove your skirt. I unfasten it, toss it aside and start to lick your glistening pussy, moving up your body to remove your T-shirt. This reveals your fabulous tits, complete with erect nipples, and I begin to knead and suck them. Meanwhile you unzip my trousers to release my fully stiff prick. You'd gently stroke my balls and in no time at all I come over your beautiful body. - *Jonathon, Birmingham*

The bit I like in your letter, Jonathon, is the bit about me having a dirty look on my face when I'm about to fuck you. I think it's really important for a girl to really look as if the only thing she wants at that moment, when she's going to bed with a bloke, is a good shagging - so as you can imagine, I practise my dirty look a hell of a lot! It starts when I play with myself in front of the mirror, to see what I look like...

- Christine

A POSITION OF MY OWN

***Scraping the bottom of our correspondent barrel, we suffered a bum rap from our resident arsehole** Billy Buttock.*

We've never liked that base bastard Buttock much. Far too crude for a publication like Club. He talks out of his arse so much he's the only guy who can sit on a portable phone and still be heard. So we sent round freelance assassin Ninja Moskow as an excuse to ask him a few questions, get a few obvious answers... then blow his big backside to Kingdom Come! This is a complete transcript of their conversation:

Let's get on with it then, Buttock. What's your favourite position for rumpy pumpy?

I'm sorry, Ninja?

How do you like your todger tangled with? How do you dip your wick?

Banging on the back door like a steam driven sledgehammer, of course. Sliding a stiffy up the slipway from behind is the only pussy-pounding procedure for yours truly!

Could you put it another way?

Never!

Front or back, top or bottom, bum brain?

You mean there's another position?! But seriously Ninja, I've tried everything in my time from oral, to aural, to downright deplorable. I've even tried a 72. That's a 69 with three people watching, and it's true what they say; you know when you've eaten pussy well because you wake up in the morning with a face like a glazed doughnut and the cat licks your chin! I was also into tit-fucking until I realised that was only for suckers.

Then one night I was out with a friend at the famous *Hippopotamusdrome*. We were comparing the experience of banging a nubile bottom, while watching it bouncing about before you like a pair of puppies in a string bag, with straight old missionary style. You know, I said, doing it from the front is a bit like a DC10 passenger plane. It's just not what it's cracked up to be!

What do you like so much about arses?

I love all bottoms. Big wibbly wobbly ones that tremor like an earthquake zone when you touch them. Small, flat shiny butts that look like cricket balls and move so well off the seam they make your wicket sticky in no time!

Bums have got great cleavage too. I love the sight of my woman bending down to reveal a long, deep bum crack, framed by two fleshy half-moons. Then I pull down her silky panties and push a finger between her pulsating pussy lips, uncluttered by bushes of bothersome pubes.

But getting your girl to bite the pillow has never been easy. I remember the hard years, when a lady would rather be fingered by Captain Hook than bend over and take it from behind; when the only way you could get a shag from the rear was strictly under the counter. But you ended up banging your head more than her bottom!

I was working in a restaurant during these lean years. One night I was so desperate for a bit of bum bashing that I screwed the pickle slicer and got caught by the boss. When I went home and told my girlfriend she insisted on taking my pants off to see what the damage was. "Thank God you're all right," she cried, overjoyed that my difference wasn't split. "But what happened to the pickle slicer?" Of course I had to tell her that she'd been given the sack too.

Not all girls understand a guy's longing for rear riding. One girlfriend was so stupid that every time I tried to slip her a length from behind she said she wouldn't let me do it until the swelling went down. So we tried oral sex, but she thought that meant standing at opposite ends of the bedroom and yelling 'Fuck off!' at each other.

What's so special about shagging from behind?

I love doing it doggy style - all that licking and sniffing! But best of all it means I can do it with a dodgy looking woman like you without ever having to look at your face. Now how's about some bedroom Olympics then? You've got a nice arse, Ninja. It's just a pity it's on your shoulders.

Tell me, Mr Buttock, do you think about death much?

B-b-but, my dear Ninja, I've been at the top in bottoms for the last ten years. I've got years of good bum loving ahead of me.

How would you like to die, Billy?

From behind, of course!

That defiant shout was Buttock's last. With a cry of triumph, Ninja detonated the 40-megaton Semtex underpants he was wearing.

And what do you think was the last thing to go through Buttock's brain? His arse, of course!♣
